Live up to your Privileges.

we read of some new tabric made in some foreign country which gave protection from cold, providing a healthful warmth in sorts of weather, we would consider it wonderful and be envious of the people who could take advantage of it. But because bre Chamois is quite inexpensive and easy get perhaps some have not yet tested its merits and found out for themselves the splendid winter comfort a layer of it will impart to all outdoor garments. Its weather 100f qualities are genuine, founded on the that it is made entirely from Spruce libre, and is therefore a complete non-conductor of cold. This, as well as its light weight, makes it an ideal addition to every e's fall and winter clothing.

Still Clamoring. The Gazette and Port Perry Standard, ratel ever offered in this province. For which publish the same matter each week, general news and select reading the Weekly Mus. Bac., and Mr. Walter Barclay, A. T. are still clamoring about the \$1000 lie that Globe cannot be beaten, while the CHRON-C.M., Toronto, are guests at Mr. Decker's. we tried to sell the CHRONICLE's influence icle publishes more local news than any to the late Dr. Rae. Great fault is found other five papers in the county. The editor because we have given out the names of of the Dominion Oddfellow hunts through Bed and board for visitors to Toronto Ex- parties of undoubted veracity who were all the local weeklies in the province every present at the time of the alleged offer, and issue to secure Odfellows' news for his own who can make it clear to all the world that journal, and recently he wrote the following the whole story is false. .Our cotems say we editorial comment in the Oddfellow : "The at loc. per pair during this great sale for 30 the Gazette man were charged with murder published in the Province of Ontario. The days, at M. W. Collin's, the new shoe store. and was obliged to bring forward several Orillia Packet and Picton Times rank equal reliable witnesses to prove the baseness of for second place." the charge, would he call that dragging respectable people into a murder scrape? Mr. Newton and those who write his squibs

must believe the people are fools to accept such a view of matters. The Gazette's oft repeated assertion that Dr. Rae was ever asked to sign a statement that the \$1000 story was false, or that he ever refused any A number of people in town allow their one authorized by us to make such a reto run the streets nights at this season quest, is also a lie. There only remains one of the year in order that that they may raid more falsehood of the Gazette's to clear up gardens. One would think that such a thing all its allegations against the CHRONICLE, would be too dastardly for any person to do, and we might as well nail that story too. but they do it just the same. We would like It continually states that Mr. Henderson bee a special effort made to put a number owns this journal and that the present editor of cows in pound, and let the public find out of the CHRONICLE is a "hireling." The who the owners are that would allow their proprietors of the CHRONICLE each own annals to destroy neighbor's whole season's half, as the partnership papers in Mr. D. Ormiston's possession, made ten years ago, will show.

Murder of Fod Murray. and Bert Lyons did with malice aforethought to New York city." maliciously kill and murder Charles Murray on Aug. 17, and that George Blakeley was Garden party at Locktown. an accessory before the fact." Foregoing is the verdict of the jury who heard the evi- residence on Monday night in honor of dence at the inquest held last night by Whiskey Wilson, who has been absent for a Coroner Johnson to ascertain how the young man Chas. Murray met his death on the 17th his board bill at the Queen's hotel. There

had been sent down for two months. James and sleigh the sent sent down for two months. James ayong man who went eat west from here at yong man who went eat west from here that Blake gave evidence which was false.

Harry Badgeley run out from the sidewalk and strike Murray a round-arm blow. She heard the blow distinctly and concluded that Murray must have heen hit with some wapon, as he threw up his arms and fell without even staggering. James Poop said he was coming east on King-street when Murray came out of Huff's eating house and struck him. Witness saw that Murray had made a mistake in his man, and did not struck below fred a revolver at ayong man who went eat west from here that Blake gave evidence which was strong and some piles. At the wards compelled to admit was false.

Harry Badgeley run out from the sidewalk and strike Murray a round-arm blow. She heard the blow distinctly and concluded that the world wagged well with them then all bypnotized, and all felt persuaded that the world wagged well with them then all bypnotized, and all felt persuaded that the world wagged well with them then all bypnotized, and all felt persuaded that the world wagged well with them then all bypnotized, and all felt persuaded that the world wagged well with them then all bypnotized, and all felt persuaded that the world wagged well with them then all bypnotized, and all felt persuaded that the world wagged well with them then all bypnotized, and all felt persuaded that the world wagged well with them then all bypnotized, and all felt persuaded that the world wagged well with them then all bypnotized, and all felt persuaded that the world wagged well with them then all bypnotized, and all felt persuaded that the world wagged well with them then all bypnotized, and all felt persuaded that the world wagged well with them then all bypnotized, and all felt persuaded that the world wagged well with them then all bypnotized, and all felt persuaded that the world wagged well with them then all bypnotized, and all felt persuaded t
