Statement of a Well Known Doctor

"Ayer's Sarsaparilla is without an equal as a blood-purifier and Spring medicine, and cannot have praise enough. I have watched its effects in chronic cases, where other areatment was of no avail, and have been a tonished at the results. No other blood medicine that I have ever used, and I have tried them all, is so thorough in its action, and effects so many permanent cures as Ayer's Sarsaparilla."-Dr. H. F. MERRILL, Augusta, Me.
