

NO LOSS JUVENILES WIN LEAGUE TITLE

Juveniles Romp to Victory Defeating Port Hope 9 to 2 In Opening League Playoff

By Jim Clark

Displaying the same devastating power that they possessed in league play, Bowmanville Juveniles demolished Port Hope 9-2 Saturday night in their opening playoff performance.

Before a crowd of 350, Mike Osborne's boys continually swirled around Capper in the Port Hope cage.

While the Port Hope hump guard was being bombed with 42 drives, Grant Wright had a comparatively peaceful evening between the uprights for Bowmanville, tested with merely 29, many from a comfortable distance away.

Brenton Hughes, Gary "Machine Gun" McCullough, and Irv "Pancho" Gill supplied Bowmanville with seven of their nine goals, with Brent and Gary each collecting three, Bill Osborne, and Terry Black bagged singles. Record, and Knight were Port Hope's marksmen.

Bowmanville Juveniles whipped Port Hope 10-2, Monday night in the hilltop town to take the best of three league championship series in two straight games. The victory was the locals' 18th of the season, without a loss.

Port Hope wasted no time, scoring in the first minute, but the lead was short-lived.

Brent Hughes scoring his first of five goals at the 1:04 mark. Within four minutes the score was 3-1, as the powerful Bowmanville attack began to roll. Only the outstanding play of Capper in the locals' net kept the score from being doubled.

Hughes also picked up a

couple of assists along with his five goal effort. Jim Rickard moved up to the forward line and collected a pair of markers, with singles going to Terry Black, Irv Gill and Gary McCullough. Gill, continuing his fine play of Saturday night, drew three assists.

Mixed Bowling League

Joe Nowlan's team defeated Jim Cox's cellar-dwellers 5-2 and Jack Bond's bowlers won over Elton Brock's outfit by the same score, to leave both victors deadlocked at the top of the standings.

Art Spicer's crew hung a similar setback on Cec Mutton's team to remain in the runner-up slot, two points off the pace. Fred Luxton's club shot up to third position, on a 7-0 shutout over Bob Mitchell's pin-droppers, while "Bud" Edmondson's bowlers edged Pat Yeo's squad 4-3, to break into the win column.

Averages continue to be exceedingly high (the high averages that is), as the Mixed Leaguers again broke the 700 and 300 barriers several times. "Duke" Brunt set the pace with a 758 triple, followed by Jack Bond 736, Art Spicer 724, Elton Brock 705, Onie Etcher, the only lady over 600 at 682, Bob Yake 663 and Jack Brough 651.

Pee Wee All-Stars Win 6-5

Bowmanville built up a 5-0 lead by the mid-way mark of a Pee Wee All-Stars clash at the Memorial Arena Saturday, and then nearly blew the decision, hanging on to win 6-5.

The locals started to coast, but Cobourg bounced back, scoring four in a row, before Bowmanville finally hit the score-sheet late in the game. The defence, in particular, played as if a five goal lead meant certain victory, giving goal-keeper Bob James practically no support.

Don McMurter paced the homesters with a pair of markers, while Steve Burns, Pete Werry, Walter Rickard and Terry Walton added singles.

Kelly was the pick of the 141 visitors with two goals. Bradford, Massey and Ryan each scored once.

Pee Wee League

In the first Pee Wee League game played last Saturday morning the Giants scored once in each period to defeat the Canadians 2-0. Roger Swan and George Leadbeater accounted for the Giants' two goals. The win moved the Giants into a first place tie in the playoff standings.

In the second Pee Wee game the Bruins came up with one of their best games of the season to tie the Red Wings 2-2. Bob Thompson and Randy Dewell (Jimmy Kinney) were the goal scorers for the Bruins. Dennis McFeeters (Dennis McDonald) and Bruce Barrett (Paul Lucas) accounted for the Red Wings' two goals. In the third Pee Wee game of the day the Bears defeated the Hawks 6-3 to move into a first place tie with the Giants. Donald Murphy was the big scorer for the Bears collecting two goals and three assists. Donald Rogers (D. Michael) and Shuttlesworth, and Bill Summersford accounted for the Bears' other goals. Michael Bothwell scored two goals for the Hawks while the third Hawks goal was picked up by Dalton Dykstra. Bud Knight who pulled the trigger. This completed the scoring, but Bowmanville continued to pour it on, with Alex Wiseman, Bill Osborne, Brent Hughes being beaten by the agile antics of Capper, who had to be superb, particularly robbing Alex, who was constantly busting in on the Port Hope goal. There were five penalties in the third period, with Bowmanville picking up three of them. Port Hope claimed six of the nine infractions called over the game.

Alex Wiseman came up with a terrific effort, although he picked up only one assist. This is a perfect example of a standout effort, despite the fact that it may not be on the score-sheet.

Brenton Hughes, Gary McCullough and Irv Gill picked up 20 points between them, and all three gave an honest night's work, with Gill playing one of his best games. Pancho did the spade work on several plays, as he picked up five rewarding assists.

Regardless of the score, Bowmanville's defence never fails to come up with a tremendous effort, and Saturday night was no exception, despite the fact that they weren't overburdened.

Depew (2) and Jeff Gilhooly (David Stutt) and Tom Cook accounted for the Barons' two goals.

In the fourth and final Pee Wee game the Rangers picked up their first win of the season only to lose the game by default for being over ten minutes late in starting the game. In the exhibition game that followed the Rangers defeated the Leafs 3-1 with John Connors collecting all three Rangers' goals. Terry Smith collected the Leafs' lone goal.

In the first Bantam League game of the day the Braves and Tigers played to a 2-2 tie. Irv Colwell (Larry Lunnaman) and Larry Lunnaman (Brian Forsyth) scored for the Braves. Ricky Gay and Ray Adcock (Ricky Gay) were the goal scorers for the Tigers. The Tigers collected two of the three penalties handed out in the game.

In the second Bantam game of the morning the Flyers scored three last period goals to defeat the league winning Lions 3-0. Eric Fernlund, Peter Bothwell (Gene Balson) and Paul Peterson (Phillip Bragg, Gene Balson) accounted for the Flyers' goals. The win moved the Flyers into sole possession of first place in the playoff standings. The Flyers collected two of the three penalties handed out.

In the third and final Bantam game of the morning the Cubs scored twice in each period to defeat the Huskies 4-1. David Kerr (2) and Taulie Thompson (2) accounted for the Cubs' goals. Bill Embrough (George Ball) accounted for the Huskies' only goal early in the first period.

In the first Atom game of the day the Bombers defeated the Indians 7-1, but the game has been protested by the Indians on the grounds that the Bombers used irregularities in changing lines. Joe Hirocock, Bob Howes, and John Taylor each collected two goals for the Bombers. Larry Connors accounted for the Bombers' other goal. Bobby Ellis (Johnny Olyer) scored the Indians' only goal.

In the second Atom game the Rams scored three times in the first period to defeat the Barons 3-2. Brian Peters (2) and Bruce Welsh (James Scott) were the goal scorers for the Rams. David Wiggins

(David Stutt) and Tom Cook accounted for the Barons' two goals.

In the first Midget-Juvenile game the Maroons defeated the Orphans 3-2 to move into a first place tie in the playoff standings. David Werry (2) and Bob McManus accounted for the Maroons' goals. John Twist (2), Leo MacLean and Robert Willis picked up assists on the Maroons' goals. Doug James accounted for both the Orphans' goals with assists going to Paul Matton (2) and David Thompson. Donald Smith of the Orphans collected the only penalty of the game for high sticking.

In the second Midget-Juvenile game of the day the Rockets defeated the Generals 3-4 to move into a first place tie. Grant Flintoff, Ray Grombie and Richard McLean each collected two goals for the Rockets. Bruce Ogden and Robert Blackburn picked up the other goals for the Rockets. SUN LIFE ASSURANCE COMPANY OF CANADA
ONE OF THE GREAT LIFE INSURANCE COMPANIES OF THE WORLD

Over Billion Dollars Of New Life Insurance Sold in '59 by Sun Life

Sun Life Assurance Company of Canada sold more than one billion dollars of new life insurance in 1959, a record year in increased earnings. Mr. J. B. J. Wansink, C.L.U., manager of the Sun Life branch in Peterborough announced here February 9, following the company's 89th annual meeting in Montreal.

Mr. Wansink said the record year in increased earnings will result this spring in adoption of increased dividends to the holders of most classes of participating policies. About \$38,700,000 will be paid in policy dividends in 1960.

The Sun Life sold \$1,041 million of life insurance in 1959, 5.2 per cent more than in 1958, bringing total insurance in force with the company to \$8,938 million. Group life insurance accounts for \$3,319 million of the total, and new group life insurance sold in 1959 was \$312 million.

Payments to Sun Life policyholders and beneficiaries totalled \$179 million in 1959—\$705,000 for each working day—an increase of \$20 million over 1958 payments.

Income from all sources was \$372 million.

Mr. Wansink said the Sun Life continued its policy during the year of investing funds in community projects, such as housing developments, shopping centres, industrial plants and public works. Residential mortgages comprised an important part of new investments by Sun Life in 1959. Assets at year end amounted to \$2,307 million—\$92 million more than a year ago—of which \$551 million was in mortgages.

He said rising interest rates through 1959 made it possible for Sun Life to earn a 4.9 per cent net on its assets during the year, as against 4.28 per cent net in 1958.

At the company's annual meeting in Montreal, President George W. Bourke spoke about the "double duty" dollars of life insurance.

The phrase, he said draws attention to the fact that policyholders' dollars, "besides providing protection for families and savings for old age, aid the economy when invested by the company in thousands of community projects. These dollars earn interest which is paid to policyholders in dividends, and to both policyholders and beneficiaries in policy benefits.

"The individual life insurance policy has, for many years, been one of the main avenues for the savings of our people and an important part of our national savings."

Mr. Bourke said the increase in productive facilities, services, and consumption has been going on in Canada at a faster pace than the country's financial capacities permit.

"In keeping with the common pattern for rapidly developing countries which are rich in natural resources, Canada has been devoting a relatively large percentage of her total income to expanding capital facilities and has been drawing on the savings of other countries to assist in this regard.

"The implications of further extension of such large external borrowing should be carefully considered in the short term and also the long term interests of our country."

A country's rate of growth, he added, must be determined by the ability and the willingness of its people to save. Savings, moreover, benefit both the saver and the economy as a whole—the twin goals of life insurance itself.
