on Friday evening, the proceeds were

Uxbridge Major John A McGillivray was in town Monday and Tuesday. The Major looks well, and seems to be bearing his Chicago-Toronto newspaper notoriety with his usual good humor.

Mr John Wright, of Hamilton, whom we mentioned last week as a prospective purchaser of Mr A C Wiley's bakery business, is in town again to day and will, we are informed, INCLUDING close the deal.

Miss Alice Bacon left yesterday to reside with her brother at Claremont Miss Bacon was an active member of the Epworth League, and her departure will be regretted by her many friends and co-workers.

A very pleasant affair took place at the residence of Mr and Mrs H Kelcher, of Toronto Junction, formerly of Uxbridge, on Wednesday of last week. when their daughter, Edith, was wedded to Mr Robert Kelsey, a C P R brakesman. The Rev L McKill performed the ceremony. The couple left on the afternoon train for a tour of the western states.

Messrs H G Park, F Mooney and W McGuire, of Uxbridge, and Mr R Shedpard, of Sutton, have purchased ten acres of land at Jackson's Point and intend fixing it the coming summe. The land is nicely situated, lying about a half a mile west of Stouffville-on-the-lake, and having two sides fronting the lake. Should the proposed electric railway from Toronto to the Point ever be completed, this will be a valuable piece of land.-Times.

LINDSAY Thursday evening last Norman, the your g son of Mr Frank Palen, of the north ward was industriously splitting kindling in the woodshed, when he mistook his left foot for stick, and bringing the axe down on it the boot was cut open and the large toe received a gash that required several stitches to bring the wound together. The lad will be confined to the house for some days.

Mr S Perrin has a curiosity in his new drug store in the shape of a cucumber preserved in alcohol in an eight ounce bottle Some thirty years ago it grew where it now rests from a vine until the bottle was about filled, when it was nipped off and the intervening space filled with alcohol. The "fruit" is green and natural looking, and presents as fresh and tempting an app arance as a well preserved old maid.

One night recently a trampish gang of manly-looking feminines, gr. tesquely attired, were observed in the north ward. They were having a heap of fun amongst themselves as they went along, laughing and Mr H Pye is exercising his agricultural abilities | chatting, and finally disappeared in the re-idence of a well-known citizen, where they undoubtedly had a joyous time. An article step the following morning-probably left for the milkman-would indicate that the party was a sort of donation one.

Fatal Accident at Valentia. One of the most distressing accidents tain the probable cost and report to the Boyne water mills, it having been slightly that ever occurred in this section took place at Valentia on Tuesday. It appears that about three o'clock in the Afternoon Robert Bruce and William Crozier were engaged in clipping a neighborhood, those who are very ill being: Mr horse at Mr Bruce's horse stable. The Ino Sylvester, Master E Sylvester, Mrs N animal became restless, not liking the operation, and as Bruce stepped back in order to make the horse step up it kicked viciously with both feet, one breaking several ribs and knocking him back on the floor. The injured man The Editor of The "Dominion quickly jumped to his feet and turning around came toward Crozier, who was the only one who happened to be in the stable, although several young men of the neighborhood had been present a few moments before watching the clipping and joking and laughing. Bruce walked in a short circle, but seemed sons who were near by promptly came to the rescue. The injured man was conveyed to the house, while a mesexpired about fifteen or twenty minutes after the accident, and before medical aid arrived. The Canadian Alien Labor Law

tes after the accident, and before nedical aid arrived.

The Canadian Alien Labor Law

There is not a little speculation at all alearshers as to the course. Ottawa and elsewhere as to the course that will be followed by the government in regard to the alien labor question. The general opinion, when Mr Cowan of South Essex gave notice of his alien labor bill, was that the gov-Mr Wm Boynton, Toronto, spent Sunday at ernment would announce on the first reading that a government measure covering the whole subject would be introduced, in fulfilment of Mr Laurier's pledge of last session. The pledge has not been forgotten and will not be. The parliament of Canada, while regretting the necessity for legislation of this sort, will certainly support any measure calculated to convince the Mr and Mrs Button, Locust Hill, are spend- authorities at Washington that there is ing a few days with Mrs Button's father, the a limit to the patience of Canadians. But, when an alien labor law will be passed this session; it is not likely to be a government measure. To make it a part of the ministerial program would make the bill a much bigger affair than s necessary, and possibly bring it within the limits of party strife. The probability is that Mr Cowan's bill wil be drafted to suit the views of the first

minister, and that when it comes before the house Mr Laurier will announce that it meets with his approval and will This Manthat it meets with his approval and will have his support. In this way Mr Cowan will retain control of the bill, and its chances of getting through will be as good as if it were a government
