A BOYS SUFFERINGS.

ATTACKED WITH INFLAMMAT ORY RHEUMATISM AT AN EARLY AGE.

Each Successive Year Brought Fresh Attacks With Increasing Severity Until friends. He Was a Physical Wreck.

From the Sun, Bellevile. Mr and Mrs W R Kelly are people who are deeply grateful for a kind intervenof Providence whereby the life, last week. health and happiness of their twelve year ols son, Master Harry, had been restored and preserved. Mr Kelly is one of the known conductors on the Midland of week. division of the G T R, and is now residing in this city. A Sun reporter having ing, was here on Sunday evening with heard of the cure of the little fellow and Mrs Kennedy. the joy of his parents, called at their home and was met by Mrs Kelly, who on being informed of the object of his visit, at once told the story of the cure and how the results were attained. We were living in Madoc when our boy was Buffalo on Saturday, after spending a Your Grocer will give you particulars, or about five years of age and in the spring few weeks with her sister, Mrs. I went to call him one morning. He re- Crooker. plied to my call by saying he could not rise. I at once went to him and found an old resident of Atha, is visiting her that he was unable to walk. Despite all

we could do he was again attacked in the next spring. You can imagine the fear and dread with which we watched these recurring attacks, each one more severe than the last, and each one leaving our boy in a worse condition than those that went before. His last attack confined him to bed for three months and his heart was dangerously affected. His aufferings were terrible, and it was pitiful to see him trying to carry food to his mouth. His nervous system was so shattered that a form of St Vitus dance had affected him, and his hand and arm trembled so that he could not feed or aid himself. Some friends advised me to try Dr Williams Pink Pills and recommended them so highly that my husband and myself decided to try them. We gave them to Harry for several months and when the spring came watched anaxiously, fearing a return of the trouble.

ONE HONEST MAN.

Dear Editor.—Please inform your readers, that if written to confidentially, I will mail, in a sealed letter, particulars of a genuine, honest, home cure, by which I was permanently restored to health and earlier years of suffering from nervous debility, sexual weakness, night losses and weak shrunken parts, I was robbed and swindled by the quacks until I nearly lost faith in mankind, but thank heaven I am now well, vigorous and strong, and wish to make this certain means of cure known to all sufference. I have nothing to sell and want no money, but being a firm believer in the universal brotherhood of man, I am desirous of helping the unfortunate to regain their health and happiness. I promise you perfect secrecy. Address with etamp, WM. T. MULFORD.

Agents' Supplies, P.O. Box 59, St. Henri, Que. xiously, fearing a return of the trouble, but were thankful and delighted to see no symptoms of it, nor has he been troubled for the past three years. "What is the condition of his health at present?" asked the reporter. "He is as sturdy and as healthy a boy as parents could wish for. I attribute his recovery and present health to nothing but Pink Pills, and I cheerfully recommend them to all."

Rheumatism, sciatica, neuralgia, partial paralysis, locomotor ataxia, nervous headache, nervous prostration, and disesses depending upon humors in the blood, such as scrofula, chronic erysipelas, etc, all disappear before a fair treatment with Dr Williams Pink Pills. They give plexions. Sold by all dealers and post plexions. Sold by all dealers and post SKIN by addressing the Dr Williams Medicine Co, Brockville, Ont. Do not be persuaded to take some substitute.
