> ONE HONEST MAN. Dear Editor.—Please inform your readers, that if written to confidentially, I will mail, in a sealed letter, particulars of a genuine, honest, home cure, by which I was permanently restored to health and manly vigor, after years of suffering from nervous debility, sexual weakness, night losses and weak shrunken parts, I was robbed and swindled by the quacks until I nearly lost faith in mankind, but thank heaven I am now well, vigorous and strong, and wish to make this certain means of cure known to all sufferers. I have nothing to sell and want no money, but being a firm believer in the universal brotherhood of man, I am desirous of helping the unfortunate to regain their health and happiness.
