Rheumatism & Dyspepsia Cured

571 ST. PATRICK ST., OTTAWA, JULY 31, 1896. To the Phrenoline Medicine Co., Ltd., Ottawa, Ont.

Gentleman.—On the advice of a friend I tried one bottle of your famous rheumatic remedy, Phrenoline, and to my surprise it cured me of rheumatism, from which I have suffered for many years.

It also cured me of dyspepsia, from which I was suffering at the time, so that I feel now like a new man.

I have tried several remedies for rheumatism, some of which did me a certain amount of good, but nothing that I have taken has done so much for me as your Phrenoline, and I have much pleasure in recommending it to other sufferers.
