Some Queer Currency.

Boys in the east sometimes think money a scarce enough article, but they really know little about it compared with what some of their cousins from the far west could tell them. There, says The San Francisco Chronicle, one often goes for days without sight of even so much as a nickel, and then the people resort to all sorts of queer devices to make change.

purchase.

But of all the queer financial transactions that I have ever known, said he, the oddest came under the head of "paying the fiddler." It had been and I agreed to go along with one of the boys and see the fun. After goof blacking his boots and putting on a feetly cured after using four boxes. collar, I saw my companion go to the potato bin and select a dozen potatoes The horse is one of the most nervous and put them in his pocket. No soonwas worth in the 'currency of the Court House, Whitby.

wenty lears....

For more than twenty years we have been telling how Scott's Emulsion overcomes the excessive waste of the system, puts on flesh, nourishes and builds up the body, making it the remedy for all wasting diseases of adults and children, but it isn't possible for us to tell the story in a mere stickful of newspaper type.

We have had prepared for us by a physician a little book, telling in easy words how and why Scott's Emulsion benefits, and a postal card request will be enough to have it sent to you free. To-day would be a good time to send for it.
