CHRISTIANITY OWES MUCH TO HIS ZEAL AND ENDURANCE.
His Life During the Early Days of Methodism in Canada was Ours.

Two of the smallest men in the city were standing at the curbstone waiting for a car. The conversation had been about the traditional feminine tendency to extravagance, and the difficulty they had in keeping their domestic expenditures down to what they considered a reasonable limit.

Hubby Wasn't Proud.
"There they are now," exclaimed one of them.
"Who?"
"Our wives. And I'll bet they've been shopping."

Saved Her Drunken Husband.
She Finally Administered a Remedy, Without his Knowledge, and Cured Him.

A correspondent writes: I had such a happy home and a noble, big-hearted husband till he took to drinking, first through sociability, then because the fondish desire would come over him, crasing him for drink.

Y., and are sold only in boxes bearing the firm's trade mark and wrapper, at 50 cents a box, or six boxes for \$2.50. They may be had from any dealer, or will be sent by mail on receipt of price.

Farmers Must Use Their Heads.
To grow carrots and mangels successfully, the land should be well fitted in the fall, and must be clean, so as to plant as early in the spring as condition of soil will allow.

The "At Home" tendered the members of the hockey club, by their female admirers on Wednesday evening of last week was exceedingly well enjoyed. The workman hall was the scene of the pleasure. Last week we reported the death of Jas. Conliss, as having occurred on Monday, the 12th inst., at the age of 77 years. It was also stated that his bereaved widow was in a critical condition. She continued to sink and on Sunday she too succumbed, having survived her husband but six days although ten years his junior. Neither were in feeble health until a few days before the old gentleman's death. They leave three daughters and one son. How often we see it the case when a couple have lived together for many years the death of one is closely followed by that of the other.
