DCAL NEWS LETTERS, off the dust of the village, where trouble had come to them in the early morn, but land come to the land come to them in the early morn, but land come to them in the early morn, but land come to them in the early morn, but of the fact that in passing the by-law mak-ing it unlawful for co-bossies and other four footed critters to run at large. The council had grossly exceeded their jurisdiction, for instance the council may pass a by-law to prohibit the sale of liquor, first having obtained the assent of the electors, hence it follows that the anti-cow by-law is not legal until approved of by the people. This re-markable and important discovery caused the immediate release of the prisoners, and gave them a fair show for their suppers. When the two hungry claiments appeared in the evening to collect their little bills for damages and fees, etc., the man in the pound was in a position to say 'Go hence methodist church here. Mr Brethour is a hose and collect your bills from the township usher. He can seat more people in a given fathers." Dark ages ago it may have been space than one would think possible. thought good law, but to-day it is not worth a brindle cow's horn, and if any of you School closed at No 5 on Friday last when Silkie's Pride or Baby Bess, by the long compelling of county municipal legislators to toe the scratch.
