FIVE-PIN GOLDEN ANNIVERSARY

Did you know that 1960 commemorates the Golden Anniversary of 5-pin bowling? Thomas Ryan of Toronto created the game in 1909 to satisfy the Toronto Bowling Club's desire for a faster, less strenuous game than 10 pins. He made the pins smaller, cut their number in half, and substituted a smaller ball.

The fast and lighter game was approved quickly and in 1910 the first 5-pin league was organized and soon spread across Canada. The first known perfect score was rolled in 1921 by Bill Bromfield.

Everyone in Bowmanville is well acquainted with Alfie Shrubbs' racing records, but this reporter was surprised to find Mr. Shrubbs' name in bowling history, also. "The first recorded game having a score of over 400 was bowled in 1918 by Alfred Shrubbs, a famous English long-distance runner, then living in Canada".

Don't forget to enter the "Masters" 5-Pin World Championship, open to all male bowlers. Qualifying rounds of 10 games will be bowled at Liberty Bowl, with no entry fee required. First prize is an Austin Healey sports car and \$1,000.00 cash. That's not the Liberty Bowl prize, but the winner of the final round at O'Connor Bowl in Toronto.

CENTRAL ONTARIO BADMINTON TOURNAMENT

The highlight of the Bowmanville and district badminton season, in this reporter's opinion, is the Central Ontario Badminton Championships, which are being played here Friday and Saturday. This will be the third straight year that the local club has hosted the tourney, with entries from Oshawa, Port Hope, Picton, Trenton, Peterborough, Bowmanville and possibly several other places.

For many years the Bowmanville Badminton Club dominated the championships, but recently Oshawa's Flying Club has been the powerhouse. George Long and Ken Smith will be on hand to defend their titles, but Doreen Reddoch, fourth ranking Ontario player, and Kay Hopkins have been barred from the tournament.

Chief hope amongst the Bowmanville players will be the team of Gary Tighe and Bill Burgess. After playing in the finals for five consecutive years, the team was broken up when Tighe was living in Oshawa, but now they are back together again, and Gary will be shooting for a final berth for the ninth straight season.

Spectators are welcome to drop in any time to watch badminton at its best. The schedule for events is as follows: Friday, 7:30 p.m.—Men's and Ladies' Doubles, including consolation.

Saturday morning, 10 o'clock—Men's & Ladies' Singles. Saturday afternoon, 1 o'clock—Mixed Doubles. 4 o'clock—Veterans' Doubles. Saturday night, 7:30 o'clock—Finals. Lunch and Dance following Finals.

NO MIDGET TITLE THIS YEAR

Bowmanville didn't get very far in defending their Ontario Midget Championship, this year. The locals didn't get past the first round, losing 10-1 and 8-0 against Whitby. With many Midget-age players moved up to the Juvenile Club, this team was forced to build up from scratch, and certainly bore no resemblance to last year's title-holders.

Undoubtedly Whitby were the better team, but if they get very far it will be surprising. However, this reporter can't remember seeing a Bowmanville team that for the most part didn't even appear to be trying. Several fans told us that they didn't think the boys cared whether they won or lost. We don't expect to win all the time, but if this attitude is correct it's too bad. Trenton were no match for the Juveniles, but they kept in there all the way. When they finally scored a goal, this scribe was in the Trenton dressing room. One of the players raced in from the bench to tell an injured member of the team, and you'd have thought they had won the game.

JUVENILES RACK UP 20th STRAIGHT

Bowmanville Juveniles advanced into the third round of O.M.H.A. play, taking Trenton twice to rack up their 19th and 20th wins of the season, without a loss. The toughest opposition to date was encountered last night when the Juveniles met the powerful Oshawa Juveniles. No report on the game is available, as the game was played after the press deadline. There is also a possibility that St. Mike's Juveniles will be here Saturday night.

TOWN LEAGUE PLAYOFFS

Ken's Men's Wear will be facing elimination when they meet Hooper's Jewellers to-night at 7 o'clock. A few eyebrows were raised last week, when Hooper's, with only three regular season wins to their credit, battled Ken's to a 3-3 standoff. But the Jewellers proved it was no fluke, edging the Men's Wear club 5-4 in the second game, and only need a tie to-night to take the four-point series.

GOODYEAR LEAGUE PLAYOFFS

Sunday afternoon at 1:30 the Fan Belts and Hose will tangle in the second game of a best-of-five series for the league championship. The Fan Belts posted a 3-0 shutout in the opener and are strong favorites to wrap the title up in three straight.

Teenage Bowling

Don Oke's outfit defeated Tom Mason's team 5-2 to break the existing first place deadlock between the two teams, in Saturday afternoon's boys' league action. Other big totals were carded when Jim McKnight's crew moved to within a point of Oke and Larry Thompson's team stayed a single point back of McKnight, as John Rundle and John Phillips were held off

the score sheet for the second straight week. Lee Rackham rolled 211, 256 and 212 to take high tri-ple honours with a 679 total. Other big totals were carded when John Carter and Howard Rundle both at 601. 200 games went to Larry Thompson 256, Bob Hellam 245, John Carter 243, 200,

Helen Vanstone's team blasted Brenda Oke's outfit 7-0 to take undisputed possession of first place. Marilyn Moore's club also swept to their second straight win, but slipped two points back. Connie Osmond's bowlers were on the short end of a 5-2 score, and Linda Brookings' team dropped their second tilt, losing 5-2 to Virginia Brown's crew.

Virginia Brown had a good afternoon, rolling 264, 210 and 190 for a fine 664 triple. Berta Higgin had 268 and 578, while Karen Beauprie bowled 274 and 510.

Legion Bowling

The three top teams continued their own first place battle, last Tuesday night, as Keith Yeo's outfit took over the league leadership on a 5-2 win over Bill Veitch's cellar-dwellers. Ernie Perfect's crew dropped from first to third as Doug Taylor's team, whipped them 7-0 to take over the runner-up slot. Bill Bates' bowlers defeated Frank Samis' club 5-2 to consolidate their hold on fourth place.

Arnold Lobb set the pace with a 670 triple, with Tommy Graham's 294 effort taking high single honours. Other high single scores were registered by Keith Yeo and Arnold Lobb both with 264, Dick Perfect 257, Murray Grant 253 and Ernie Perfect 251.

Canada's "Outdoors Girl"

Selection of the "Outdoors Girl of Canada" and a wildlife exhibit will be two of many features of the 1960 Canadian National Sportsmen's Show in the Coliseum, Toronto, from March 11 to 19. Here, Nancy Robson, chosen as the "Outdoors Girl of Canada" last year, shares a hot-dog with a jungle beast. Dogs, incidentally, will also be featured at the big springtime exhibition as Canada's largest dog show will be held in conjunction with the Sportsmen's Show during its last four days.

Fan Belts Take Final Opener 3-0 From Hose Dept.

The Fan Belts scored a goal, a period to shut out the Hose 3-0, in the opening clash, of a best of five series, for the Goodyear Championship, Sunday afternoon.

The Hose, with goalie Dan Fowler and defenceman Dan Girardi playing major roles, put up a stubborn battle. Goalie "Red" Manile had a comparatively easy time in

tracking up the shutout, as captain Lloyd Hamilton employed his first string line-up for most of the game, to keep play in the Hose end.

Hamilton was the pacesetter for the winners, scoring an unassisted marker in the first and adding the clincher in the final stanza on a pass from Ray Preston. Ray West found the range in the second period, with George Heath and Bob Fairley drawing assists.

The second game goes this Sunday afternoon at 1:30.

The most intensive medical search in history is going on for a drug that will cure cancer. Although no "wonder drug" has yet been found there are a number of chemicals that assist in the treatment of cancer.

Joe Nowlan's team edged Jack Bond's bowlers 4-3 to break the existing deadlock between the two clubs, but while the co-leaders were battling, Art Spicer's outfit blaz-

tered Bob Mitchell's team 7-0 to move past both by a single point.

Pat Yeo's crew moved into contention by virtue of a 5-2 win over Fred Luton's club. Jim Cox's cellar dwellers pulled off a 5-2 upset win over Cec Mutton's pin-droppers to move out of the basement.

Bud Edmondson's squad slipped into last place, losing 5-2 to Elton Brock's bowlers, who took over the fourth position.

Onie Etcher rolled 753 to take high triple honours, followed by Hap Palmer with the men's high of 727, Gord Stringer 682, "Duke" Brunt 671, Elton Brock 661, Jim Graham 642 and Hilda Brock 636.

Frank Palmer's 318 effort was high with other big scores going to Onie Etcher 305 and 233, Gord Stringer 290 and 234, Morley Etcher 283, Hilda Brock 271, "Duke" Brunt 263, Jim Graham 239, Marg Perrie 238, and Elton Brock and Mary Yeo both with 239 games.

Town League Hockey

Hooper's Edge Ken's 5-4

Hooper's Jewellers came from behind a first period deficit to edge Ken's Men's Wear 5-4 in the second game of the Town League semi-final series, last Thursday night. The win coupled with last week's tie gave the Jewellers three points. Another tie in the third game would put Hooper's into the finals against Stephen Fuels.

The winners were without goalkeeper Howie Mashinter because of sickness, but veteran "Slip" Rowe took over the net-minding chores, holding Ken's to one goal over the last two periods.

Ken's went in front at 12:50 of the opening period, as Bill Crossley connected on passes from "Squeak" Brooks and George Heath. Bob Marjesson evened the score less than a minute later, and just as it appeared that the first period was going to end in a tie, Don Masters found the mark at 19:30 and "Hank" Lane added another with three seconds left, to give the Men's Wear a 3-1 bulge.

The Jewellers came roaring back in the second, rapping in three markers within six

minutes to take the lead for the first time. Laurie Garbe counted the first on a pass from "Archie" Crossley and Clint Ferguson triggered a pair in three minutes and 31 seconds. Ron Burgess and Bob Sheridan drew assists on the first, while Ron Pollard was in on the second. Masters and Don Prout combined to set Dan Girardi up for the tying tally at 13:43.

Garbe's second goal on a pass from Bob Marjesson proved to be the winner, coming at 6:09 of the final stanza.

Nicholson 268, 235, Frank Mohun 253, Charlie Vanstone 235 and Stan Hodgson 234.

Following Bond's record triple came Bill Nicholson 736, Fred Smith 711, Murray Grant 695, Frank Mohun 628, Maurice Conway 619 and Irwin Beauprie 602.

The first place deadlock was finally broken, as the Office trounced the Tigers 7-0, while the Hose were defeated by the Fan Belts 5-2. The Hose now trail by two points. The Combines rebounded from last week's upset loss to Fan Belts 7-0, by blasting the losers for the fourth

position. The Belts won over the Machine Shop 5-2 to take over third, while the Braiders dropped their fourth in a row, this time 5-2 to the Combines.

Men's Major Bowling

Russ Hallman has set the pace for the high single game of the season. Dutch came up with a 375 game high for this schedule and also topped John Ford's 370 bowled in the first schedule. Anyone beating Hallman's game is going to do some top notch bowling and have lots of luck.

Elton Brock had a nice 312 game, Frank Lewins 308, Murray Tighe had his best game of the season, 302.

Dutch Hallman also won the high triple with games of 207, 229, 375 for 811. Dr. H. B. Rundle has started to click and bowled 248, 288, 265 for 801. This is H.B.R.'s best effort at Liberty Bowl. Wild Bill Oke had 773, young Doug Shirk 709, Russ Oke 703 and Ern Perfect 702.

Cuth McDonald had the low single game 104. Dr. Ed Ewart 108, Coulson Woolner 113 and Jack Munday 114. George "The General" Jones is in the news again, this time with the low triple 412. Joe Nowlan was runner up, 421.
