OSHAWA.

**BUSINESS NOTICE.**—Oshawa subscribers or advertisers may transact any business with the CHRONICLE, or may obtain extra copies at any time, from E. E. ROGERS.

Farmers will do well to call at M. E. May's for boys' ready made clothing.

It will pay any parties contemplating buying an engagement or wedding ring to see the large stock of Felt Bros. Oshawa as they will sell this month very cheap for cash. Genuine diamond 14K, only 55¢. They are also making some special offers in Gents', Ladies' and Boys' gold and silver watches. See them. Felt Bros.

Mrs. C. F. May is visiting friends in town. Mr. R. Davidson spent Monday in the city. Mr. A. O. Geiger was in Toronto Monday. Mr. Ed Hunter went to Chicago on Tuesday. Mr. Geo. Farewell is home for a holiday from the Soo. Miss Robson has returned from Converse College, North Carolina. Mrs. T. G. Ryley has returned from a visit to her sister at Trenton. The Misses Grose, Newcastle, spent Sunday with Miss Brimacombe.

Mr. Frank J. Maxwell of Toronto, is the guest of Mr. J. W. Ellis this week. Mrs. J. G. Scott has been spending a week or so with Mr. Scott, at Trenton. Messrs. John Cowan and John Mothersill attended the Anglican synod at Toronto last week. W. P. Bell of Kingston, Grand Councilor C.O.F.C., paid a visit to Cedar Dale and Oshawa Council on Monday evening, and was the guest of Mr. C. Williamson. Mrs. C. Leck, of Toronto, who has been visiting relatives returned home last week accompanied by her mother, Mrs. J. Phillips. Sir Charles Tupper was the guest of Mayor Cowan while in town. He had a good night's rest and left for St. Mary's about 10 a.m. next day, feeling none the worse for his busy work of the day before.

The Oshawa lacrosse club visited Bowmanville Thursday and played the team of that town, getting behind by a score of 3-0. Our boys played a very good game, but were somewhat handicapped by the absence of some of their best players. Willie Handy who drives the delivery wagon for Mr. James Feltow, was the hero of the rig in front of the Simcoe Street Methodist church on Monday evening for the time and was taken home by Bert Hastings.

A large crowd attended the Christian Worker's ice cream social, held at R. Drews last Friday night. The lawn was illuminated with Chinese lanterns and presented a very pretty appearance. The Christian Workers band was in attendance and a marked improvement was noticed in their music. If the street committee would take a half holiday and make a tour of the town they would doubtless be surprised to see the side walks which stand badly in need of repair. There are some which are a disgrace to the town and it is no uncommon thing to see people falling and stumbling over rotten pieces of board.

Mr. M. G. V. Gould received his B. A. degree from Toronto university last Friday. He again stood first in the department of Political Science, taking first class honors in Modern History, Economic History, Public Finance, Political Philosophy, Jurisprudence, International Law and Federal Constitutional Law.

I find it pays to advertise in the CHRONICLE as I have had many customers from long distances who come prepared to buy large parcels of goods, and in many instances they have been surprised and delighted with prices and the good class of goods. A. MACKIE, at the sign of the golden lion.

Pastor Fisher has completed arrangements for the monster camp meetings, which are to be held at Oshawa on the lake from June 26th to July 6th. Among the speakers are prominent methodists, congregationalists, mennonites and a large staff of the Christian workers. Miss McAllister, of South Africa, who has been engaged in Bishop Taylor's work will take a very interesting part. Rev. A. W. Roffe and wife, the sweet gospel singers, will assist with their beautiful songs. Make all applications for tents and information to Evangelist Geo. Carswell, Oshawa.

On Sunday afternoon, a little before five o'clock, the new moon passed between the earth and the planet Jupiter in such a way as to occult it for the space of about half an hour. The moon, being but three days old, appeared as a crescent and though but three hours distant from the sun, the planet was not visible to the naked eye but was easily picked out with an opera glass. It disappeared behind the dark red eastern edge of the moon, which itself was not visible, thus producing the interesting phenomenon of a very bright star being blocked out of the sky apparently without cause.

Misses L. Hayes and Marks are visiting in Toronto. Mrs. Gullack, who has been very ill, is slowly recovering. Miss Lena Hall, of Toronto, is the guest of her sister, Mrs. Ellis. Mr. F. May, of St. Paul, Minn., visited with relatives last week. Mrs. S. Taro, moved to Erie last week where in future she will reside. Misses Minnie Lansing, Ettie Blow and W. Blow Sunday at Scugog Island. Misses Alice Mitchell and Maud Galloway paid Whitty a flying visit on Sunday. Miss E. Hobbs visited with her grandfather, Mr. L. A. Findlay, of the Millway Gazette, enjoying his holidays in Ontario county. The R. S. Williams & Co. have shut down their factory for a couple of weeks for the purpose of stock taking. Messrs L. Harvey and Will Lauchland have succeeded in getting the degree of Ph. S. at Toronto university.

Miss Beattie Mark and Miss Louie Hayes, left on Saturday for Toronto, where they will remain for the summer. Mr. Strickland, one of Oshawa's most respected citizens, passed away to his eternal rest last Thursday. Deceased was in the 88th year of his age and had been ailing for some time. His remains were interred in the Union cemetery Saturday afternoon followed by a large number of friends.

A very interesting meeting of Canadian Order of Chosen Friends was held in the Hall of the Councils of Cedar Dale and Oshawa on Monday evening June 15th. The occasion being a visit from the Grand Councilor, W. P. Bell of Kingston. It is to be hoped the result will be a large increase in the membership of both councils.

People when their horses are hitched up don't stop until you go to see the inducement to buy a horse. He gives elegant presents with all cash purchases of five dollars and upwards, besides selling goods at from 25 to 50 per cent. cheaper than any merchant in the county.

A very pleasant and exciting game of football was played at Ebenezer on Monday afternoon between Bowmanville and Oshawa high schools, Oshawa winning by 2 goals to 1. The ball has commenced rolling and the boys met success in this first game. We hope regular practice will continue and many games be played during the season.

The Mission Circle concert held in the Simcoe St. Methodist church Tuesday night attracted a large number of people. The following people took part: Messrs. Geiger, Punshon, Plank, Misses L. Leck, Hattie Dingle, L. Bambridge, A. Hansen, Ethel Rice and Luke. The president, Miss Velma L. Luke, read the report of the circle.

The big editor and proprietor of the CHRONICLE has decided to modify my statements as to prices of which an article is selling goods in Oshawa, as people cannot credit it. I don't wonder at this, as readers of the CHRONICLE are not accustomed to such quotations, but I won't change a word. I only ask you to come down and inspect my stock to be convinced. A. MACKIE.

A very pleasant event took place on June 10th, at the residence of Mr. and Mrs. Chas Menagh, 16 St. Phillips St. Montreal, when their eldest daughter, Gertrude, was joined in the bonds of matrimony by the Rev. Mr. Grant, to Mr. Wm. Hooper, of Montreal, both formerly of Oshawa. The bride, assisted by her sister, Ethel and the groom by Mr. Will Webster, of Oshawa. After the wedding ceremony was performed, they all retired to the dining room, where they partook of a sumptuous repast. The proceeds from the many friends which they have gained since they resided there, the happy couple left on the 20.30 train for the west. Before their return to their new home in Montreal they will visit their many friends in Oshawa.

Mr. Edmondson has secured sole control of the Montreal Telegraph Co's and C. P. R. Co's lines for receiving the election returns on the night of the election. The returns will be delivered direct to Prospect Park and will be thrown on a canvass 25 feet square by stereotyping process. These reports will be the only reliable ones obtainable in Oshawa. A most amusing entertainment will also be given and the 3rd bat. band will furnish music of a high order. This is the first attempt of this kind in Oshawa and the present campaign, will have the opportunity of seeing the reports come in and join the good natured merriment which is always present on an occasion of this kind. An immense crowd will be present. Not less than 6000 people is the estimate made by careful business men in town.

The old feud between the two town baseball clubs was renewed at St. Gregory's garden party on Wednesday, when they went to one another hammer and tongs. The Bones Bowden club, which has been contrived with an imported catcher, while the Orioles had a Toronto pitcher who got knocked out of the box. The Orioles could not hit Powers, and until his arm gave out in the 7th inning it looked as if they would never get a run, the score at that stage of the game being 10 to 0. But the Orioles had their day at last. They fell upon Powers in the 7th and knocked the cover off the ball. Unfortunately, however, their own pitcher suffered a bombardment which rendered him to the field, and then each side pitched the other's misfortunes. The Bowden club was away ahead when the fun commenced, and finished in the base line by 18 to 11. In the evening there was a good attendance, and a most enjoyable time put in.

On Friday afternoon of last week sneak thieves broke into the residence of W. Dyer, just north of the New York store and succeeded in carrying away jewelry to the value of some \$500 or more. Mrs. Dyer had locked the house about a 20.30 and gone over on college hill to see a friend and was absent about an hour. Mrs. John Dyer accompanied her back and they sat on the front porch until about 10.30 when she entered the kitchen found the back door open and noticed that a south window had been raised. She knew that the house had been securely closed before she left. An inspection of the premises showed that the house had been searched for valuables and that a gold watch, a diamond ring and two gold rings and some other articles of jewelry had been taken. Mr. Dyer was notified and Constable Halnan took the case. At the base line he learned that three men who had been in the neighborhood of the New York store during the day had gone west along the track. He took Geo. Schmitt and Rich Gault with him and drove to Whitty. Mr. Dyer, L. J. Dickie and Lyman Laughland followed on their wheels and went up the side lines to enquire of the men and found they had followed the track west. Mr. Dickie made much of the distance on the railway track. When they arrived at Whitty they found the constable Halnan had the men in charge and had recovered the stolen goods. The men were interrogated around the overhead bridge just west of Whitty before the police officers got up to them one of them was noticed to hide something under a burdock. This proved to be a handkerchief in which had been hidden the stolen goods. The prisoners well. The two fellows were tried by Police Magistrate Murton on Wednesday, and after the facts had been fully gone into it was made clear that they were guilty. One of them told a pitiful story showing that he had been treated in a glass factory. This softened the Magistrate Murton's heart for the time being, and he granted a week's adjournment to ascertain if the man deserves leniency.

Mrs. J. T. Gould visited in Toronto last week. Mr and Mrs Robt Walder, of Preston Springs, spent Sunday with Mr and Mrs H Robbins, Cedar Dale. Mr Percy Owens, organist of St. John's Episcopal church, Peterboro, is in town, the guest of Mrs J. P. Owens. You won't believe it eh, well it is true. I take your measure and make to order a nobby suit of men's clothes for \$4.95, and guarantee satisfaction. A. MACKIE, Oshawa. Mr and Mrs H J Davis of Woodstock and Miss Josie Woon of Toronto, are the guests of Mrs E Cooper, Fairview farm. Misses E. McCormack, E. Hobbs, V. Troy, H. Brooks, A. Adams and O'Connor attended the Union picnic at Rosebank last Friday. Miss Maude Mason, teacher in elocution at Converse college in North Carolina, accompanied by Misses Mabel and Grete, are spending their sister, Mrs J F Grierison. Mr James McCaw, formerly of this town, now of Toronto, was united in marriage to Miss Johnson of Toronto last Monday night. They spent a few days with Mr. and Mrs. J. McCaw this week.

Alex. Mackie, Oshawa, is selling goods from the largest stock at prices which parallel trade in general dry goods, ordered clothing, ready made clothing, gent's furnishings and general groceries.

Mr. T. S. Henry, of Oshawa-on-the-lake, lost a valuable swarm of bees on Tuesday last. They were sent the marsh towards Darlington. Mr. Henry would be very glad if any one that finds them would notify him.

On Saturday, to-morrow, all the tenders for cutting down hills between Oshawa and Whitty must be in the hands of either Reeve Councilor of Oshawa, or Reeve King of Whitty. The election will proceed as soon as the elections are over. It is proposed to have roads torn up when the election processions are progressing.

Dominion Day will be a great one at Park Edmondson. The Oddfellows of Toronto, failed to get up a very great excursion here on May 25th, so they will try again on July 1. There will be a big programme of sports, in fact far more than can be pulled off unless they run two or three events at a time, circus style. Big posters are out announcing the event, and the programmes are promised soon.

The Christian workers of Toronto and this town are putting forth great efforts to make their camp meetings, to be held at Oshawa, from June 20th to July 6th, a great success. A number of different speakers are announced and seven different denominations represented. The grounds are to be lighted by electric lights, a large tent for the preparations are being made for a host of campers. Already the committee has received a number of orders for accommodation during the meetings.

Political talk is cheap around here. There is not much betting going on as with three candidates in the field the result is very uncertain. Each candidate feels certain of course.

The anniversary has come and gone. Everybody says, "The best anniversary Engeld ever had." The church was filled to overflowing Sunday afternoon and evening, nearly a hundred not being able to gain an entrance in the evening. Rev. Mr. McCamus, of Fort Perry, delivered a very interesting address to the children in the afternoon and in the evening to the parents. His text was upon "Submission." Monday afternoon a grand tea was served in the hall and it certainly was of no mean order. The committee for the concert have every reason to be congratulated upon procuring such good talent for the evening. Messrs. Balfour, Holliday, Punched and Hazlewood favored us with several very choice songs and readings, while the recitations of the Misses Delong, and Wilson were listened to with much interest. Enfield has found out that it pays to spare no means and trouble to have a good entertainment. The net proceeds amounted to \$70.
