A MILLIONAIRE BANKER.

At the Head of the New Company .-The Fame Earned by Dodds' Kidney Pills in Canada wins the Confidence and Capital Necessary for a Solid Syndicate.

At a time when most business men are resting on their oars, pending the result summer in Hancock and Port Arthur, it the election, it is interesting to report the details of a new organization that promises to enlarge Buffalo's reputation as a business center, and bring many thousands of dollars here for local distritution. This has reference to the Itsaids Medicine Company, with a suite of offices in the Ellicott Square Building. substantial business men in control, and ample capital at its back. Nothing of morning last. We regret that Mrs. the kind in recent years begins to equal White has been seriously ill since last the importance of such a business in its spring, but trust that since arriving in relation to the community. The new her native place she may rapidly regain empany has been organized for the man her health. stacture of Dodds' Kidney Pills, a remmand. There is nothing fictitious about on his tour of inspection of the Trent error in assessment. Carried. the preparation and nothing doubtful Valley Canal route and we have no about its results. It is claimed to be a supreme and complete triumph, backed thousands of legitimate testimonials and indorsed by man and women of more than average intelligence. Because it comes from Canada it is none the less a triumph. It has won its spurs over

els,

There is no more progressive business in Buffalo than the big World's Dispenperience and business ability, with the Hon. F G Babcock of Hornellsville as president : Mr J A McKee of Toronto, as vice-president, and Mr Blinn Yates as secretary and treasurer. Mr Babcock is president of the Bank of Hornesville. wner of the famous Babcock Stock Farms once the home of the mighty Smuggler, and the present home of the beautiful sta'lion Voodoo, for which Mr. Babcock paid \$24.000, when it was about 21 months old, and about 60 more of the finest blooded stock in the country. Mr. It boock is a man of vast business interadvantage in more ways than one. Mr. Mckee is president of the Dodds Medione Company of Canada, whose energy and widely surrounding neighborhood, and enterprise have made Dodds' Kidney I'lls famous throughout the length and breadth of the Dominion. Mr Blinn lates is manager of the Puffalo office of the Charles H Fuller's Newspaper and never recover from .- Echo. Magazine Advertising Agency of Chicago and New York, and has recently removed here from New York City.

The new business starts out under the most favorable auspices, with no possible uestion as to its success and with every intention of making things hum. It is easy to see that Buffalo is fortunate in being made headquarters for the States It means steady work for scores of people, and no end of free advertising for the city.

Winter Care of Horses.

As winter comes on many of the firm horses that have worked faithfully six days in the week from the opening precisely the same as that sold at \$1 50 except spring are released from labor for only that the books are in strong manilia paper three or four months. The question are given away. rises. How can these be best and most e-onomically wintered? It goes withbut saving that an abrupt cessation from heavy labor is altogether opposed t health in man or beast. The thing to do, then, is to lower the diet and diide the last portion of the season's work among all the teams, gradually lessening the labor of those we wish to "turn out" for the winter. To prevent excessive stocking for a few weeks after abor ceases is not an easy matter. It may be prevented from reaching a harmful stage by reducing the amount of grain fed and by feeding boiled oats. with considerable bran, in the place of the ordinary evening meal, along with which a tablespoonful of Glauber's salts may be added three or four times a week, except the animal be in low condition, when a tonic should take its place, such as iodide of iron, in dram dosess every night for a week or ten Cays. Some green food should also be given, such as carrots or turnips, at noon during the winter months. Stocking can also be materially lessened by gentle pressure of bandages from the friends here Tuesday. fetlock up to hock, applied at night and removed in the morning. It is also here last week. well to turn the horses out two or three hours daily when the weather will allow. In all cases the object in view is to acquire the maximum of strength and buoyancy of spirits with the ex- here last week. penditure of the minimum amount of money and labor. Keeping an animal in good condition means that the body and limbs are in the most vigorous and healthy form. This can be accomplished only by observing hygienic rules. He should have comfortable quarters, good grooming, good food, and proper exercise. These, however, he is not Dr Agnew's Liver Pills at 10c a vial are likely to receive on most farms; nor, perhaps, is so much care profitable, especially the grooming, except in the Because they act gently, more effectively, never

BEAVERTON Mr. James Birchard is at present back in Muskoka seeing the girls and incidentally disposing of a few horses. Mr. John Taylor, of Lindsay, scorched up here on Tuesday last in about two hours. John rides a Cleveland.

Mr. Edward Tisdale, who has been seriously ill for the past two weeks in once more on the road to good health. Mr. A. Moore is at present engaged in giving the exterior of Mr. Jos. Cave's handsome residence a liberal

coat of paint. Mr. John Smith has again opened out his butcher shop in Mr. G. F. Bruce's store north of the woolen mill, where he will be pleased to meet all his

old customers. Misses Georgia White and H Francis, who have been spending the returned home on Saturday last.

Castoria is Dr. Samuel Pitcher's prescription for Infants and Children. It contains neither Opium, Morphine nor other Narcotic substance. It is a harmless substitute for Paregoric, Drops, Soothing Syrups, and Castor Oil. It is Pleasant. Its guarantee is thirty years' use by Millions of Mothers. Castoria destroys Worms and allays feverishness. Castoria prevents vomiting Sour Curd, cures Diarrhœa and Wind Colic. Castoria relieves teething troubles, cures constipation and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Castoria is the Children's Panacea—the Mother's Friend.

Castoria.

"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."

Dr. G. C. Osgood, Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."

DR. J. F. KINCHELOE,

Castoria.

"Castoria is so well adapted to children that I recommend it assuperior to any prescription known to me."

fl. A. ARCHER, M. D., 111 So. Oxford St., Brooklyn, N. Y.

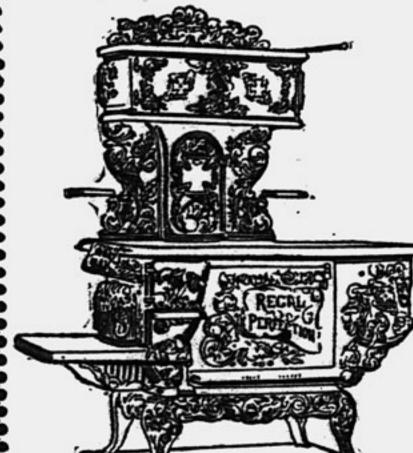

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria. and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."
