LOCAL NEWS LETTERS.

CHRONICLE CORRESPONDENCE.

BALSAM

Miss Edith Everett is visiting friends at
Greenbank.

Mr. Wm. Dunham has recovered from an
attack of the mumps.

Mr. Bert Washburn has returned to work
having been laid up by sickness for some
time.

We are glad to report that Mr. Wm. Ed-
wards has completely recovered from his
late illness.

Miss Bertha Jones intends trying for the
public school leaving this vacation. We wish
her success.

Mr. Judson Ward of the business college
of Toronto will spend the summer at home upon
the farm.

Willie and Miss Maggie Washburn have
had a severe attack of the mumps but we
are glad to report they are recovering.

Our tea and grocery firm has dissolved part-
nership and will give up the business for the
present, as they say cooler drinks are required
for the hot weather.

Our school yard is looking as clean as a
new pin, the teacher and pupils having kept
it on Friday. We are sure they are deserving
of great praise for their efforts.

Seeding is very slow work in this locality
this spring as we have had so much wet
weather. The farmers are praying that the
next rain storm may be a dry one.

There are great fish yards going the rounds
at present in this place. All of our old sports
have been trying their luck in the cool
waters of Pelee, "over the hills and far away"
where live these unfortunally marine creatures
which are causing so much trouble to our friends,
who do not believe in such a slow way of catching
fish as using a net in the old style but rather use
their muscles in diving in the new style, turning
somersaults and coming up feet foremost with
their trousers filled with these slimy creatures,
and their comrades pull them out by the heels.
Some of the more moderate sports believe in
fishing in the latest style with the silver rod.
Nevertheless they all come home with beaming
countenances and loaded with spoil.

An odd and respected native of this place
has passed away, leaving behind him many sorrow-
ing relatives and friends. Mr. Thomas Sadler,
whose long career of usefulness has endeared
him to all who knew him, has left this world
of care and sorrow to meet the reward given to
the faithful after death. Mr. Sadler has been ill
for many months, and bore patiently his many
sufferings, looking forward calmly and hope-
fully to the time when he should hear the Mas-
ter's call. His death occurred on Saturday last,
and his body was interred in its last resting
place on Monday. The deceased was a native
of England and came to Canada as an early
settler, having resided in this place ever since.
We heartily tender our sympathy to the bereaved
relatives in their time of sorrow.

TOWN LINE.

Miss Laura West of Oshawa is staying with
her uncle, Mr. A. H. West and attending school.

Mr. S. Bradley of the Salvation Army visited
his brother, Mr. Robt. Bradley this week.

Mr. Whitfield Lee a herd of cattle has strayed
away, he seems unable to get the least trace
of them.

Miss Lynde of the 4th con. and Mrs. Fox of
New Hamburg, visited with Mrs. M. Mackey on
Saturday.

We think there will be very little need of a
gate on the swamp road as long as Mr. Carpenter
keeps his dog.

We extend our sympathy to Mr. and Mrs.
Thos. Emmet and family in the loss by death of
Mrs. Emmet's sister, Miss M. Strickland Osh-
awa.

Owing to some of the boys and young men
being so scattered there has been no one to
organize the foot ball club. We think it would
be well to try cricket or base ball if football won't
go.

Mr. N. D. Hart, Brooklin, President Whitby
Township Association met the local com-
mittee last Thursday evening, and arranged the
programme for the convention to be held in Al-
mond's church on June the first.

Report of weekly exams held at Town Line
school. Sr. IV Class, Arithmetic 60, Phys-
iology 80, Nellie Carruthers 40, 75, Arthur
Rowe 40, 41, Florence Carpenter 40, 40,
George Gold 20, 58, Walter Kock 20, 42,
Mabel Rowe 15, 55, Arthur Mackey 25, 20,
Anne Carruthers 34, Milton Storey 15, 20,
A. H. West, Teacher.

SUNDERLAND

Misses Susie and Allie Reynolds spent Mon-
day in Uxbridge.

There's too many stones (?) around Black-
water to be healthy for crocks.

Miss Effie McPhaden and Mr. G. Maybce, of
Woodville, spent Sunday in Sunderland.

Our teacher, Mr. S. Richardson, wheeled to
Whitby on Saturday, returning on Sunday.

Mr. and Mrs. T. C. Nichols, of Uxbridge,
spent Sunday with Mr. I. H. Glendinning.

Some of our citizens attended the evangelistic
services at Vroomant on Sunday evening.

The difficulty as to the licenses heard to have
quieted down, as nothing is now heard regarding
it.

Miss Effie and Mary Williams, of Stouffville,
spent Sunday with their brother, Mr. E. T. Wil-
liams.

Our bicycle club boasts of seventeen mem-
bers. This success is due to the energy of its captain,
Mr. Harry Glendinning.

All the farmers are very busy seeding, taking
advantage of the fine weather. Fall wheat, in
general, promises a good crop.

The weather is all that can be desired, with
the exception of a somewhat severe thunder
storm on Sunday evening. We have heard of
no damage being done.

The Methodist pulpit was ably filled on Sun-
day by Rev. Mr. Barker, of Orillia. Mrs.
Beale's solo at the evening service was well
rendered and much appreciated.

The Temperance Quartette hold forth in the
Methodist church every evening this week. As
they use limelight views to illustrate their sing-
ing, etc., an interesting time may be expected.

Our village band is kindly permitted to use the
room in the fair building as a practice room,
descending a hill west of Vallentyne school
house. His face was severely cut and bruised,
but happily no very serious injury happened to
him, and he is now able to be around and attend
to business. He had a very narrow escape.

Our Diving Park Association have waked up
and have determined that the fair grounds and
buildings shall not be damaged by the small boy
as usual, a small fee being charged for the
ground. The property committee are deter-
mined to prosecute anyone damaging the build-
ing in any way. So, lookout, boys, and mend
your ways.

KINSALE

Our choir is growing slowly but surely.
Mrs. Gibson is reported as improving in health.
Mrs. Reid is quite better again we are pleased
to report.

Mr. and Mrs. Aaron Parkins visited Toronto
on Saturday last.

McCulloch Bros., of Enfield, visited friends
here on Sabbath.

Rev. Thom officiated here on Sabbath and de-
livered an excellent discourse.

J. W. Salton visited Port Perry on Sabbath.
John evidently cannot stay at home always.

Mr. Ned Lawrence has leased the house
vacated by Mr. Newton and will move there at
once.

Mr. Wigner is terribly crowded with work at
present, not being able to supply all customers
at all times.

Mr. Lewis passed through our village on Tues-
day morning with some excellent stall fed cattle
en route for Brooklin.

Mr. Jno. Lawton has the model farm nearly
sowed here on an excellent space. We wish
John a good profitable crop.

Mr. Scott, who has succeeded Mr. Henry
Hardy, now comes to our church, both he and
his family. We welcome Mr. Scott amongst us.

Mr. S. S. is going to procure a new library for
the school. If the order has not already been
forwarded it will be sent in at once we under-
stand.

Mr. Jno. Lawton and H. W. McBrien have
been doing a little horse dealing. A change will
do nothing any harm, not even a change of
horses.

Mr. Jas. Tripp had a very pleasant party of
young people in our evening last week. Indu-
gence in nearly all kinds of innocent games were
enjoyed by all.

Mr. Chapman is held to take charge of the
league this week. His efforts are always ap-
preciated here, he being a young man of good
ability and great tact.

Rev. McCamus took charge of the league
meeting here on Wednesday last week. All
agreed that his exposition of the divine word was
a most excellent one indeed.

Mr. Thos. Sadler, an old settler of the ninth
concession, was interred at Salem on Monday
last. He left a large family of relatives and
friends and those assembled to pay their
last respects showed the esteem his friends had
for him.

Mrs. Wice and family started on Tuesday
morning for Wabgon to join her husband and
relatives in that new country. J. W. Salton ac-
companied her as far as Toronto. Mrs. Wice
was born in Kinsale and lived within a short
distance of it all her life. We presume she will
find a great change in the western country,
being used to a lively little town like Kinsale
with all its many privileges and pleasant sur-
roundings.

Mr. J. W. Salton is reported as wishing her
and hers success.

WHITEVALE

Mr. Chris Reesor spent Sunday in Pickering
with a friend.

Miss Alexander of Fort William, is with
friends here at present.

Mr. Wm. H. Mayne will manage his sister's
farm at Alpha this summer.

Mr. Hawkins of McMaster Hall was at Penna
Bank for a few days last week.

Mr. and Mrs. Richardson of the 8th concession
was at Mr. D. S. Turner's on Sunday.

Mr. Josiah Pugh is at present seriously ill.
Friday night last he had a very paralytic
stroke.

We learn that Mr. Thos. Bean has bought the
other store in the village. If so it looks as
though he was going to run a departmental
store.

The deluge of last week washed out the
road in one place very bad, but a large gang of work-
men have repaired it.

Last Friday night about one o'clock a large
merry party visited this village and for a time it
was as light as day.

We think that it is about time that the sheep-
pens be cleaned up. The success of the re-
publican meeting, which was held in the
Masonic hall on Tuesday evening. The
hall was well filled and the large audience
seemed to thoroughly appreciate the pro-
gramme that was given. This consisted of
a reading by Dr. Lambly, a chorus and a
quartet by members of R. T. O. T. A. recita-
tion by Mrs. Lambly, a dialogue by Miss
Maud Delong and Masters P. Frayn and M.
Routley, a piano selection by Miss Elma
Holliday, a piano drill by Mr. Eddy's well
trained company of school girls and a recita-
tion by the District Council, Rev. D. N.
McCamus, of Port Perry. The dialogue and
broom drill were new features at a meeting
of the kind. Both were given with a suc-
cess that was beyond all praise. The address
of Mr. McCamus was logical and convincing. He
proved himself to be one of the best plat-
form speakers of the many who have ap-
peared before Brooklin audiences in con-
nection with the sheep pen question.

He started out with the statement
that we must all be awake to the importance
of the issue soon to be placed before
the people of this country and thus will be
a consistent and great reform that has
been brought about during the Christian
era. All lines of business are affected by
the liquor traffic, therefore there should be
a concerted effort on the part of securing
its overthrow. The first step necessary is
to secure information concerning the traffic
and the way that flows from it. Second,
it is necessary to get out and out
against it. Third, enrol and enlist with
those already engaged in the conflict.
Fourth, avoid harshness with opponents but
let it be understood there must be a spirit
of antagonism. Fifth, when it comes to the
question of the revenue, let us consider our
families and our homes, and we will, if such
is necessary, pay the tax. Let us share
directly from our pockets rather than have
it raised at the cost of the degradation, de-
basement and destruction of our fellows.
The conclusion of the address was a vote of
thanks was unanimously tendered to the
speaker and the proceedings were termi-
nated with the national anthem.

the Methodist church on Sunday. Mr.
Yoseph is taking the course at Victoria
preparatory to fitting himself for missionary
work in his native country. He has already
spent three and a half years in Canada.

After the library meeting adjourned on
Monday evening, an informal talk was in-
dulged in in reference to the holding of a
Diamond Jubilee celebration in this village.
On the suggestion of Rev. J. H. Harris a
committee was appointed, to meet next
Tuesday evening to consider what form of
celebration should take, and endeavor to
devise means for carrying it out.

The adjourned annual meeting of the sub-
scribers of the public library was held on
Monday evening last. The president, Mr. C.
Ketchum, occupied the chair and the other
officers were all present. After routine
business had been disposed of the election
of a board of directors for the year was
taken up by ballot. The new board is

public generally are cordially invited.

RAGLAN

Most of the farmers are done seeding.
House cleaning and gardening the order of
the day.

A great many of the children are absent from
school on account of chicken pox.

We are glad to report Mrs. Holliday so far re-
covered as to be able to sit up each day.

Mrs. Still left last week for Kennebec, where
she intends remaining with her daughter, Mrs.
Stanton, for a few months.

A great many fat cattle were brought here
on Monday for Conlin Bros to be shipped to the
old country and other parts. We would almost
think there would be a scarcity after a while.

A new fence is being placed around the
school yard. On Arbor day the teacher and
pupils cleaned up and planted flower seeds
which adds greatly to the appearance of the
place. Much credit is due to the teacher in the
way things have been managed during the last
two months.

It is our painful duty to again chronicle the
death of an old and respected citizen, Mr.
John Mason, who for forty years has been a
resident of this place, and who for two years has
been a great sufferer with that dread disease
consumption. Mr. Mason was quite an indus-
trious farmer and bore the respect of the whole
community. His remains were interred in
Mount Carmel cemetery, and were followed to
the grave by a large cortege of friends to pay
the last tribute to the deceased. Rev. Mr. Banner
conducted very impressive services in the M. E.
church, Mount Carmel. Mr. Mason leaves a
wife and ten children to mourn his loss. Much
sympathy is felt for them in their sorrow.
