Short Notes.

Dog tax in towns is a great imposition. Dog tax in towns is a great imposition.
Such animals are kept for pets, mostly by poor people who cannot afford to have useful animals, and the towns seldom have a ful animals, and the towns seldom have a plain for them, and next Coun Bewell tried to about \$250.

ation did not suit Coun Jackson, neither he ation did not suit Coun Jackson, neither he dia Head, N.W.T., Whitby to Montreal; but animals, and the towns seldom have a plain for them, and next Coun Bewell tried C Austin (a visitor with Mr and Mrs Sylmutton bill to pay. Wealthy people who keep horses and carriages are not taxed for them, nor are they usually taxed for half their other riches, while the poor mans house is always assessed for a half more them it is worth. There is an old saving the reverse of the saving the sa

sented the 34th battalion with new colors, or flag emblems, at an expense of over \$200. loud mumbling, and if one had his eyes comfortably filled on Wednesday night the Now comes an order from the commander-in-chief of the British army to the effect shut he could fancy he was at one of the old-occasion being the farewell social given by that no colors are to be carried in future It sion reigns supreme. All that could be U. An interesting programme was renderis no longer felt to be necessary to hold out said only seemed to muddle Councilors ed. A pleasing feature of the evening was a brilliant flag to indicate the head of the Jackson and Crosby the more, so the mem- the presentation of an address to Mrs Tambregiment as a mark for the enemy to shoot bers clamored for a vote and the item was lyn from the ladies of the WCTU expressive at, or as showing which way the soldiers passed, leaving them to con over the subject of their high appreciation of her services to

Autumn leaves this week. We do not mean by this that autumn leaves, but merely wish to announce autumn leaves. a by-law to prohibit bicycles from being run on certain sidewalks of the town. Leave that leaves are coming out all over autumn, time. Coun Smith again rose with a motion appear. We might further add as a matter of striking information that when autumn sider its whole clause a few to constitute again rose with a motion ing of the British Science Association at into committee of the whole council to constitute address delivered at the recent meeting of the British Science Association at into committee of the whole council to constitute address delivered at the recent meeting of the British Science Association at into committee of the whole council to constitute address delivered at the recent meeting of the British Science Association at into committee of the whole council to constitute address delivered at the recent meeting of the British Science Association at into committee of the whole council to constitute address delivered at the recent meeting of the British Science Association at into committee of the whole council to constitute address delivered at the recent meeting of the British Science Association at into committee of the whole council to constitute address delivered at the recent meeting of the British Science Association at into committee of the whole council to constitute address delivered at the recent meeting and the properties and the second at the recent meeting at the recent meeting and the second at the recent meeting at the recent m leaves leave the trees they leave no other sider its whole clauses. At this juncture leaves behind. And here we beg leave to Coun Noble, who seconded the motion, exleave this highly important matter of leaves plained that he had only done so in order to to be further elucidated by those who will not leave until they have mastered the subject of autumn leaves.

Last weeks Oshawa Reformer waxes in against any clause or all of it in committee dignant because the CHRONICLE, in com- of the whole. The reeve said there were menting upon the Dryden-Smith slander two other bylaws which had to be passed tocase, praised both the principals for their willingness to settle the case, and thus prevent the bitter feelings which the public hearing of the case was likely to stir up. Ever since Mr Smith delivered the speech complained of last winter the Reformer had been in hope that as an outcome of that suit one of the proprietors of the CHRON-ICLE would get besmirched, and it had printed everything it could tending to fan the burning embers of strife into a flame. It was also disgruntled at Mr Dryden just Would you want to shut farmers teams off then because the editor of the Reformer the road? Coun Smith said he would not was not appointed county registrar. It put off his bylaw. He was bound to have a makes no difference to us what position the vote. Coun Bewell said there was nothing is payable whenever the farm is sold, no Reformer takes in reference to Messrs urgent about the matter. For his part the Smith and Dryden. As an independent subject was new to him and he would not paper the CHRONICLE strives to be just to both; but if Mr Smith slandered Mr Dryden in that speech he (as the evidence shows) Smiths bylaw, and had studied the results Good gener also intended to place one of the publishers of such a move. Coun Hayward said he of the CHRONICLE in the same box. When Mr Smith withdrew his words and Mr Dry-den accepted the amend honorable, we felt but could not induce Coun Smith to make but could not induce Coun Smith to do so. FARM TO RENT that it would be in the interests of peace He (Hayward) had offered to second Coun and good fellowship in this riding to use such kind words in regard to both that the incident would be soon forgotten. Not so matter. Coun Smith lost his temper at this barns and drive house with stone founds. the Reformer. It was grievously disap point, and declared these excuses for delay pointed because Mr Henderson had come were mere subterfuge, and that the mem-through unblemished, and holds it as a bers were trying to burk him. The reeve personal wrong done by us because it had moved that the bylaw be laid over to a subnot succeeded in getting ammunition from the hearing of the case to enable it to further assail Mr Henderson. Now it turns round, after praying for a scardal for a year, and cantingly assumes that we have done Mr Dryden wrong in a case where to per, declared that if the matter were voted injure him would be to equally injure one of the proprietors of the CHRONICLE. The The vote was then taken and the reeves Reformer once accused us of sycophancy. motion to lay the bylaw over was carried by We now pass the epithet back.

Met Monday night. Letter from Mrs S Coffey complaining that the relief ordered by the council is not paid to her by the committee. A petition was read from E Sleep and others asking for repairs on the Blair sideline. The report of the inspector of the Canadian Underwriters Association was read showing that the following estras are still demanded: tank near Wm Bürus' residence, heater for steam boiler, two men to sleep at first being through a byte appointing James Pringle through a propointing James Pringle through a propointing James Pringle canadian Underweiters Association was a salary of \$100.
