Brock Street,

WHITBY, SEPT. 11, 1896.

Political Notes

The first division in the new House of Commons showed a Liberal majority of 34. after all members were accounted for, there being two seats vacant. All the independents voted and spoke in favor of the gov. Thursday at 4 p. m. there is a base ball ernment.—Hon Mr Harty, Ontario Commatch for a cash prize of \$20. At night a wind a proves their appearance missioner of Public Works, is said to be promanade in the drill shed. Friday's prohopelessly ill, and Premier Hardy is looking grame opens with a bicycle competition at ai, was elected Sir O. Mowat's successor in men's and boys', and a band competition at claimed to beat the record this year. South Oxford by 750 majority.—Hon Jos Martin, ex-M.P. for Winnipeg, states that if he is not appointed Minister of the Interior ed for butter, including \$13 Dinner Set, \$8 day by Mr. Reynolds, of Aurora, who gave a day by Mr. Reynolds, of Aurora, who gave a large propriete discourse in the he will not accept a judgeship.—It still looks as if Mr Sifton will be Mr Laurier's at Couch, Johnston and Cryderman's etc. Minister of the Interior.—Premier Laurier | Very large number of special prizes are offurged Mr Taylor to withdraw his alien labor ered, making altogether one of the most atbill, but stated that if the Americans continued to enforce their laws excluding CanaCopies of the Prize List may be had from, dian working men from the U.S., our par, and entries may be made with, R. WINDATT, legislation. -- Sir Oliver Mowat has cancelled the famous list of Q.C's as selected Farming. by the late government. He has also cancelled several contracts given for military uniforms as being illegal.

Short Notes.

beginning to run off, and they show how Drury and other ex-ministers of agricultural; things are moving across the lines. Vermont in the northeast has gone Republican lege, J. W. Robertson, Dominion dairy commissioner, Henry Wade, Provincial registrar with double the usual majority. On the of live stock, and many college professors. other hand Arkansas, in the southwest, has It gives cuts of the following leading agriculvoted Democrat, or Popocrat as they call it, turists or stock breeders of Ontario county: by more than twice the usual majority. The A. Johnston, Greenwood; R. Miller, Brougvote in Maine takes place next Monday. and ham; J. I. Davidson, Balsam; John A. Mcwill go very strong for the Republicans, It Gillivray, Uxbridge; Wm. Smith, ex-M.P., would appear as if it would be the east and Columbus; F. W. Hodson, superintendent north against the south and west, the same of farmers' institutes; Jos. E. Gould, Uxas has always been the case in the United bridge, (who writes an article in this num-States. There is too big a population to all ber on silos.) This number contains many

Canada is wearing diamonds these days. She has a new government, the greatest fair journal of its classes in Canada. It's adon earth, and has won the sculling cham- dress is "The Bryant Presses," Toronto, pionship of the world, besides winning the and those who want a good farm magazine yachting championship of the lakes, and beating both Chicago and Philadelphia at A Valuable Quarterly Review. ricket. We have carried the laurels of the year in goldmine booming, and have a big season's product from the Pacific to the Atfavored by Providence with plenty to eat, drink and wear, and our people have the skill and pluck to win the honors of the year. These great things add to the country's fame abroad, and serve to advertise our Dominion as a country of resources and lively people.

sweat because Canada does not draw more reading matter and 68 portraits. Among the emigrants and fill up more quickly; but Venezuelan Question; Cuban Revolt; South that only shows how little they know. We African Situation; Campaigns in Abyssinia do not want a stream of worthless and law- and Soudan; Armenian Question; Revolt in less vagabonds coming into Canada, such as has overrun the United States. Our neighbors have sickened of this, and are adopting measures to stop it. We had better see to it that they do not turn the current into Canada. Canada is developing plenty fast enough, and if half a century from now Driectly from Carbon, latest about X rays, there still remains some virgin soil for our children or grandchildren to start upon, it will be a good thing. Instead of whooping it up and gathering in paupers from all over the world our government should see to it that none are allowed to settle in Canada year; 40 cents a number. but those who give promise of becoming suitable neighbors for our present population. We are now five million people, all educated, comfortable and happy, and it were far better to remain five millions than to allow one undesirable person to come in read from Toronto general hospital re Morris; among us. Instead of taxing Chinese \$50 to from W. E. Yarnold P. L. S. stating that this come into Canada we should charge them \$50,000, and Italians the same. Far better have an empty house than a bad tenant.
