

# AYER'S Hair VIGOR

Restores natural color to the hair, and also prevents it falling out. Mrs. H. W. Fenwick, of Digby, N. S., says: "A little more than two years ago my hair began to turn gray and fall out. After the use of one bottle of Ayer's Hair Vigor my hair was restored to its original color and ceased falling out. An occasional application has since kept the hair in good condition."—Mrs. H. F. FENWICK, Digby, N. S.

## How of Hair.

"Eight years ago, I had the varioloid, and lost my hair, which previously was quite abundant. With a variety of preparations, but without beneficial result, till I began to fear I should be permanently bald. About six months ago, my husband brought home a bottle of Ayer's Hair Vigor, and I began at once to use it. In a short time, new hair began to appear, and there is now every prospect of as thick a growth of hair as before my illness."—Mrs. A. WEBER, Polymnia St., New Orleans, La.

### THE STORY OF A WELL KNOWN DELHI MAN.

Tortured with Rheumatism for Nearly Twenty Years—Spent Large Sums in a vain Search for Renewed Health—How He at Last Found it.

From the Delhi Reporter.

There are very few troubles more wide spread and none more difficult to eradicate from the system than rheumatism. The sufferer is racked with pains that seem unbearable, and frequently feels that even death itself would be a relief. Among those who have found much of their lives made miserable by this dread trouble is Mr. Michael Schott, of Delhi, and having found a means of release from its agonies he is anxious that other sufferers should profit by his experience. Mr. Schott is in the employ of Messrs. Quance Bros., millers, and has a reputation for integrity among all who know him. When one of the staff of the Reporter interviewed him, Mr. Schott gave the facts of his illness and recovery as follows:—He had been a sufferer from rheumatism since about eighteen years ago. At times he was confined to bed but obtained no rest day nor night from the excruciating pains he was undergoing. Again he was able to go about and follow his employment, but even then frequent walks about in an almost doubled up condition. Then again he would have another relapse, and would be forced to take to his bed. During all these years he was almost continually doctoring, but never obtained anything more than temporary relief for the large sums he expended in this way. Having failed to obtain relief at home he went to Simons for treatment but received no permanent benefit and soon after coming home was as bad as ever. It will be readily understood that he was seriously discouraged, and had come to look upon his case as hopeless. Finally he was urged to try Dr. Williams' Pink Pills, and after hesitating at spending any more money, in what he now considered a vain pursuit of health, he at last consented to give them a trial. By the time he had used a half dozen boxes there was no longer any doubt in his mind that he was steadily improving, and the treatment was then gladly continued. When he had taken a dozen boxes he found himself entirely recovered, entirely free from pain and from all stiffness in joints, and he is now able to do as hard a day's work as any man in the village. He has now been free from his old enemy for so long a period that he feels his cure is permanent, and is consequently an enthusiastic admirer of Dr. Williams' wonderful Pink Pills, and urges all who are similarly suffering to give them a trial, feeling confident that they will prove as efficacious as they did in his case.

A foul breath is one of the greatest afflictions that a man or woman can have. An affliction not only to themselves, but to those with whom they come in contact. A foul breath is a dreadful discourager of affection, or rather of the demonstration of affection. It would probably be more so if people only realized just what bad breath means. Bad breath is one of the symptoms of constipation. Some of the other symptoms are sour stomach, loss of appetite, sick and bilious headache, dizziness, heart burn and distress after eating. These things mean indigestion. They lead to dyspepsia and worse things. They all start with constipation, and constipation is inexcusable because it can be cured—cured easily, quickly and permanently, by the use of Dr. Pierce's Pleasant Pellets. They are a perfect remedy for this most common of all ailments. They give to nature just the little help that she needs. They are very mild in their action, and act without any violence whatever. In this they are different from many preparations offered for a similar purpose. Sometimes the remedy is worse than the disease. Dr. Pierce's Pleasant Pellets are mild, but they are infallibly efficient. They do the work which they are intended to do, without deranging the system in any way. They not only give immediate relief, but the benefit derived from them is permanent. You can stop taking them by and by and there is no danger that you will become a slave to their use. The drug-gist who tries to sell you something else as good as good, either does not know what he is talking about, or he makes more money on the other thing. If you care more for his prosperity than you do for your own health, take the other thing. If you value your health, insist on having Dr. Pierce's Pleasant Pellets. A free sample of from 4 to 7 doses, will be sent to any address. A copy of Dr. Pierce's celebrated 1008 page book, "The Common Sense Medical Adviser," profusely illustrated, will be sent free on receipt of thirty-one (31) cents in one-cent stamps to cover cost of customs and mailing only. Mr. York, pound keeper, was rather surprised when on Sunday morning he found that some pigs which had been impounded three days and which were to be sold on Monday, had been taken from the pen. No person had claimed them up to this time, but Mr. York suspected that they belonged to Jas. Caine, and that his hired man had let them out. He accordingly had a search warrant sworn out. Mr. Caine admitted to Constable Dafoe that the pigs were his and that he had got them, but claimed to have found them on the road on Sunday morning, and that he had nothing to do with taking them out. The matter was accordingly settled by Mr. Caine paying costs.
