

Almost a Hopeless Case.

A Terrible Cough, No Rest Night nor Day. Given up by Doctors.

A LIFE SAVED

BY TAKING

AYER'S CHERRY PECTORAL

Several years ago, I caught a severe cold, attended with a terrible cough that allowed me no rest, either day or night. The doctors, after working over me to the best of their ability, pronounced my case hopeless, and said they could do no more for me. A friend, learning of my trouble, sent me a bottle of Ayer's Cherry Pectoral, which I began to take, and very soon I was greatly relieved. By the time I had used the whole bottle, I was completely cured. I have never had such a cough since that time, and I firmly believe that Ayer's Cherry Pectoral saved my life.

The Ruthless Hand of Nature Permits Only the Survival of the Strongest, but Medical Science Secures the Survival of the Weakest.

From the Cornwall Standard.

The science and art of medicine holds a unique place in the esteem of the entire civilized world, because by a judicious application of progressive science relative to the art of healing innumerable triumphs are won in the struggle for health. The profession of medicine may safely say, is no sine-cure, its triumphs and successes are rehearsed daily by the million. Those who are in the vanguard of this movement are our greatest benefactors. Their discoveries are a boon to humanity; they have given relief to thousands who would have dragged out a miserable and more or less existence. Dr. Williams, by means of his Pink Pills, has earned and enjoys the gratitude of untold numbers who were on the verge of isolation or death, because their case defied the skill of the ordinary medical practitioner. The ruthless hand of nature permits only the survival of the strongest, but the tender ministrations of medical science, as exemplified in Dr. Williams' Pink Pills, secure the survival of the weakest, which is in harmony with the divine injunction, "We then that are strong ought to bear the infirmities of the weak and not please ourselves."

These famous pills have given strength to the apparently hopelessly weak, and revitalized and invigorated frail and debilitated constitutions, enthroned health and strength, thus increasing every value and enhancing every joy. In substantiation of the reputed merits of Dr. Williams' Pink Pills, read the following testimonial of one of Glangarry's responsible citizens. Samuel Neil, of the village of Lancaster, is one of the best known men of the county. "For three successive winters," says Mr. Neil, "I suffered from severe attacks of lagrippe. Owing to the exhausting efforts of these attacks I was unable to attend to my business half of the time. The last attack I had was in December, 1895. It was the most prolonged and the subsequent effect the most trying. All the winter of 1896 I was under medical care and being somewhat advanced in life I presented a very frail appearance. My weakness was so pronounced that I became a victim of weak turns, and even with the assistance of a cane was liable to fall. Attempts to walk were risky, and often to be regretted. I was troubled with a dizziness in the head that rendered locomotion difficult and unpleasant. Besides this general weakness I had pains in my shoulders, something like articular rheumatism in its fluctuations and severity. After a five months treatment I was not any better, in fact the doctor gave me very little encouragement. He said I had palpitation of the heart and it must run its course. The truth is I felt so weak that my hope of recovery was about nil. About the first of May I determined to try Dr. Williams' Pink Pills. The result was the dizziness left me, day by day my pains vanished into imperceptibility, and I began to feel myself again. The improvement continued until I was able to follow my business with unexpected vigor. I am increasing in flesh and in the general signs of good health, and I unhesitatingly attribute my recovery to Dr. Williams' Pink Pills."

Dr. Williams' Pink Pills are sold only in boxes bearing the firm's trade mark and wrapper, (printed in red ink). Bear in mind that Dr. Williams' Pink Pills are never sold in bulk or by the dozen or hundred, and any dealer who offers substitutes in this form is trying to defraud you and should be avoided. The public are also cautioned against all other so-called blood builders and nerve tonics,

put up in similar form intended to deceive. They are all imitations whose makers hope to reap a pecuniary advantage from the wonderful reputation achieved by Dr. Williams' Pink Pills. Ask your dealer for them.

These Pills are manufactured by the Dr. Williams' Medicine Company, Brookville, Ontario, and Schenectady, N. Y., and are sold only in boxes bearing the firm's trade mark and wrapper, at 50 cents a box, or six boxes for \$2.50. They may be had from any dealer, or will be sent by mail on receipt of price.

Dr. Williams' Pink Pills may be had of all druggists or direct by mail from Dr. Williams' Medicine Company from either address. The price at which the pills are sold make a course of treatment comparatively inexpensive as compared with other remedies or medical treatment.

C.

"My wife was taken bad last August with nervous prostration, which later on developed into paralysis of one side. We tried many remedies, but all in vain. I thought I would try South American Nerve, having seen it advertised in the New Westminster, B. C. papers, and I am glad to be able to say that the result after taking three bottles was an astonishment to myself and family. It worked wonders for her and we cannot speak too highly of this great remedy." No case too acute or too long standing to defy its wonderful merits. Sold by J E Willis.

ENFIELD The weather favored us with a fall of snow which will be acceptable to help the sleighing in some places.

Hymenal A very pleasant event took place at the residence of Mr and Mrs. R. Campbell on Jan. 27th, when his second daughter, Miss Edna, was united in holy matrimony to Mr Geo. Millson, eldest son of Mr. Eber Millson, one of the leading agriculturalists of Darlington. To the strains of the wedding march rendered by Miss Myrtle Millson, the contracting parties entered the room, the bride leaning on her father's arm. After taking their places the knot was pleasantly but firmly tied by their pastor, Rev. S. G. Rork, Eoniskillen. The bride was prettily attired in a costume of cream crepon with cream ribbon, lace and sequin trimmings and carried a bouquet of cream roses. She was attended by her cousin, Miss Gertie Roy, Toronto, who was equally charmingly gowned in light green cashmere trimmed with pearls.

Miss Flo Annis, the groom, a beautiful maid of honor. The groom was honorably supported by his brother, Mr. Arthur Milson, Guelph. After many kind wishes and the dejeuner partaken of the happy couple, amid showers of rice and old boots, left for Western Ontario to spend a few weeks among their friends.

The bride was the recipient of many useful and costly presents. The parents of the bride donated her a handsome Dominion organ and Mr. and Mrs. Millson, parents of the groom, a beautiful combined set of china dishes. Among the invited guests that were present were—Mr and Mrs Eber Millson, Misses Myrtle and May and Ed Millson, Grandpa Annis, Mr and Mrs Dr Mitchell, Mr and Mrs Levi Annis, Mr and Mrs Geo Gray and Nellie, Mr and Mrs Anderson, Mr and Mrs Edwin Annis and Pio, Mr and Mrs Jno Ormiston and Kate, Edith Rice, Nancy Ormiston, Mr and Mrs J Cooper, Misses N Kennedy, Janet and Nellie Ormiston, Lily and Mabel McCallloch, A Ormiston and B Nichols, N Alexander, Messrs J Taylor and L Montgomery, J B McCallloch, Misses Rorie and Bertie Gilbert, Mr and Mrs Logmaid and Mr Russel, Mr Arthur and Miss L Annis.
