gistrate to the prisoner. be quits with you afore long,"

IRM Joe Renshaw felt hurt. That astered a resolution not to forget itd conducted his case with a zeal that tumbler. semed to border on animus, otherwise Mr. Renshaw's explanation as to his presence on inclosed premises at midnight might have been accepted.

Mr. Timpany heard the words. He saw the glance that accompanied them. It was not a reassuring glance.

one met it by the light of a bullseye at midnight-ugh! Mr. Timpany shud-

"Cleverest cracksman going, Joe!" said the sergeant in a tone almost of picked up his tools. He was a bit have been out. bit. 'He can get through an iron shutter as if it was brown paper."

less complacent than ever. He had port, he would have fancied he was borrow money on that. done his duty to his client in insuring drunk this desperado's conviction, but he began to wonder whether a man could must get back to the pony trap. Wasnot do his duty too well.

house was, how low the back garden He essayed to rise, but could not. wall, how close the balconies to the For a moment he felt a thrill of fright, ings. There was, however, one con- table and his head between them. solation-he had six month's start of Mr. Renshaw.

and who had once been seen kissing his started, then he said: housemaid was surprising, having regard to the indignation he had evinced thought he was, thought he was. when some time previously he had though I began to give him up. So

did not speed quite so quickly for Joe idea—the drugged bottle of wine which Renshaw as for Mr. Timpany.

more especially to the hard variety. done it's work admirably." He had, however, ample time and opconsidered the vindictive wickedness requital.

the operation contemplated he meant a police station cell. to excel himself. He would not hurry over it; he would bide his time, years' penal servitude, and his constant Everything comes, he reflected; to the reflection is that it's "all through doing man who waits. He would wait-on business with lawyers." Timpany. At last came the hour when he step-

ped forth a free man-anyway for a time. He began to look about for occupation, not work. He had had six months at that, and if he cared for honest work outside prison walls it would have been difficult to find. One, two, three months since the ex-

piration of Renshaw's sentence had expired, and Mr. Timpany began to imagine that he had forgotten his promise and to sleep soundly at nights. He even ventured occasionally to bring home valuable documents of title and securities in his black bag and to once more believe in the truth of the adage that an Englishman's house is his castle. But one night while Mr. Timpany

was wrapped in gentle sleep and his pajamas a thin streak of white light glimmered for an instant along his back garden. Bendigo, who slept with one eye open, fancied he caught a glimpse. of something that ought not be there and emitted a deep, warning growl.

Much to his surprise, as if by magic, a savory piece of horseflesh, just sufficiently underdone to suit the palate of so dainty a canine epicure, fell within a yard of his nose.

usual expression of delight, the bulldog rose and sniffed it. Then he licked it, and it tasted even more savory than it smelled. Bendigo bolted it, and seeing no

morsely lying about turned to regain his kennel, but ere he could reach it his limbs stiffened, and he rolled over without a groan-stone dead. A few minutes later a marvelous

centrebit was running its way silently but surely through Mr Timpany's iron shutters. Before long the shutter had been

quietly pushed open, replaced, and Joe Renshaw was seated in the breakfast room, around which his bullseye flash was moving.

on a small cabinet, the lock of which market hall here on Tuesday 21st inst., Mr Renshaw leisurely proceeded to instead of 14th inst, as previously adverneatly pick.

all receipted. Wot a spendthrift the grove on the 24th inst. chap must be, throwing away his On Thursday afternoon of last week money in payin' accounts ! Some Samuel Jardine, of the 2nd con of Uxfolks never knows the wally o' money. bridge, was up before Magistrate W. H. He earns his easier than I does."

slightest sound, he crept into a room named Mrs. Smith. The case was dis which served Mr Timpany for a kind missed, but both magistrates gave wholeof home office.

"This is better," chuckled the burglar, espying a safe in the corner, and for the holding of the annual rifle match once again the centrebit was called in- of the 34th Batt, here, in September. Of to operation. But it was a tough job

"If I had the man as made this tial aid.

Well!" he said, and then he swore. "Arter all, nothin but a pile o' dirty parchment not worth a crown," and he in angrily turned over the bundles of talls

deeds which represented tens of thousands of pounds.

But as the last drawer slid open a Months, with hard labor," said chuckle escaped him. There lay a bundle of crisp Bank of England notes, which Mr Timpany had received on se prisoner to the solicitor for the the completion of a conveyancing matlution as he turned to descend to ter after office hours, on behalf of his clint, too late to pay into the bank.

Stuffing the notes into his pocket, he bular solicitor, Benjamin Timpany gathered up his tools and prepared to depart. To his great joy, he saw upon gathered up his tools and prepared to the table a bottle of port wine and a do they have all these policemen at the

"Oh, ain't he kind" he soliloquized, "to perwide refreshment as well as amusement? He might a' left it in a place)-Why don't you show your book tureen, and really I don't like drinkin of references? When any part of the body isn't doing the work that nature intended it to do, puts the whole system out of tune-out of harmony. When all of the parts do not work well to gether, none of then. an work just right. ed six pence. Sickness in one part of the body is likely of the body. It isn't apply a stringent lotion to stop the bleednecessary to be sick all over the body, in order that you may feel sick all over. When children stand a row of bricks or end, they knock the

whole row down by upsetting one brick. That is exactly what happens to the health when the bowels fail to perform their prop er function. Constipation makes trouble all along the line-puts the liver out of order, is bad for the kidneys-bad for the stomach. It holds in the body poisonous matter, and because it cannot go any place else, it gets into the blood. The blood carries it all over the system. That makes sluggishness, lassitude, bad breath and foul taste in the mouth, fills the stomach with gas and causes windy belching, stops digestion in the stomach, causes sour stomach, heartburn and flatulence. It makes pimples and biotches and causes sick and bilious headaches. Nine-tenths of all human ailments are due to this one seemingly trivial With the snorting growl that was his cause. Dr. Pierce's Pleasant Pellets cure constipation. They really cure it. No body becomes a slave to the use of the store. Look out for the druggist who tries to sell you something which he says is "just as good." There is nothing just as good. Anybody who tells you there is is mistaken-or worse.

A GREAT MEDICAL WORK FREE. regular price, \$1.50 per copy. The profits on this immense sale have been used in publishing the present edition, a copy of which will be sent to any address on receipt of 31 one-cent stamps to cover customs and mailing only. Talking to Them.

There is a fish-dealer in New York who has a large number of rich cus-"Pellets." They cause no griping and are as mild as they are efficient. At any drug store can be found full of ladies who are doing their own marketing. The dealer is all smiles to his customers on good. There is nothing that is nearly as such days, and very anxious to keep their good-will and trade. For some time an Irishman had been coming in We have arranged to give away absolutely free 500,000 of Dr. Pierce's great book, "Common Sense Medical Adviser." It contains 1008 pages, and more than 300 illustrations, some of them in colors, 680,000 copies of it have been sold at the place, and after going from stand to stand, and peering long and closely at the fish, he usually wound up by purchasing some cheap specimen of the other as usual, he called out:

talkin' to thim oi am."

"Talking did you say ?" "Yis; sure oim askin' thim the news from the sea.'

"Well," said the dealer, impatiently what did they say?" "Sure, mey didn't know, yer honor; they telt ne they hadn't been there fer over a month."

There are medicines which change the action of organs and tissues. When a part does not properly perform its work, they restore it to health. Such remedies are called "alteratives.

Scott's Emulsion of Codliver Oil, with Hypophosphites, is one of these remwhile you were at Nice? She-No, papa edies. This is largely because of certain drugs which naturally exist in the oil, as iodine and bromine. If you Charlie De Broke-I suppose, Miss are neither hard sick nor real well; if you feel below your usual standard, these altera-Mr. Timpany's state of mind became had been more than half a bottle of ses complacent than ever. He had port, he would have fancied he was borrow money on that dition and bring back your health and strength.

SCOTT'S EMULSION has been endorsed by the medical profession for twenty years. (Ask your doctor.) This is because it is always palatable-always uniform—always contains the purest Norwegian Cod-liver Oil and Hypophosphites. Put up in 50 cent and \$1.00 sizes. The small size may be enough to cure your cough or belp your baby. Scott & Bowne, Belleville, Ont.
