

# HOFFMAN'S MARINE STOKERS

## Accomplishments:

- 1—Efficient combustion despite limited furnace volume.
- 2—Proper ignition at high and low loads without refractory assistance.
- 3—Steady steam pressure regardless of load or cleaning periods.
- 4—Trouble-free operation.
- 5—Ability to burn any grade of coal regardless of characteristics.
- 6—Elimination of sliding fires.
- 7—Dependability under all conditions.
- 8—Ease of operation.
- 9—Maintenance free.
- 10—Time proven.
