The weather on Tuesday evening was not specially prepared for out door entertainments. The temperature would have done credit to an early fall night and the dark clouds that came out of the north west at times looked very threatening. But in spite of these adverse circumstances the Royal Templar garden party held at Hon. John Dryden's was a gratifying success. Over one hundred and fifty persons attended. About twenty members of the Oshawa bicycle club were present, and the gathering included visitors from Ashburn, Myrtle, and Kinsale. The grounds and residence at "Maple Shade" were prettily decorated with Chinese lanterns and candles and presented a very attractive appearance. Coffee and cake were served in the lawn tennis court and ice cream was partaken of from tables set on the lawn in front of the house. An excellent programme of vocal music and recitations was given by the following well known entertainers-Miss Martin, of Whitby, Miss E. Lick and Mr. P. H.
