Almost everybody in the township of Meianethou, Dufferin Co., knows Mr. Wm. August, J. P., postmaster of Augus-Mr. August, now en his 77th year, came to Canada from England forty rears ago, and for thirty-eight years has been a resident of Melancthon. During some thirty years of that time he has been a postmaster, for eleven or twelve rears was a member of the township council, for some years holding the posinon of deputy reeve. He has also been of the county. It will thus be seen that ery. Mr. August stands high in the estimation of his neighbors.

would seize with my bands, and thus change my position in bed or rise to a atting posture. I suffered as only those neked with rheumatic pains could suffer, and owing to my advanced age, my neighbors did not thing it possible for me to recover. I had read much concerning Dr. Williams' Pink Pills, and at last determined to give them a trial. I commenced taking the pills about the 1st of Feb., 1895, taking at the outset one after each meal and insreasing to three at a time. Within a couple of weeks I could notice an improvement, and by the first of April I was able to be about as usual, free from the pains, and with but very little of the stiffness left. I continued the treatment a short time longer and found myself fully restored.
