The Methodist church was about two thirds filled on Tuesday evening, when Rev J S I Wiltransact business in the best interests of the son, the county delegate to the C E conventions section. It seems to us an undesirable held in Washington last summer, gave his report of the proceedings of that great gathering, so far as he was able to in the limited time at his disposal. Mr Wilson's description of what he saw and his account of the impressions he received were very interesting, and he succeeded in a Wice, given up farm operations and a reduced salary—hence the change. Mr. marked degree in conveying to his hearers some McCulloch leaves Kinsale school with an of the christian enthusiasm and spiritual help that was so largely manifested and felt at the convention. At the conclusion of his address the speaker was given a very hearty vote of thanks. Mr Wilson is giving his report at differ a points all through the county. Christian encayorers and all friends of the movement should be sure to hear him when he is in their

> The gold and silver bugs who now meet each Monday night to study and discuss the interesting and intricate question of the introduction of a silver coinage and the effect that would have on the commerce of the world, have not yet found name for themselves. Judging by the discussion that took place last Monday night "Political Science Club" would not be a misnomer. There was a larger attendance than at the first meeting. Among those present were the following: Calder, B F Campbell, A M Delong, E R Eddy, Stubble class men \$25, \$13, \$10.50, \$8, \$5. spent and a considerable amount of business D Holliday, A Ketchen, Dr Moore, W A Mc. Second class men, stubble, \$20, \$14, \$8, \$5, \$4. done. Neely, V S. R Moore, R Rogers, F Scott, John | Stubble class-boys under 17 years, \$13, \$8, \$5, Vipond and Jas Waring, V S. Hon John Dry- \$4 \$3, \$2 \$1. den led off the discussion. He first asked what is the cause of the interest now taken in this question. The answer would be found in the fact that there is much dissatisfaction and distress now existing and the people are looking for something that will improve their condition The real cause of the difficulty is that our natural products have been reduced in price until it does not now pay to be a producer. This affects the farmer first but afterwards all others. When the question is asked, "Why do these low prices prevail?" the answer in nine cases out of ten will be given, because of over production Miss Hattie McPhee, formerly of this place, Mr Dryden takes the view that while it may be said to be over production yet this condition exists owing to under-consumption. Some of the gentlemen present concurred in these ideas while others took an opposite stand, and argued The congregation of Zion church held their strongly that it is all owing to over-production anniversary last Sunday Those who attended and that alone. Dr Moore, in the course of his from here were weil pleased with the Sunday remarks, gave it as his opinion that the whole services and also the entertainment on the foi- trouble was the result of the world's producing area increasing so much more rapidly than the Maggie (Mrs. Nathan Hezzelwood), which took About a week ago or more some one visited | consuming area. The silver question was not place in Imlay city on Sunday, Oct. 25th, after the premises of Mr. Judson Pugh and helped gone into to any extent, the discussion being an illness of some months.
