There was a tremendous rush to Prospect Park on Tuesday night to find out the election results, several thousands being in the swim. The stereopticon displayed the returns on its canvas in first class style, and gave but poor comfort to the Conservatives, gave but poor comfort to the Conservatives, who have been so accustomed to winning. The majority of 30 in town for Burnett was not a very great surprise to anybody, principally because very few had decided upon what to expect. The Conservatives felt that the town would take a slump, but did not estimate the loss at so near a hundred. The Liberals made a most plucky fight at Cedar dings, Suppers, etc., etc. Also all kinds of flowers. Liberals made a most plucky fight at Cedar Dale, and made half as big a turnover as did all Oshawa. It was a matter of considerable comment that Whitby should have given Smith such a big majority, 50, when every other municipality in the county went back on him. Conlin's did better for Burnett than was expected. About 10 o'clock a monster torchlight procession from Whitby arrived and entered the park in triumph with Messrs. Dryden, Burnett, King, and others in the lead. The speaking was done by Messrs. Burnett, Dryden, Fowke, and Tait, and was only audible to part of the crowd, owing to the cheering. Around town the Liberals teel more than tickled, while the Tories predict that manufacturers will the Tories predict that manufacturers will have to shut down if the revenue tariff or free trade policy of the Liberals is carried out.
