Short Notes.

Reform always takes people by spasms, and when it is sweeping things with a loud clamor it is always safe to predict that corruption and lawlessness are on the eve of becoming rampant. Four years ago Dick Croker ruled New York and Carter Harrison Chicago. In each case an investiga- evidence is very conflicting, the case is an intion revealed a state of tyranny, extortion tricate one of law, and judgment was reserved. and robbery which appalled the whole Dow for plaintiffs; Macdonald, Toronto, for de- was not even looked for when the Gazettes world. Then followed a great shaking up. Carter Harrison was assasinated, and Croker was defeated so effectually that Tammany was supposed to be gone forever. The reform movement did not last long in Chicago, but Col Strong, an able and conscientious man has for four years given New York honest and fgood government. The American idea-which prevails in Canada year. and the United States-that nearly everybody on the winning side must have a pull roads received a thorough washing, but are printed again it saves 20 cents. The people at the loaves and fishes, soon caused all who again dry, were disappointed in their hopes of a grab in the name of reform to unite with Crocker in New York and a younger Carter Harrison in Chicago, and the worst elements of lawlessness are installed in the government of New York and Chicago For the next four years Tammany is assured of rule in Greater New York, and it is estimated that years. it will handle \$300,000,000 of the peoples on Friday last with the Varsity football "Heart Songs" is a well chosen name for Everybody will now have to flock to the ing friends. halls of Tammany and pay tribute and nothing | The executive committee of the Bay of George N Morang, Toronto. Mrs Blewett else looked for but a reign of terror. What Quinte conference epworth league held a is already well known by the large circle of is termed a wide open policy will be inaug- meeting in the lecture room of the taber- readers who see the Toronto Saturday urated which means that there will be no nacle on Thursday. Arrangements were Globe where her quaint, and wonderfully law for those who are on the right side or entered into and the outline of the pro-true studies of quiet country life in Canada who will pay large sums of money for the gramme made for the convention of the under the general title of Narrowbrook, and privilege of violation of law. All this goes league to be held in February next. The the Neighbors have won all who have been to show how unfit people are to choose their committee has decided that henceforth dele fortunate enough to read them. "Heart rulers even in this age of education and sup- gates should pay their own expenses, the Songs" will widen and confirm this gifted posed honesty of purpose.

A case of some moment to owners of dogs and ducks was decided by Lawyer Frank Born Denton of Toronto, acting as substitute for Judge Dartnell at Cannington two weeks to Rev Mr and Mrs Broughal, a daughter. ago. It was shown that Millers dog entered Six weeks subscription free. Shiers duck enclosure on a certain forenoon and wormed the ducklings. Shier chased him off. The brute again appeared after CHRONICLE free till Jan 1st 1898. Come in dinner, and while in the enclourse was shot with your names. We mean what we say. and killed by Shier. The judgment held Alger released. that dog away once, thereby showing that general satisfaction. he had no special spite against the canine; Broken shoulder. but the limit to Shiers patience came when after cinner he spied the brute again, and he shot it. He shot it in order to protect his modelites kicked a goal when several small property from harm. But the law is brought in and a man who prevented harm being Chas McLaren the gool keeper, for his lack done is fined. Doesnt it seem as if justice of skill. McLaren, in going after the ball was working an injustice? The question passed close by Clarence Henderson, and arises, how often must a man drive a worry- catching him by the back of the neck threw ing dog away before he dare shoot it? The him so violently to the ground as to break law perhaps means that a man should drive his collar bone. the dog away, and then chase it to its home, and warn its master, who will thenceforth be responsible. But we will at once realize what vexatious difficulties might here arise. here yesterday afternoon and unanimously It is no easy matter to trace a dog to its and enthusiastically nominated Mr Chas. home, and further there appears the dis- Calder as their candidate for the local legis couraging prospect that when once the animal is home, it may take courage and turn Calder is a wealthy farmer of Whithy town- regular quarterly service at Brougham. S. the tables legally upon the pursuer. He has ship, has filled all its municipal offices in no legal option but to turn and be chased turn, and is now a County Councilor for the home in turn. Then, again, think of the Whitby district. He is a man of reserved Monday envuiring for pigs. Prices now rate 4 time and energy a man would lose by trac- manner, but has devoted a good deal of cents per pound on foot, ing a dog to its home. One collie is much time to public business. Mr Calders farm like another; suppose in tracing collie No. 1 abots that of Hon John Dryden on the rear the tracer get switched off onto No. 2. It is of the same concession. He is a bachelor, the Greenwood creamery, not over a certain age, fair complexioned. There is every probability that lawsuits handsome, and a prime favorite with the galore for false imputations against the re- fair sex. A full report of the nomination putation of collie No. 2 will feed fat the meeting will be given next week. purse of the lawyer. Then there is the ques-tion of damages. The value of the dog is There has already been six months of the value it has in the eyes of its owner. plentious green fodder for stock this year, Some measly, thoroughly half-caste mon-grel might bring a fabulous sum, relatively still growing lusciously. Besides this, there speaking. Here is a chance for some wide-awake speculator to go into the dog-worry-ing-duck business. It seems odd that the law allows a man to shoot a weasel that en dangers the lives of his ducks, but not a dog -because the Lord owns the weasel, and is plenty of winter feed, and feeding may be man the dog it separate as it the possecond of the Lord do not cut a cut
