A north Mariposa farmer states that was not attended to long since. It has the crops are doing exceedingly well, oft times kept people away from the especially the Canadian thistles along church during the warmer months of the the highways. They were never better. summer. Besides the personal discom It is true some few farmers who lack fort of smeltering heat and nary a breeze an eye for the beautiful have ruthlessly the preacher's references to further recut down this national flower. It is too bad, and the pathmasters should see that all seeds are preserved, or otherwise issue their mandate and have them all wiped out. The Russian thistle, which is a greater nuisance than even the Canadian, is also manifesting its presence in the same vicinity, and if prompt steps are not taken will soon become another trying pest to our farmers. An ounce of prevention is worth a pound of cure.

What is

Castoria is Dr. Samuel Pitcher's prescription for Infants and Children. It contains neither Opium, Morphine nor other Narcotic substance. It is a harmless substitute for Paregoric, Drops, Soothing Syrups, and Castor Oil. It is Pleasant. Its guarantee is thirty years' use by Millions of Mothers. Castoria destroys Worms and allays feverishness. Castoria prevents vomiting Sour Curd. cures Diarrhœa and Wind Colic. Castoria relieves teething troubles, cures constipation and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Castoria is the Children's Panacea—the Mother's Friend.

Castoria.

"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."

DR. G. C. OSGOOD, Lowell, Mass.

"Castoria is the best remedy for children which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."

DR. J. F. KINCHELOE.

Castoria.

"Castoria is so well adapted to children that recommend it as superior to any prescription known to me."

H. A. ABCHER, M. D., 111 So. Oxford St., Brooklyn, N. Y. "Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria. and although we only have among our medical supplies what is known as regular
