OSHAWA.

T Ryley spent Sunday at home.
Capt. Carter was in town on Wednesday.
Fred Hunter spent Sunday in Bowmanville.

Mrs Geo Grills and children are visiting Mr and Mrs Craig.

Miss Kate Smith, Toronto, is the guest of Miss Grace Pedlar.
Miss Lena Wright, Picton, visited with her sister last week.

Mrs N A McDiarmid visited with Mrs E Luke over Sunday.
Mrs Blackburn, Belleville, is the guest of her daughter, Mrs S Gliddon.

Fred Scott, of Montreal, was the guest of his brother, J Scott, last week.
Mr Len Brooks is having a brick kitchen built to his residence on Simcoe st. south.

Mrs Scates left on Tuesday afternoon to spend a few weeks with Hamilton relatives.
Fred Hinton has gone to Montreal, where he has secured a position in a telegraph office.

The boys' brigade are busy drilling, preparing for the jubilee celebration on Dominion day.

Misses Wellwood and M Rogers, Toronto, were the guests of Mrs Thompson, Simcoe st., this week.

Revs Messrs Kines, McDiarmid, Joffile, and H B Kenny, were in town on Wednesday looking up old friends.

Mr J James and Misses Amanda and Effie Bond were the guests of Mr and Mrs M A James, Bowmanville, on Sunday.

Little Cecil Mannell, who died at her parents home in Toronto last week was brought here for burial on Saturday.

The piano works will shut down the first week in July for two weeks, for the annual stock-taking. The organ department will not shut down.

Mr Tupper, who had charge of the services in the Metcalfe street Methodist church on Sunday was the guest of Mrs T Wigg during his stay in town.

Miss A Gimlet, who spent this spring with her aunt, Miss J Guenit, died at her home in Toronto Saturday night, a prey to that dread disease, consumption. She was in her eighteenth year.

Mr H J Craig, manager of the Western Bank, Midland, was married to Miss Summum at Wythebridge on Monday. Mr and Mrs J Craig, sr., and Mr and Mrs Geo Grills attended the wedding.

Mr T G Mason, Bowmanville, who purchased the bulk of a Mackie's stock at the auction sale last week, is moving the goods to Bowmanville and will have the store vacated in a day or two.

Wm Rundle, living in the western town limits, had a brood of chickens hatched last week and one of the number had four well developed legs arranged in quadrupeds. The freak was dead and is being preserved as a curiosity in alcohol.

Another consumptive victim whom death claimed this week is Esther Mitchell. She bore her sufferings with but a murmur and was ready and willing to go when the call came. The parents have our sincere sympathy in their bereavement.

Mr Jno Mitchell, motorman for the Oshawa Railway Co., met with a very painful mishap Monday. While working with a chisel in the car ahead the tool slipped and cut a gash in the palm of his hand over the thumb joint, severing an artery. Dr McKay dressed the wound.

This season is the busiest in the history of the Pedlar Metal Roofing Co. If the present volume of trade continues for the balance of the year the business for the year will crowd close upon the half million mark. This is a great development for a factory that was out in operation in 1892.

Mr T B Mitchell, of Montreal, has purchased the drug business of Mr F F Eby. The public of Oshawa are very sorry indeed to lose Mr Eby as he has won many friends during his stay here. Mr Fred Mitchell has charge of the business until his brother's arrival next week. Mr Eby will take up his residence in British Columbia.

The township of East Whitby has a good constable in Chas Goodnowy Cedar Dale. The obligations of his office keep him on duty about the Grand Trunk depot every night, and dealing with the large number of tramps who infest the place, exposes him to a certain amount of risk and danger. His salary from the municipality is the magnificent sum of \$50 per annum, or almost enough to keep him supplied with chicken feed. Mr Goodman's ambition to sustain his reputation as a good officer leads him to render service that is out of proportion to the revenue of the office.

CEGAR DALE
Mr J Holland has gone to Prescott for a visit.
Mr Thos. Guy still continues poorly in health.
Mr Fred Guy's boy is recovering from a severe illness.
Mr L J Coryell has gone to the United States on a business trip.
Miss L Head, of Pickering, is visiting with Mrs Kirkpatrick, of the Brook House.
The excursion boat left Friday did not carry away a large number from Oshawa.
Mr J Keeler is home from Toronto for a while. The shop he works in having shut down.
Mrs Harvey was in Bowmanville Monday and Tuesday of this week attending the Methodist conference.
The Oshawa railway company are putting in a new drain under their tracks at the intersection with the G T R line, Simcoe st. Crops in this vicinity with the exception of those on low lands are looking fine. A few more dry sunny days would place everything on the move generally.
Mr Edward Pascoe who has been very ill for some time past, is again looking pale, but we hope to see him in his usual good health ere long.
Mr Rutherford is building a new cooper shop at the rear of his storehouse. He intends manufacturing barrels for his apple business this fall at once.
Mr C A Mallory with assistance of Mr W Mark is making a fine show in the former's new ice cream parlors at the lake. Mr Henry is also arranging his house nicely. What is now required most is fine weather to bring out the crowds.
Reference is made in one of the Oshawa papers to a woman attempting to secure money or tickets under false pretences. We have heard that Station Agent Kain was also visited by her ladyship—in fact that was the first place she attempted to secure money from the Port Huron ticket, but she was unsuccessful, and left for Oshawa to try her luck there. Con-table Goodman was advised by Mr Kain to look out for her, but she eluded all, leaving by some evening train.
Mr Thos. Bickell, living about three miles east of this place, had a fine cow killed by a passing train one evening last week. The cow was on the highway. A large number were turned out to pasture on the roadside, irrespective of the danger of being killed by trains and thereby jeopardizing the lives of railway employees and passengers. Instances have been given, we understand, of animals at large on highway within a half mile of the tracks unattended must in every instance be impounded, in accordance with the law.
This vicinity during last week was fairly infested with hobos. It keeps our constable busy moving them on. They say Oshawa is the best town along the line for the "bumming of chuck" as they call begging for food. Now who is to blame for the large number of these hobo-looking fellows? A little reflection will give you the answer. While admitting some may be worthy of assistance, nevertheless by far the largest number are the worthless bums and criminals who would not work if they could get employment.
