A Common Affliction

Permanently Cured by Taking

A CAB-DRIVER'S STORY.

"I was afflicted for eight years with Salt Rheum. During that time, I tried a great many medicines which were highly recommended, but none gave me relief. I was at last advised to try Ayer's Sarsaparilla, by a friend who told me that I must purchase six bottles, and use them according to directions. I yielded to his according to directions. I yielded to his persuasion, bought the six bottles, and took the contents of three of these bottles without noticing any direct benefit. Before I had finished the fourth bottle, my hands were as

as ever they were. My business, which is that of a cab-driver, requires me to be out in cold and wet weather, often without gloves, and the trouble has never returned."—THOMAS A. JOHNS, Stratford, Ont.
