valent in some of the stables in the city.

There has been a great many hogs sold and
delivered from around here last week.
Mr. Wm. Barton had a bee last week hauling
stone. He intends to put a foundation under his
buildings.

Mr. and Mrs. Poynter accompanied by Miss
Ferguson, of Cherrywood, spent Sunday with
friends here.
The Methodist congregation has decided to
change the anniversary and it will not be held
till some in March.

The scrutiny of votes cast in the recent by-law
on local option commenced before Judge Dar-
nell on Monday last in Pickering.

Mr. Albert Thornton has been in the hospital
and has returned to his home here. We are
pleased to see his improvement.

Quarterly meeting was held in the Methodist
church last Sunday morning. Quite a few from
the tenth line church attended.

Mr. and Mrs. McCoy, who has been spending
the winter in Newcastle, has returned, and is at
present with Mr. and Mrs. Sleigh.

Mr. Adam Spears, of Ather, has got the con-
tract of supplying wood to the school and is at
present engaged at delivering the same here.

Mrs. Tumbleton, of Toronto, is visiting her
brother here, Mr. Jas. Kayes, for two weeks.
She has but recently came out of the hospital.

A lady in this section took a pin cushion apart
last week and found nearly three hundred need-
les, besides many other different kinds of prods.
We are sorry to say that Mr. Thos. Todd is
much worse. He now has to be kept under
opium most of the time, the pain being so in-
tense.

Quite a few attended the anniversary services
held at Zion Presbyterian church at Cedar Grove,
and the Centennial Methodist church at Port
Union on Sunday last.

Mr. Jas. Sidel, an old Whitevale boy, has late-
ly been married in Sunderland, England.
Though he is far away his many friends here
bless for him every happiness.

Mr. John Wilson will have a sale on the 20th
of February of farm stock. His cattle are all
good short horn stock and his horses are in
splendid condition and will doubtless bring top
prices.

The farmers' institute held forth in Wilson's
hall on Thursday last. The attendance was
large and the addresses, especially Mr. Rennie's,
was excellent. The Whitevale quartette at-
tended and played splendid music.

While Miss Marion Pugh was coming home
from Claremont the other day her horse took
flight and ran away, throwing her out. She was
not injured in any way. The horse was caught
before it proceeded far.

Mr. Gee, of Pickering, has been buying apples
here from several farmers to send to the English
market. He says about sixty cents a barrel, and
as apples are four dollars a barrel in Eng and,
somebody must make no little amount.

The B. Y. P. U. social that was held at Mr.
Joseph Laughlin's on Friday night last was quite
successful. The elocution of the Misses Taylor,
Richardson and Phillips was most thoroughly
enjoyed as well as the music furnished by the
choir. Proceeds \$15.

The band, under their new leader, Mr. Hugh
Pugh, serenaded Mr. John Larkin on Tuesday
night last. John is a good fellow and fell splen-
didly after his recent wedding and trip. The boys
had a most enjoyable time and went home with
two big V's in the treasurer's pocket.

Since the abolition of toll gates on Kingston
road, that thoroughfare has developed most gen-
eral traffic than has been known for the last ten
years. Every day there is a continuous stream
of vehicles of all kinds, carrying all kinds of prods
which reminds residents of fifty years ago.

On Monday night last a gang of the young
dudes around town went out and chartered a
newly married couple. They got considerable
swagg and with it they sent two of their crew to
Markham and got a big jug of whiskey. After
loading up they proceeded to the ball room and
there held high carnival till nearly daylight. The
stove pipes were knocked down and every length
of pipe was kicked into so many soaked bats,
and no one was able to sleep within yelling dis-
tance of the young hoodlums.

A member of the York county-council has, we
observe, given notice of a motion favoring the
employment of convict labor on the roads.
There are few more difficult practical problems
in sociology now pressing for solution than that
of providing useful labor for able bodied prison-
ers without unfair competition with free labor.
Almost everyone will admit the propriety and
necessity, that convicts who are able to work
should be made to work, rather than be support-
ed in idleness at the expense of the honest and
industrious. The obvious conditions are that the
work shall be productive and that it shall not
seriously lessen the chances of employment, or
lower the scale of wages for honest laborers in
any line of industry. The work of road-making
and road-mending is hard, healthy, and unlim-
ited in quantity.

PRINCE ALBERT

Miss Ploverman is the guest of Miss
J. Medd.
Mr. Will Boynton, of Toronto, spent
Sunday at home.

den, sister of Mrs. Jas. McBrien. The

Grove cemetery Tuesday morning.

pitcher 25 cents; 6 piece tea set 35 cents. Hol-
iday Bros.

Mr. A. Ketchen has made a sale of his Mani-
toba farm through his agent at Carbery getting
\$3,000 cash for the 300 acres.

The children of the Presbyterian Sunday-
school had their Christmas last Friday evening,
a month later than usual this year, but it was none
the less enjoyable for that reason. A large com-
pany was present, there being a good representa-
tion of parents in addition to nearly all the
children whose names are on the roll. A splendid
entertainment was given by the little folk
and during an intermission, bags containing nuts
and the kindly were distributed to young and old
alike. A collection was taken which amounted
to \$9.06. Half of this has been sent to the chil-
dren's hospital, Toronto, and the balance to the
Amenian fund.

Mrs. A. Wilson, formerly Miss Annie Step-
henson, died at Claremont last Friday night after
a short illness. The funeral was held on Sunday
from the residence of her brother-in-law, Mr. J. W.
Waring. Mrs. Wilson had been married but six
months.

Several of our young men are hard at work
making an open skating rink in the field adjoin-
ing the Masonic hall. The venture is largely an
experiment but we hope it may work alright and
that they may succeed in making a good sheet of
ice. A good covered rink would surely pay well
in this village. Someone with money to invest
should build one and have it ready for next
winter.

Miss Neal of Park Hill is here visiting her
cousin Miss Mary Neal.
Sweet biscuits, six kinds mixed, 3 lbs. for 25
cents. Holiday Bros.

Mrs. Snell, accompanied by her husband and
two children, is visiting her sister, Mrs. W. G.
Medland. Mr. and Mrs. Snell are from Gladstone,
Manitoba.

The revival meetings in the Methodist church
are now in the fifth week, and the interest is still
well maintained. These services have been a
means of blessing to many.

Dr. Lambly will preach at Kinsale next Sun-
day evening, and Rev. J. S. Clark, of Whitby will
have charge of the service here at 7:30 p.m.
We were somewhat startled to notice bills
posted the other day with the following heading:
Grand tea and entertainment will be given by
the Ladies' Society on Sabbath, 14th inst., 11
and further reading, though we do not think
and entertainment were not to be on Sunday
after all, but good orthodox preaching services
instead, with the tea etc., on the following Tues-
day.

Messrs. Sheridan and Sherry of Toronto, horse
buyers, were here on Tuesday, and an unusually
large number of horses were offered, more per-
haps than were ever brought together at one
point in this county for sale. From these the
buyers picked eleven fine animals, paying from
\$100 to \$150, the average price being a hundred
dollars. Among those who sold were Mr. Doo-
litt, John Gordon, John Nesbitt, R. M. Mathew-
son, S. Stokes, R. Rodgers, John White and J. W.
Vipond.

Dr. Lambly will preach a special sermon to
the children and the members of the Sunday school
in the Methodist church next Sunday morning.
A public school will be held in the council
room on Thursday evening, Feb. 12th, at 7:30
p.m., for the purpose of considering the organi-
zation of a Young Men's Christian Association,
under the management of which free instruction
in various branches of education may be given
to its members. All are invited to come to dis-
cuss the matter, and hear what has to be said with
regard to it.

Mr. Luke Robinson Jr., who has been assistant
superintendent of the London street railway for
a year or more, was home on Wednesday
having stopped off on his way to Montreal,
where he has received the appointment of sur-
veyor for the Montreal Park and River rail
way. We are pleased to congratulate Mr. Rob-
inson on his advancement and hope he may have
still further success.—W. A. H.

HOLIDAY BROS., BROOKLIN.

We regret to state that Mr. Joseph
Stevenson is very low. Small hopes
are entertained for his recovery.
Miss M. Adamson, of Novar, Mus-
koka, arrived here last week to spend
some time with her sister, Mrs. Elliott.

At a meeting of the quarterly board
on Saturday last, our pastor, Rev. W.
Elliott, was given a unanimous invi-
tation to remain a third year.

The young people of this community
have made arrangements to organize a
Sons of Temperance division on Friday
next, Feb. 19th. Everybody is wel-
come at this first meeting whether you
intend being a member or not.

MANCHESTER

Mrs. D. Reese is visiting with her
daughter in Toronto.
Mr. Jos. McClinton has returned
home from Trintity for a short time.

Mrs. J. R. Heard and pupils will give
a grand concert in the town hall here
some time soon.
Messrs J. Thompson and F. McClin-
tock had large bees this week drawing
saw-logs to Cairns' mill.

Mr. and Mrs. John Fersey returned
home last week, after a visit with
friends and relatives in Park Hill.
Miss Naomi Ewers, who has been
spending some well earned holidays
with her parents here, returned to
Toronto on Wednesday last.

The Rev. Mr. Weatherall occupied
the pulpit here last Sabbath evening,
on account of quarterly meeting at
Prince Albert in the morning.

A number from here went to Epsom
on Wednesday evening of last week to
attend a surprise party at Mr. W.
Heard's. All had a very pleasant time
indeed.

The entertainment given last Thurs-
day evening by Mr. Rowley, on the
panaphone, did not "catch on" here.
Most of the selections given were not
distinct enough, consequently they
were not very highly appreciated. We
will say, however, that the instrument
is a wonderful invention, and if more
care was taken to procure such pieces
as could be more plainly reproduced,
better results would be sure to follow.

At the January session of the council,
that body saw fit to cancel the lease
with the Scugog Game Preserve Co.,
of certain roadways, and trouble seems
to be brewing. At the meeting on
Monday a letter from the company,
setting forth many objections to action
taken, was read. The parties con-
cerned, both for and against, seem
greatly grieved, and very likely a law-
suit will be the only terms of settle-
ment. These gentlemen from Toron-
to own the marsh, and to refrain from
getting in trouble with their neighbors
are willing to pay liberally to have the
roadways shut up. But in doing so,
they are not acting the square, and
many are beginning to think them a
nuisance. Besides a number of our
local sports claim the right of free ac-
cess to these roads, to have a shoot
when they desire. If such can con-
scientiously be granted, we would say
do so, but if game should fight over
the line, what then? These city gen-
tlemen seem very particular as to bind-
ing others down, perhaps the "others"
can play at the same game. We would
suggest that the opposition lease the
roadway and then forbid the company
to trespass.

P. C. GRAHAM.
PORT PERRY
Last Friday morning Inspector Ferguson
made his appearance in town, and many
were wondering what "biz" brought him
here.

The Royal Templars will hold an "at
home" on this Friday evening in the Sons
of England hall. An excellent program
has been prepared, besides refreshments will
be served during the evening, and all at
the low price admission of fifteen cents. A cor-
dial invitation is issued. It is always
a pleasure to hear that gentleman, and he is
always sure of a good audience when he
speaks in Port Perry.

At the first meeting of the Globe I see that
two of our town's young ladies, viz. Miss Ethel E.
Willard and Miss Lella McHarty, were
successful in obtaining second-class honors in
the piano forte department second year in
the Toronto Conservatory of Music, at the
mid-winter examination. Miss Nettie Mc-
Taggart of Myrtle secured first class honors
for the first year in the Theoretical depart-
ment of the same institution.

At the first meeting of the Board of Edu-
cation held in the town hall, on Wednesday
evening, 3rd inst., the following officers were
duly appointed for current year viz: Chair-
man, Mr. F. M. Yarnold, on first ballot; sec-
retary, Mr. Thos. J. Wilton; school manage-
ment committee, Messrs W. McCall, T. C.
Forman, T. Courtice; house and grounds
committee, Messrs W. L. Parrish, A. W. Allan,
Dr. Graham; finance committee, Messrs W.
Kennedy, W. H. McCaw, W. L. Marshall.

Died, on Scugog Island, on the 9th inst.,
James Sweetman aged 75 years, 11 months
and 20 days. Deceased had been an old
resident of Scugog Island for many years.
He was a very quiet and reserved man, but
a good friend and neighbor, and one who
endeavored to do his duty. A loving com-
panion and an only son are left to mourn a
kind husband and father. The large fun-
eral cortege on Wednesday testified to the
esteem in which the deceased was held by
the Sweetman family is held on Scugog Island
and vicinity.

Died, at Penetanguishene on the 6th inst.,
Mrs. Olivia Madden, beloved wife of Rev. W.
Fisher, B.A. It was with sincere regret
that our citizens heard of the sudden death
of Mrs. Hagar, who lived here for many
years, and was a teacher in our public
school for several years, and was beloved by
the pupils in her department. The funeral
took place last Tuesday from the residence
of her sister, Mrs. James McBrien, at
Penetanguishene, and was attended by many old
acquaintances and former pupils of the public
school. It was deemed to be a fitting
and worthy tribute to the memory of the
deceased, and the many friends and
acquaintances who have been so long
with us here, have the honor to be
present at the citizens of Port Perry and
neighborhood in their sad bereavement.

On Tuesday evening a match was played
between Monday and Port Perry. The
winner was Monday, who played very
well, and the game was a very
interesting one. The score was 8 to 5. The
game was played on a very good
pitch, and every one of the
players were very good. The

for the home team put up a swift game as
forwards, and if they would work together
and more in unison they would be hard to
beat. On Tuesday evening 16th inst Ux-
bridge and Port Perry seniors will play.
This match is expected to show the mettle of
the two teams, and it is to be hoped that no
slugging will be done by either team, as it is
neither fair nor gentlemanly playing. Our
boys expect the townspeople will give them
a good crowd, as the proceeds go to their
benefit.

The case of Queen vs Hooley that was ad-
