tion. I am here to give myself into custody.

The inspector glanced across the room to where two brawny policemen sat on a wooden bench. One of these stepped smartly forward and took his position by the stranger, without however laying hands on him.

I have come to give myself up, repeated the man, as he carefully smoothed his gloves, the one on top of the other.

Yes, what have you done? inquired the inspector.

friend in fact," said the stranger calmly, and so that there may be no bother of delay I came here to tell his money, too.

I believe may relieve you.

I took this small bottle of chloro-the same way as I had done; set up in business and waited. He lost all form, and poured the contents on his handkerchief.

The inspector ran his eyes over the man sceptically.

I must warn you that whatever you say will be used in evidence against you if it should turn out that a crime has been committed, said the inspector, slowly.

I realize that perfectly, continued the man. His face was pale, but he everything to be used against me, and used as soon as possible. I have nothing to be ashamed of and nothing to hide. I hope you will take down all I have to say in black and white, and I will sign it now. It will save time, I think.

Just as you say, answered the inspector.

First let me ask you to send a couple of men to 44 East Exeter street, N.W. Request them to ring My office hours were from six in the The door of the station opened, and the servants' bell and ask to be shown morning to eight at night, for all it the officer in charge of the search party an old friend of the Booth family, and less talkative, our spells of silence Dr. Agnew's cure for the widow. Poor woman, she will be doubly shocked—the killed and the and we began to sit late, silently
