### CHRONICLE CORRESPONDENCE.

#### Town Line

Mrs Walter McGregor is able to be out again. We believe Mr Gimblet intends having a sale about the middle of October. The teachers and pupils were granted a holiday on Tuesday, to enable them to attend Whitby Exhibition. Visitors.—Mr and Mrs G. W. West, Little Britain, and Mr and Mrs A. H. West; Mr. and Mrs. Anderson, Toronto, at Mr. and Mrs. Walter McGregor's.

Our prize winners at Whitby Fair are—Mr. James McGregor for fruit and honey. Mr. Ed. Hall, three first and two seconds for Cotswold sheep, and Mr. John Gimblet, second prize for single driver. We hope Mr James Rowe and family will decide to remain in our neighborhood. We could afford to lose such a highly respected family. We have not heard if Mr. Rowe has rented the farm at present occupied by Mr. Gimblet. The Oke and Harrison Affair.

There is a doubt if there will be enough left to pay Mr Oke's claim for rent, after other expenses are paid. The chattels, &c., will have to realize more than one thousand dollars to let Mr. Oke cut all right. Mr. Oke has not fully decided what to do with his farm until after the sale.

#### Baggotville.

Mr Wm Gordon and family, former residents of this place who have for some years been living in Toronto, have returned to take up their abode with us. Three of Mr Thos Lyndes family, including Mr Lynde himself, are very sick with the fever. That dreaded disease takes its own time, considering their recovery is very slow. It is not very often, we regret to say, that we have the exquisite pleasure of reporting a wedding in our vicinity. But orange blossoms and wedding chimes made our hearts glad on Wednesday of last week. It was the occasion of the marriage of Miss M. Sonley to Mr. F. Hancock. The ceremony was performed at 4 20 p.m., on the lawn of the bride's father. A few sparkling drops from a passing shower threatened to kiss the bride and groom as they stood under the archway. The bride and groom were given but they turned another way to gladden hearts less blithe. Taking with them the good wishes of a large number of guests, the merry couple started on a tour northward. After their return, they intend taking up their abode in the western townships. We extend to them our hearty congratulations and best wishes.

#### Whitvale

Pork and wheat is the stuff to possess these days. Potatoes are about as dear in the city as peaches. Mr Judson Pugh was with friends in the city last week. Quite a number attended the Whitby exhibition this week. The Misses Major entertained a number of friends on Monday last. Mr Wm H Major has been back north buying up feeders and lambs. Mr and Mrs E W Annis of Oshawa, were at Mr J H Pugh's on Sunday last.

Mrs J Turner, of Stouffville, was here with her friends last week for a short time.

Mr and Mrs McIntyre of Detroit, have lately been visiting friends and relatives here.

Quite a number of friends and relatives queued out to Maple Avenue on Sunday last.

Miss Tool is progressing very nicely although the bullet has not yet been extracted from his knee.

Mr Jacob Turner has somewhat improved since he went to the hospital, and intends coming home this week.

We notice by the Toronto papers that Miss Hattie Day, a sister of our former school teacher, is not a severe bringing in an elevator while visiting friends in Cleveland.

Mr Adolph Thompson has purchased a wagon from the States with steel wheels, and has taken out an agency for the same. He is exhibiting it at some of the fall fairs.

#### Orebank

Mr Norman Craig, who has been teaching at Ashburn since the summer holidays, was home over Sunday. He speaks very highly of the Ashburn people.

There was a large attendance at the Methodist church on Sunday evening to hear the annual S. of T. sermon, which was preached this time by the Rev. D McCamus of Port Perry. He took for his text the words, "Be not drunk with wine wherein is excess, but be filled with the spirit." It is hardly necessary to say that the subject was handled in a most convincing manner, and many good points were made. He aptly described moderate drinkers as decoy ducks for the saloon keepers.

The following are the S of T officers for the current quarter: W P. George, S. H. W. A. Miss Maggie Blair; R S. Arch McArthur; A R. S. Edgar; C. F. S. J. Phoenix; Treas. Alex. Ewen; Chap. W. Phoenix; Con. John Love; A. C. Victor Jameson; J. S. Bert Dobson; O. S. Miss J. Thie; P. W. P. R. Micie. A contest is ready to start at the next meeting led by Miss L. Salter and G. Miller on one side and Bert Dobson and C. Miller on the other. A large sized boom is expected before the quarter is done.

A special meeting of the members and supporters of the Presbyterian Sunday school was held on Wednesday evening last for the purpose of choosing a superintendent to take the place of Mr James A Miller, who is leaving to attend Knox college in preparation for the ministry. There was a fair attendance and the superintendent occupied the chair. Five were nominated and on the second ballot Mr George Miller was declared elected. After some other business was attended to Mr E. Bewell in behalf of the school presented the retiring superintendent with a purse of money as a token of the esteem in which he is held by the school. Mr Miller, who was taken completely by surprise, made a feeling reply, thanking the school for the many kindnesses shown him, and wishing the school continued success. Mr Miller has a host of warm friends who wish him God speed wherever his lot may be cast.

#### Audley

Mr Rundle is still the same. No news, for Whitby fair had us all. Richard Packin is proud of his baby girl. Chapman Bros, threshers, were in the vicinity recently.

S Westway attended Woburn fair as judge of strains and tests.

Inspector McEwen left a favorable report of his visit a few days.

Chapman Bros sale is on the 9th of October when their large list of pigs, sheep and cattle will no doubt sell well. They intend attending school soon. They have been farming the 30 acres across the road from their father, who will continue on the home place. We hope for a favorable day.

#### BROOKLIN

A B Chinn, of Toronto, was home over Sunday. S Beall has had the exterior of his residence renovated. Mrs Geo Roberts, of Toronto, was with friends here over Sunday.

W Tomlinson, of Toronto, is here on a visit and will remain for three weeks. Miss H Allems was home from London during the last week of her father's illness.

Mr E R Edly will have charge of a discussion on "Vertical writing" at the teachers convention in Uxbridge next week.

S E Brador, G T R agent, has been off duty this week through illness. Mr Bateman of Port Perry, is in charge of the station.

Wm Mathewson left for Detroit on Monday where he will spend the winter. Mrs Tomlinson, his house-keeper, went with him.

The special children's service of the Presbyterian church will be held in the school room of the church here this (Friday) evening.

Frank Bowles has been here for a few days being on the sick list. He hopes to be able to return to his duties in the Union station at Scotia Junction.

The W F M S of the Presbyterian church have been fortunate enough to secure Rev Mungo Fraser, of Hamilton, to give his lecture "From Egypt to Jerusalem and around it" in connection with their annual Thanksgiving day tea.

James Chisholm, of Port Perry, a brother of Mrs James Routley died quite suddenly last Tuesday. The announcement of his death was a great shock to Mrs Routley who had heard from him but was getting on alright. He was sick with typhoid fever.

Our sharp shooters did good work at the five matches in Uxbridge last week. No 6 Co brought home the Chapple and Dillon cups and several of the members won upwards of eight or ten dollars in cash. Messrs O Crummer, James Harvey, W McBrien and F Pierce made up the Brooklin contingent.

The Court of revision of the township lists met on Thursday, Judge Dartnell presiding. Lawyer T E McMillan represented the Conservative party, and Lawyer F Grieson the Liberal party. The liberals entered 49 appeals of which 35 were sustained. The Conservatives entered 35 appeals, of which 28 were sustained, and a held over.

The apparent results are as follows: Liberals gained 17, lost 12. Conservatives gained 5, lost 17. Net gain for Liberals 14. The other alterations do not change the former standing of the parties.

For some time we have harbored bad feelings against T H Wilson. We have noticed when driving about the county, whether north, south east or west, much of his artistic penmanship decorating large stones, fences and the dead walls of buildings but never did he do anything in this line in his native town. But the medicine man and doctor for past years in Brooklin as Miller in charge of the brick mill which was then just two years built. After over thirty years had been spent here he went to Columbus mill where he remained for seven years afterwards returning here. He was a shrewd, respected and estimable man, his cherry complexion and hearty fellowship will be much missed in this community. The deceased was born in the county of Suffolk, England, sixty seven years ago. The family came to Canada when he was twenty years old and settled in Nova Scotia. Here Mr Allen's learned the milling business and continued it to the end of his days. In 1840 he came west and took charge of the Pat mill in 1850 he came to Brooklin as miller in charge of the brick mill which was then just two years built.
