the boat. The steamer left at once for Colborne and the cook spent the night in the cells. Yesterday there was talk of prosecuting the owners of the boat, but as the injured man had imbibed too freely to lodge a complaint, it is likely the matter will drop.—Cobourg Post. The cook, Robert Clefton, was, until recently, employed at the Royal hotel here.

About Good Roads

It is frequently remarked by people whorder of the boats of the corporation are easily determined by the corporation are easily determined by the state of the roads. That the roads are better in the adjoining townships is apparent to the most causal observer. Why should this be since the money expended on the town roads are roomed and the cook spent the night in the cells. Years, and the county authorities thought of the case it was since the money expended on the town roads are roomed and the control for some town and his revery sound mind. For some town and his revery sound mind. For some town and his revery sound mind. For some the tent to two and his revery sound mind. For some the tent town and his revery sound mind.
