On Monday afternoon the remains of Mrs. pumping capacity, should be constructed, one at the corner of Colburne and Mary Shepley a former well known resident of Oshaws was laid at rest in the Union Cemetery. Deceased was the eldest sister of E. B Morgan, Esq., and was born in England, in April, 1821, and was therefore 75 years of age at her death. In early life she married Geo Gould and for many years they lived east of Oshaws on what is now known as the Mackie. Homestead. In 1862 they moved to St. Marry's and about 20 years ago Mr Gould died. About 14 years ago she married a Methodist minister. Rev George Shepley, who has been dead about nine years. She died on Sunday and the remains were brought to Oshawa. They were met at the 2.45 p. m. train on Monday by the friends of Mr. Morgan's family, many of whom had known the deceased, and conveyed to the Union Cemetery for interment.

Laid at rest by the side of the companion is early life.

Laid at rest by the side of the companion is rearly life.

**Shepley a former well known resident of Colburne and Mary streets; the other on Simcoe between McGregor and Albany streets; 5, two standard the extinguishers, of not less than five gallons each, should be taken on hose carriages to all fires; 7, fire bell not automatic; 8, the steamer should have winter runners to guard against accident of jolting, some of the runs are very long; 9, a by-law should be passed to regulate the storage of coal oil, powder, etc., over the whole town ito, the inspector of the association should have the right, without previous notice, to sound alarm of fire and call out the brigade and appliances by day or night, and to make such tests as they may deem expedient for the purpose of a thorough inspection. This was not accorded, see "Test" 11. The fire limits should, in my opinion he extended northerly along. Simcoe streams to William street.

the park on Friday afternoon. The score stood at the end of the 6th innings 28 to 4 in favor of the Orioles.

few minutes on Thursday. The Uxbridge Tennis Club played the Oshawa Tennis Club on Bishop Bethune grounds Thursday afternoon, and in the

evening the visitors were entertained to a dance in Mallory's pavilion at the lake. to the extent of setting up a drinking fountain somewhere near the main centre it would be a great comfort to thousands during the hot weather. There is at present no place where either business men or strang-

ers can get a mouthful of cold water. Mr Joe Houlden reports a first class job in cutting down Starr's hill west of here, and very popular with the public. that Bishop is making good progress in re-moving the crown of Moore's peak. The The Vindicator talks about the CHRONwhole work is being done under the super- ICLE's numerous experiences with writs for

road work of any sort. Mayor Cowan has written a very practical letter to the Oshawa railway, suggesting Nicholson suffered. among other things that their freight line be extended further north to come out at the Port Perry on Sunday last, from whence town hall; that the terminus for waiting cars at the north be the Catholic church and that life preservers be attached to the back, but three rode through the deep mud

Monday's Mail and Empire contained notice of the arrival in Toronto of a travelling tinker. He struck this town on Tuesday morning. He carries on his wheel a kit of tinsmith's tools. His wheel is of a very ancient date, and has a hard tire on the wheel and a pneumatic tire on the hind wheel. He is riding from Chicago to the coast on a wager of \$800, and has to earn his living while on the road by working at his trade. Judging from his talk he has a softer spot in his heart for American hotel

keepers than he has for Canadian landlord. In the contest at Bisley for the Queen's prize M D Campbell was third in the score at 200 and 500 yards and he was only two Williams & Sons factory shut down on Satpoints behind the best score. Mr Campbell urday to enable the men to attend the was ahead of Hayhurst, the winner of the funeral of the wife of Chas Gage at Nestleprize last year. He was one of the eight on ton. She was ill of fever at the home of her the Canadian team of twenty at Bisley to parents and died there and was interred in shoot for the cup offered by the Rajah of the family burial plot. This is the second Kalapore. There was a strong wind and wife Mr Gage has lost in three yerrs. his score was 74 out of a possible 105 points, will be remembered that his first wife died Besides the cup there is a cash prize of £80, of heart failare after visiting the merry-go This is the sixth time the Canadians have round near the Queen's, leaving a family of won the cup.

While pouring metal at the malleable works on Monday Gus Jacobi got some of the moulten metal in his boot. All that shows at present is a large blister on the side and under the foot. The burn of moulten malleable iron is far more serious in its effects than the grey iron. There is some thing poisonous about it that makes a burn to be dreaded, and the worst effects of the accident do not develop until some days after the accident. Those who understand attributed to two causes, the first and perthe nature of these burns are of the opinion haps least, that so much money is spent for that Mr Jacobi will have a troublesome foot bicycles, and second, dealers as the elections before he is through with it. Last week approached, have been buying in small Mr T W Chappel, M. P. P., Uxbridge, Archie Robinson met with a similar acci-
