Mr. Nicholson says: "I consulted doctors who prescribed for me, but to no purpose; the cancer began to spread to my chin, and I suffered in agony for seven long years. Finally, I began taking Ayer's Sarsaparilla. In a week or two I noticed a

### Decided Improvement.

Encouraged by this result, I persevered, and in a month or so the sore under my chin began to heal, and in three months my lip began to heal, and after using the Sarsaparilla for six months, the last trace of the cancer disappeared."

### NERVOUS PROSTRATION.

THE FREQUENT CAUSE OF MUCH MISERY AND SUFFERING.

The Victim Helpless and Unreliable—It Saps the Constitution and Makes One Involuntarily Ask is Life Worth Living.

From the Lansday Post.

It is at least commendable to bow before the inevitable. But what appears to be inevitable may be delayed or altogether averted. What were considered necessary fatal diseases twenty-five or even ten years ago in many instances are not now placed in that category—thanks to medical and scientific skill. Life is sweet. We must either control the nerves or they will master us. Hysteria may prove fatal. It renders the person helpless and unreliable, and casts a continual shadow upon a hitherto bright and cheerful life. It saps the constitution and makes one involuntarily ask, "Is life worth living?" Miss Fanny Watson, daughter of Mr. Henry Watson, living on lot 22, in the township of Somerset, Victoria county, is one of those whose life for years was made miserable from nervous disease. At the age of twelve Miss Watson met with an accident which so seriously affected her nervous system that during the subsequent five years she was subjected to very severe nervous prostration, resulting in convulsions with unconsciousness for three or four hours at a time. This condition continued until March last when she had an increased and prolonged attack by which she was completely prostrated for the space of a fortnight. The disease so affected the optic nerve that Miss Watson was forced to wear glasses. Many remedies were tried but with no avail, and both Miss Watson and her friends feared that a cure could not be obtained. Ultimately Dr. Williams' Pink Pills were strongly recommended by various friends and the young lady decided to give them a trial. A half dozen boxes were bought, and by the time one box was used there was an improvement in her condition, and before the half dozen boxes were used, Miss Watson was, to use her own words, a different person altogether. Her entire nervous system was reinforced to such an extent that she is now able to dispense with the use of the glasses which previous failing eyesight had made necessary. Miss Watson is now a staunch friend of Dr. Williams' Pink Pills and says: "I have pleasure in recommending them to all similarly afflicted." Rev. D. Miller, a friend of the family, vouches for the facts above set forth.

Dr. Williams' Pink Pills are sold only in boxes bearing the firm's trade mark and wrapper, (printed in red ink). Bear in mind that Dr. Williams' Pink Pills are never sold in bulk or by the dozen or hundred, and any dealer who offers substitutes in this form is trying to defraud you and should be avoided. The public are also cautioned against all other so-called blood builders and nerve tonics, put up in similar form intended to deceive. They are all imitations whose makers hope to reap a pecuniary advantage from the wonderful reputation achieved by Dr. Williams' Pink Pills. Ask your dealer for them.

These Pills are manufactured by the Dr. Williams' Medicine Company, Brockville, Ontario, and Schenectady, N. Y., and are sold only in boxes bearing the firm's trade mark and wrapper, at 50 cents a box, or six boxes for \$2.50. They may be had from any dealer, or will be sent by mail on receipt of price.

Dr. Williams' Pink Pills may be had of all druggists or direct by mail from Dr. Williams' Medicine Company from either address. The price at which the pills are sold makes a course of treatment comparatively inexpensive as compared with other remedies or medical treatment.

When so many people are taking and deriving benefit from Dr. Williams' Sarsaparilla, why don't you try it yourself? It is highly recommended.

Mr. Richards, seconded by Mr. Mowbray, moves that the reeve grant his order on the treasurer in favor of the parties recommended in the reports of the various standing committees as presented this day.

Mr. Mowbray, seconded by Mr. Hilts, moves that Mr. Linton be allowed to remove the timber on sideroad between lots 6 and 7 in 9th con., north of railroad as specified in contract as balance due him on said contract.

Mr. Richards, seconded by Hilts, moves that the thanks of the council be tendered to C. H. C. Wright, C. E. for the able manner in which he prepared two different plans for cutting down Post's hill, Kingston road.

Mr. Richards, seconded by Mr. Hilts, moves that this council do now adjourn to meet again on Monday, 26th day of October next, at the hour of 10 a. m. for the transaction of general business.—News.

### CLAREMONT.

Robert Michell, of Toronto, is here now with relatives.

W. Bundy and wife have returned from a sojourn with Guelph friends.

Geo. Hughes, of Toronto, is with his brother at the station for a short visit.

Mr. and Miss Hyfield are with Albert Hyfield at Kirkfield for a short vacation.

Mrs. Thomas Pugh, also Judson Pugh and wife, of Whitevale, spent the Sabbath with Thomas E. Pugh here.

A. Pugh is with his people at Chatham for a short time.

John Howe has vacated the Hutchinson residence and is now domiciled in one of John Barry's many dwellings at North Claremont.

C. V. Michell and two children, also Mr. and Mrs. Cook, Toronto, wheeled down here on Sunday and called upon their numerous friends.

Rev. Siple conducted a public baptism here on Sunday in the church. The convert was from Whitevale. Rev. White occupied the Whitevale pulpit for the day.

The Baptist Young People's open meeting on Monday evening was well attended and the programme much enjoyed by all who attended. These meetings will be held every two months until further notice is given.

Coroner Eastwood is conducting an inquest at Uxbridge these days on the body of an infant found secured beneath the warehouses at the station. Several adjournments have been made already, and a verdict is not yet.

Misses Linton and Hood, who have opened a millinery and dress-making shop in Bundy's block, have announced an opening for Friday and Saturday, next.

Abigail Forsyth and Miss Jewell were quietly married here on Monday by Rev. White. The ceremony took place at the minister's residence. The bride is a native of Port Perry, but has been visiting here with friends for some weeks. The villagers unite in wishing the happy couple all prosperity through life.

Saturday, Mrs. Clyne, of the 7th con., drove her pony to this village and while getting something tightened about the cart in front of Graham's blacksmith shop, the animal took fright and ran away. The lady had hold of the lines when the beast started and she was thrown violently to the ground and her shoulder dislocated. The runaway collided with J. D. McAvoy's horse and cart in front of Hopper's store and the said rig was considerably damaged while the horse was thrown down. This did not stop the pony, but only served to delay him for a time and change his course. The next dash was for the hotel and upon gaining the platform a tumble was administered, and the beast was captured. The rig and harness were considerably smashed.—News.

## Don't worry about Winter..

You'll feel ready for anything and everything in the way of weather, if you have your clothing interlined with Fibre Chamols. Last year's experience has proved it to be the only perfect warm giver, because it is light, adding neither weight nor bulk, and yet offers a complete protection from the fiercest blasts of the coldest day. Water-proofed by the Rigby process, neither rain nor sleet can penetrate it and every one can enjoy perfect outdoor comfort and healthful warmth all season by using it. Think ahead and ensure your comfort by having it put in all ordered clothing, and always find the Fibre Chamols Label on every ready made garment you buy. It sells now at 25 cents a yard.

## Granby Rubbers

It is no wonder that rubbers, which are not the same shape as the boot, should be uncomfortable. It costs money to employ skilled pattern makers but the result is a satisfactory fit. Each year new patterns are added, to fit all the latest shoe-shapes, and Granby Rubbers are always "up-to-date." They are honestly made of pure rubber, thin, light, elastic, durable, extra thick at ball and heel.

Divorce to Mrs. Blackstock. In two separate Dominion elections Mr Geo. Tate Blackstock, one of Toronto's talented lawyers, was the Conservative candidate in West Durham, therefore this dispatch will have special interest for our readers: Newport, E. I., Oct. 2.—The divorce case of Emeline Frazer Blackstock v. George T. Blackstock was heard before three judges of the Supreme Court this afternoon and granted. Non-support was the allegation. Mrs. Blackstock has for two seasons occupied the late Edwin Booth's "Booth Den," and proposes to purchase it when the lease runs out.

It is our painful duty this week to chronicle the death of our estimable townsman Abraham Younie, who passed to rest at the residence of his sister, Mrs. A. B. Anderson, 44 Grand Ave., Toronto, on Sunday morning last where he had gone a short time before for treatment by a specialist for some throat trouble from which he has suffered for some months. But his ailment baffled the skill of the medical men called in and a severe type of pneumonia brought his earthly career to an unexpected termination just as people were going to church Sunday morning. A few minutes after the vital spark had left its tenement of clay, the announcement was made by Rev. C. Parker to his congregation in the Methodist church, where at an evening service the choir sang as a special anthem after the solemn that favorite hymn, "Nearer My God to Thee."—Statesman.
