When the liquor deputation appear-

ed before the council no one advocated

their trade, except a lawyer from Tor-

conto who was employed for the occa-

about forty or fifty in number, repre-

sented the churches, the school, and

the trade, pleading with the council

not to allow the repeal until such times

as the law had a fair trial. One of the

deputation of the liquor party honestly

and truly said, "We cannot defend the

traffic on moral ground." Electors of

Pakering, mark the statement. Is it

right in any shape or form to vote for a

traffic that cannot be defended from the

meral stand-point? That raises the

question of right and wrong. The

traffic in intoxicating liquors as bever-

ages is either right or wrong. If it is

not right it is the duty of the township

that the traffic in intoxicating liquors

material or social, the moral or religious

that the drink traffic is at war with al

the best interests of society and is one

is good and ought to be defended?

The temperance deputation,

### A HERO OF MAGDALA.

A Chat With a Veteran Who Was in the Memorable Battle.

British valor is the theme of many a thrilling story and stirring song. Mr. Geo. Kingston, of 135 John street north, is one of Hamilton's best known veterans. A man of martial bearing, magnificent physique and genial personality, he is a splendid representative of the best class of British soldier. To our reporter Mr. Kingston readily gave an interview. With all the pride of a citizen of that empire on which the sun never sets, Mr. Kingston said: "I am a Devonshire man, born near the banks of the Teign. I entered the British army at 19, and served fourteen years in India. Was through the Abyssinian campaign, and fought at the storming and capture of Magdala, King Theodore's stronghold. Here the king and hundreds of his army fell. Napier, the 'Hero of Magdala, was created Lord Napier of Mag-dala for his splendid services. After this I re-turned to Old England, remaining about five years, when I was again sent to the sunny south until my 21 years' service was nearly up. That is the place to get kidney and liver troubles, and I was no exception. I was Port Perry, Ont. sent as an invalid to the Netly Hospital for invalid soldiers, and for months was a suffering inmate, finally being discharged as a hopelessly incurable invalid. Two years after I sailed for Canada, and have suffered more or less ever since from the constant misery that kidney trouble entails. Piercing pains in the back, headaches and urinary difficulties were seldom absent, so that little experience in selling goods, but have when I noticed Doan's Kidney Pill advertisement I got a box from Zimmerman's drug Relief came from the first few doses, and before I had taken two boxes, the pains had left my back and I felt like a new man. consider Doan's Kidney Pills a wonderful medi-

cine, the more so because my complaint would not yield to the skill of the best physicians in one of the greatest hospitals in Queen Victoria's state that I got my start from the Mound Continuing, Mr. Kingston said: "I can re-commend them as a quick cure for kidney troubles without hesitation. How could I do Write to them and they will send you full I think I can clear over \$8,000 the otherwise when they have given me back the health and vigor of long ago?"
