Reasons for Lighter Hogs.

the public," remarked a farmer, who had raised and fed a fine lot of hogs for market, when he was informed that though his hogs presented a good appearance they were too fat and too heavy for the packers. If he had consulted the packers before he had fed so much, grain and other foods, or asked the consumers in the town what kind of pork they favored. large packing houses are continually warning farmers against raising heavy They give as reasons that the English market calls for long, lean bacon, and such is the case. But if the we have sufficient reason for going out of the business of raising heavy hogs.

"Whether hogs are bought alive or dressed by the packing houses, the price per pound is reckoned on both pork and lard. Now we have a substitute for lard placed on the market, composed of mutton, beef tallow and cottonseed oil, which he sticks his nose into the can and tells can be sold cheaper than the genuine the patron to leave the milk uncovered to article. It is not considered as good as let the "cowy" odor escape. Would he the lard, but it appears to "fill the bill," and it is not to be wondered at that packers are calling for less fat pork. In coming to the producers part of the

question, we have many times endeavored to prove that a pound of pork can be produced cheaper on hogs under 200 pounds in weight than after they have passed that stage. Small-sized hogs are also more suitable for the dairy farmer, as he can utilize the waste products from the dairy to better advantage. Experiments have proved that hogs can be raised as on corn when it is fed alone. The corn, If your hog is sick, a vermifuge, such as being rich in carbohydrates, produces fat tein, and produces more lean meat. At stronger bone and muscle. POURES GUARANTEED OR NO PAY!

GOLD FOR A CASE WE CANNOT CURE OF SELF-ABUSE, EMISSIONS, VARICO-CELE, CONCEALED DRAINS, STRICT-URB GLEET, SYPHILIS, STUNTED PARTS, LOST MANHOOD, IMPOTEN-CY, NERVOUS DEBILITY, UNNAT-URAL DISCHARGES, ETC.

The New Method Treatment is the Greatest Discovery of the Age

FOR CURING THESE DISEASES Thousands of young and middle aged men are annually swept to a premature grave through EARLY INDISCRETIONS, EXCESSES, AND BLOOD DISEASES. If you have any of the following symptoms consult us before it is too late. Are you nervous and weak, despondent and gloomy, speaks before the eyes with dark circles under them, weak back, kidneys irritable, palpitation of the heart, bashful, dreams and losses, sediment in urine, pimples on the face, eyes sunken, hollow cheeks, careworn expression, poor memory, lifeless, distrustful, lack energy and strength, tired mornings, restless nights, changeable moods, weak manhood, stunted organs and premature decay, bone pains, hair loose, sore throat etc.

YOU HAVE SEMINAL WEAKNESS! OUR NEW METHOD THEATMENT alone can cure you, and make a man of you. Under its influence the brain becomes active, the blood purified, so that all pimples, blotches and ulcers disappear; the nerves become strong as steel, so that nervous ness, bashfulness and despondency disappear; the eyes become bright, the face full and clear, energy returns to the body, and the moral, physical and sexual systems are invigorated; all drains cease—no more vital waste from the system. The various organs become natural and manly. You feel yourself a man and know marriage cannot be a failure. We invite all the afflicted to consult us confidentially and free of charge. Don't let quacks and fakirs rob you of your hard carned dollars.

We will ours you or so pay. HAS YOUR BLOOD BEEN DISEASED? SYPHILIS is the most prevalent and most serious BLOOD disease. It saps the very life blood of the victim and unless entirely eradicated from the sys-

tem will affect the offspring. Beware of Mercury, HEREDITARY BLOOD DISEASE.

It only suppresses the symptoms—our NEW METHOD positively cures it for ever,

YOUNG OR MIDDLE-AGED MAN—You've led a gay life, or indulged in the follies
