

Social & Personal Phone MA 3-3303

Bowmanville Choral Group have been invited to present a concert in Tyrone in April.

Mr. Frank Westlake, Solina, spent the weekend at F. R. Cook's because of road conditions.

Mr. and Mrs. Austin Turner, Newcastle, were Sunday guests with Mr. and Mrs. Gordon C. Martin.

Miss Ann Brown, Toronto, was a guest this week of her uncle and aunt, Mr. and Mrs. Wally Braden, Frederick Ave.

Mr. and Mrs. Ralph Ames and Mr. and Mrs. Nelson Osborne have returned from a most enjoyable vacation in South Carolina.

Mr. and Mrs. A. S. Badger and Barb, Woodstock, were recent visitors with his parents, Mr. and Mrs. G. Badger, King Street East.

Mrs. F. R. Cook, Mrs. Sid Mitchell, Mrs. R. E. Land and children Kathy and Steven, spent Tuesday afternoon with Mrs. F. E. Cook.

Mr. and Mrs. Wally Braden were in Kingston last Tuesday attending the funeral of the latter's aunt Mrs. Gertrude May Berry, a sister of Mr. E. H. Brown.

Mr. and Mrs. W. Mairs and Mr. and Mrs. G. Badger attended the wedding of Mr. Badger's nephew at St. George's Anglican Church, Willowdale on Saturday, February 20th.

Mr. and Mrs. T. R. Wideman have returned from a two-week motor trip to Florida, Virginia and other Southern States.

Mr. and Mrs. Ivan Elliott, Sandra and Donald, Peterborough, visited her mother, Mrs. N. C. Yellowlees on Sunday and also were callers at Mr. and Mrs. Frank Wright's.

Mrs. J. Reynolds with her daughter, Mr. and Mrs. Roy Falls and Wendy of Streetsville, motored to Sarnia last weekend for a visit with her daughter, Mr. and Mrs. John Catran.

Mr. Bert Purdy and sons Jack and Clifford were in Bobcaygeon on Monday attending the funeral of Mrs. Purdy's brother, Mr. William James Edgar, Mrs. Purdy, because of illness, was unable to attend.

Mrs. Walter Snider, Courtoise, and her sister, Mrs. J. C. Montgomery of West Hill, enjoyed a visit with Mrs. Snider's son Don and his wife, Port Carling, Don and Edna are teaching at Glen Orchard and Port Carling this year.

Correction—The request for a one man arbitration board in place of a three man arbitration board, which was turned down by Bowmanville Town Council last week, came from the Ontario Police Association not the Bowmanville Police Association, as reported last week.

Mr. and Mrs. Baden Pingle and Miss Margot Rankine were guests Tuesday evening at the Junior Residence, Ontario Hospital, Whitby at the Candlelight Capping ceremony of Miss Patricia Pingle. Pat was one of a class of ten girls to receive their caps. They were also presented with Florence Nightingale lamps and white Testaments.

Mr. Lloyd Ayre, local sheep breeder, was elected vice-pres-

ident of the Canadian Sheep Breeders' Association at the annual meeting held last week in the Royal York Hotel, Toronto. Another local breeder, Mr. Harold Skinner, Tyrone, was elected an Ontario director along with Ray Clarkson, Brampton, and Louis Emke, Elmwood, Ont.

Last Saturday, Mr. and Mrs. Stuart R. James visited their son Norman, Queen's University Kingston and attended the University's "Open House". They were overnight guests of Mr. and Mrs. Arnold Anderson and Joanne and on Sunday with Mr. and Mrs. Anderson attended Chalmers United Church to hear Rev. F. Banister former minister at St. Paul's United Church here.

On Thursday, February 18th, Mrs. Avery Johnston celebrated her 90th birthday at Stratford Rest Home, King Street East. Sharing a beautiful cake with her were her daughter, Mrs. R. Virtue of Oshawa and her granddaughter, Miss Dorothy Virtue. Mrs. Fred Wright was also an afternoon visitor. Mrs. Johnston received many beautiful bouquets, plants and cards from relatives and friends.

Congratulations to Mr. and Mrs. F. C. Vanstone, King Street West, who celebrated their 53rd wedding anniversary on Saturday, February 20th, and to Mr. and Mrs. H. C. Osborne, King Street East, who were married 56 years ago on February 17th. Mrs. Osborne's many friends will be happy to learn she is making remarkable progress following surgery in Memorial Hospital last Friday.

At the annual meeting of the Federation of Ontario Naturalists held recently in Richmond Hill, Dr. A. E. Allin of Fort William was elected regional vice-president for Northeastern Ontario. Dr. Allin who was born in the Hampton district and attended B.H.S., is director of the provincial laboratory at Fort William. His wife, the former Dorothy Kirkton, is a sister of Mrs. R. W. Stocker. Mrs. Rance Dilling and Mr. L. Kirkton.

It was recently announced that the Pethick Funeral Home, Barrie, has been accepted as a member of The Order of The Golden Rule, an international affiliation of dependable funeral directors.

Mr. Oswald Pethick, son of Mr. and Mrs. Sheldon Pethick of Enniskillen, has thus become a member of an order that extends around the world and which has been in existence for more than three decades.

Just one funeral director in each community may belong and they must be of high ethical standing to receive this distinction. Only the written approval of many local persons in positions to speak with authority made this affiliation possible.

Subsidized Coal to Japan Has Cost Our Workers Jobs Stelco Head Tells Editors

Canadian steel industries are being jeopardized by Canadian Government subsidies on coal shipments to Japan to such an extent that it has meant lost jobs for some Canadians. This fact was brought to light when V. S. Scritt, president of the gigantic Steel Company of Canada, addressed members of the Ontario Weekly Newspapers' Association recently in Hamilton.

Mr. Scritt, whose company celebrates its 50th anniversary this year, proved to be a most interesting and informative speaker. The editors were told, among other things, that newspapers and industry had been influencing factors of the "Canadian way of life".

The whole context of the address was of importance, but the "punch" is contained in the following excerpts and will give much food for thought to all who are interested in the economic welfare of Canada.

"You may be surprised to know that in Western Canada today Canadian-made steel products are being displaced by products of Japanese plants operated by workers whose wages are about one-sixth of ours. This sounds bad enough, but it is not all," said Mr. Scritt.

"Our government is subsidizing the export to Japan of Canadian coal to make the steel to make the products to be sold in British Columbia and Alberta to pay for the coal. Perhaps the economists among you can figure that one out? And don't forget that as a result of these curious convolutions, some Canadian workers are two-year-old Donnie on the left and three and a half-year-old Tommy Martin. They are the small sons of Mr. and Mrs. Alec Martin, Newcastle. Their grandparents are Mr. and Mrs. Gordon C. Martin, Bowmanville, and Mr. and Mrs. Alex Foldeak of Toronto.

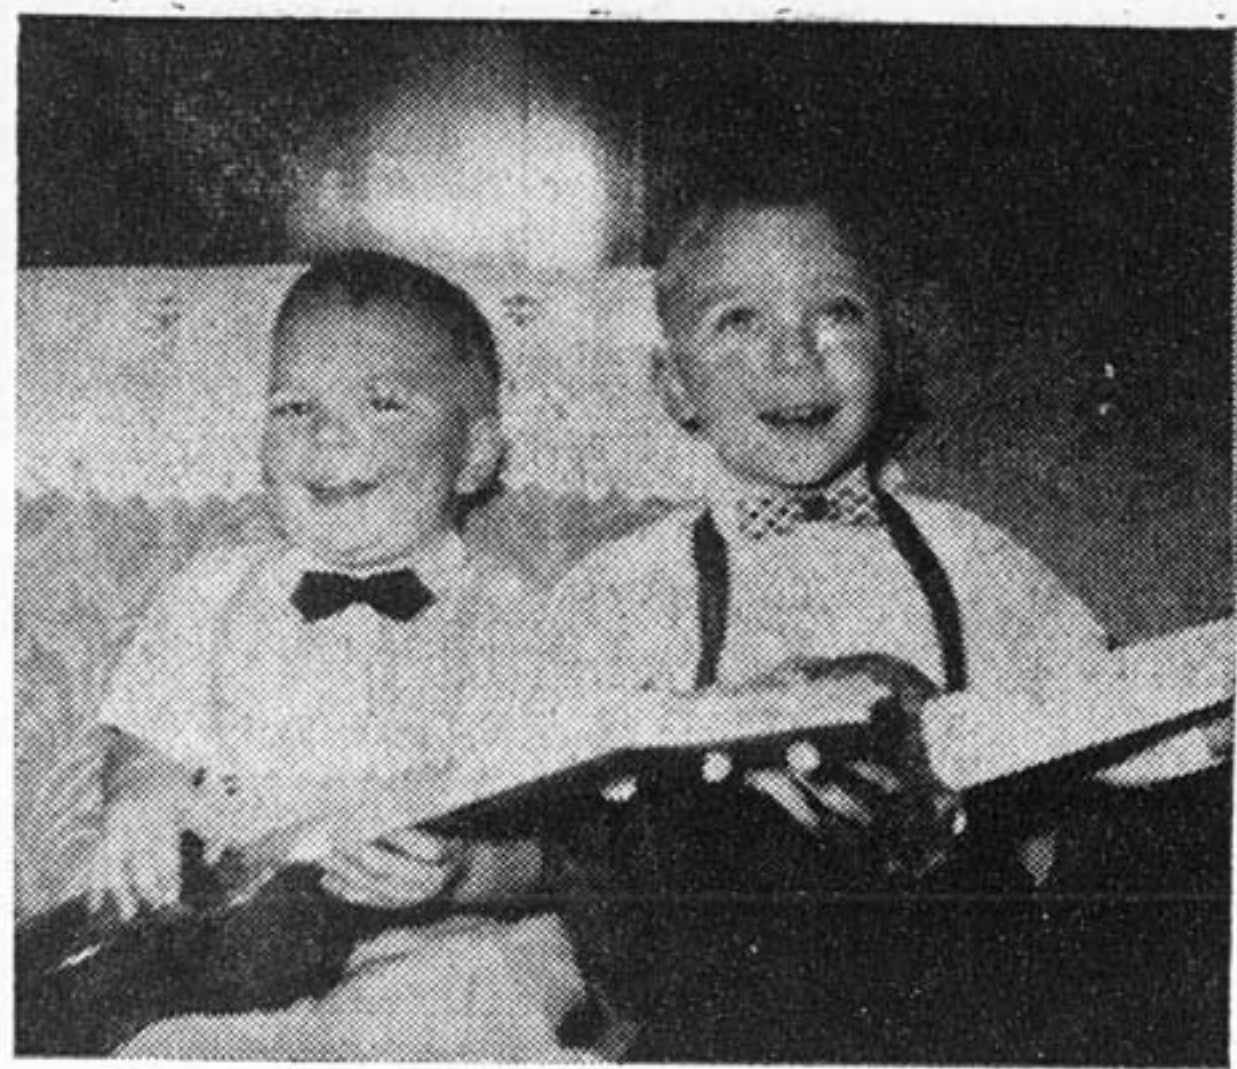

largely gone. In Europe and Asia - certainly in steel - many of the plants are every bit as good as ours. Technological data have been most freely given away in the interest of international pacification, and capital has been donated or loaned in stupendous amounts.

"In other words we must compete in our home markets when our output per man hour costs substantially more than that of our overseas competitors. How long this ridiculous on-

state of affairs will be allowed to continue is anyone's guess. "Sustaining our living standards on money borrowed abroad is the very opposite to what every sensible, thrifty man prescribes for himself. Why this is not evident to everyone, I can't say," concluded the speaker.

"but I honestly believe that unless we Canadians are prepared to face the facts now, it may very well happen that we will not have an opportunity to choose later.

Young Musicians

The guitar strumming youngsters pictured above are two-year-old Donnie on the left and three and a half-year-old Tommy Martin. They are the small sons of Mr. and Mrs. Alec Martin, Newcastle. Their grandparents are Mr. and Mrs. Gordon C. Martin, Bowmanville, and Mr. and Mrs. Alex Foldeak of Toronto.

Demonstrate Make-Up At Drama Workshop

The Durham Drama Workshop, meeting at the Lions' Centre in Bowmanville, will have as their guest on Thursday, March 3rd, Mrs. Austin Hiltz of Oshawa. Mrs. Hiltz will give a demonstration of Make-Up, both general and character types. This meeting should be of interest to anyone involved or interested in play production, and the meeting is open to the public, at a small charge of 50c, including coffee.

Mrs. Hiltz is well known in the community as she taught at Bowmanville High School under her maiden name Hilda Rice. She has had much experience in the Art of Make-Up and should have an interesting demonstration in store.

The demonstration will begin at 9 p.m. in the Lions' Centre, Bowmanville, on Thursday, March 3, but the regular session of the Workshop will begin as usual at 7:45 p.m. sharp. Anyone is welcome to come and observe the Workshop in session or to come at 9 p.m. for the demonstration.

Wm. G. Laird Wins Top Prize For Photo Art

Mr. Wm. G. Laird, R.R. 2, Bowmanville, captured first prize, Botanical Section, of the Federation of Ontario Naturalists' Photographic Exhibition held at Richmond Hill on Saturday, February 20th.

Mr. Laird's winning entry was titled "Ice Framed". The subject was an ice-coated milkweed pad found near his home this winter.

In this competition each entrant may submit four coloured slides, but not all are necessarily accepted, and it is considered an honour to have at least one admitted in the exhibition. Mr. Laird, who has been "shooting" coloured slides for about the past eight years, had three of his slides accepted.

The other two received honorable mention. One was "Polythems Moth" and the other "Autumn Parachutes" - a study of a milkweed that had gone to seed.

Quetico Park Film Thrills Rotary Club

The Rotary Club held its regular weekly luncheon meeting last Friday (Feb. 19th) at the Flying Dutchman with President George Vice presiding.

Rotarian A. H. Stevens of Oshawa had been scheduled to speak on Rotary's Vocational Service Program but had suffered a heart attack a few days previously. Program Chairman Tom Palmer came up with a splendid last-minute replacement—a movie in sound and colour on Quetico National Park.

Dr. Bill Rudell, one of a party of five Bowmanville men who had vacationed at Quetico last summer, introduced the film. He stated that this newest national park lies 100 miles west of Port Arthur on the Canada-U.S. border. On the other side of the border lies Superior National Park, and the two parks have a combined area of more than two million acres.

The park entry can be reached by the splendid new highway to Steep Rock Mines at Aukokan, but there are no roads and no buildings within the park which is to be preserved in its original state.

Oddly enough, game animals are not plentiful, but there is wonderful bass and pickerel fishing.

The park is a wilderness of streams and lakes, and canoeing parties must carry all their tents and supplies with them. Their courses are registered with the park authorities before setting out, and there is a daily aeroplane inspection to see that the parties are not in trouble, as well as to guard against forest fires.

The film fully supported everything that had been said about Quetico Park, and showed beautiful land and air views taken at all four seasons.

President Vice extended a vote of thanks to Tom Palmer and Bill Rudell, and to Jim Stout, who served as projectionist.

Bill Thiesburger, Chairman of the Special Events Committee, announced that the club had cleared almost \$550 as its share of the joint Lions-Rotary "Millionaires' Night".

Hockey draw tickets were won by Don Morris and Doctor Keith Slemmon, Rotarian visitors were Dick Fleming of Ajax and Jack Pobe of Peterborough.

Friends Honor Mrs. LaBine With Party

Mrs. Wilfrid La Bine was honoured at a surprise party at her residence, 187 King Street East, on Tuesday evening. Mr. and Mrs. La Bine and their children are leaving on Monday to take up residence in Hull, Que. The enjoyable farewell surprise party for Mrs. La Bine was organized by Mrs. Stewart Chisholm and Mrs. John Sweep, and 24 other friends of Mrs. La Bine.

A lovely pale blue blanket and three wall plaques, depicting a flight of beautifully coloured pheasants, were presented to Mrs. La Bine by Mrs. Chisholm on behalf of her friends. Mrs. La Bine in expressing her thanks said how much she has enjoyed living in Bowmanville. She asked all those at the party to say good-bye to everyone for her, and to thank everyone for all the kindnesses she and her family have received from Bowmanville people.

During the evening games were enjoyed. Prize winners were: Mrs. John Regan, Mrs. Jim Laverty, Mrs. La Bine, Mrs. Martin Molloy and Mrs. Bert Stapleton. Lucky tea cup winners were Mrs. Bill Cowie and Miss Joseph Nowlan. A delicious lunch was served.

The next meeting will be March 15th and all ticket money is to be handed in that afternoon.

CLOSE PORT HOPE PLANT - About 21 employees of Canadian Cannery in Port Hope received some sad news last week. They were informed that the canning plant will close as soon as the present stock of imported pineapple and grapefruit juice has been processed. Quite a severe blow to the rural area in this district!

Hockey Moms Plan Draw For Mar. 19

The hockey mothers met in January and February in the green room at the Lions Centre.

The afternoons were spent mending hockey socks and on another afternoon, some of the mothers met at Mrs. E. Rundle's and repaired some sweaters.

These socks and sweaters are left at the arena. It was decided to wait until fall before purchasing new socks.

Tickets were given out to sell on a draw to be made March 19th at the Eastern Ontario playoffs. The prizes are a five piece steel bridge set and a set of four TV tables and stand.

The next meeting will be March 15th and all ticket money is to be handed in that afternoon.

Our Gold e.n Anniversary Company the newly formed 3rd Company had to forego their meeting this week on account of a large gathering at the Lions Centre where they meet.

This Company with Mrs. Harold Bennett, Mrs. Ken Nicks, Miss Elaine Bennett as their Guides, assisted by Mrs. B. Baverstock are at present holding our interest as this is the first time Bowmanville has had enough interest shown in Guiding to warrant a third Company of Guides—we wish them well.

Canadian Cancer Society volunteers operate more than 70 cancer dressing stations where cancer dressings are made and distributed free.

Second Term

(Continued from page one)

which our Chamber, might profitably undertake, "and I urge all our members to continue to give their moral and financial support, and to cheerfully assume the tasks that the Board of Directors may assign to them."

Secretary-Manager Ken Morris officially presented the annual report and audited financial statement, and reported on various developments that have occurred since the first of the year. He then led a discussion on a variety of topics, and urged the establishing of an active and aggressive Civic Affairs Committee to assist and encourage Town Council and its various Boards and Commissions, all of which are overworked, and which are insufficiently appreciated. He singled out the Bowmanville Planning Board for special praise and commented "Here is a group of dedicated men who, without pay and very little thanks, have planned and directed the town's growth. Other communities, with no better plans than our own, have paid thousands of dollars to professional consultants."

Coffee and doughnuts were served at the conclusion of the meeting and group discussions of various business matters continued for another half hour.

20 Questions

(Continued from page one)

oped by others. Democracy is rooted not only in the personal rights of the common man, but even more in the personal interests and responsibilities of the common man.

"So as our democratic right, we demand to either repeal the by-law or amend it so that it does not impede freedom of the individual to the extent, that they have but contempt for

those who are supposedly working for our benefit. "Those who abuse freedom should be prosecuted, especially so when it is the people's freedom they are dragging down in their wake. On behalf of all the ratepayers of Darlington we shall stand firmly for freedom of the individual, for our human dignity, and we will not tolerate the destruction of these values without a fight."

"The council is responsible for appointing the Planning Board, we elect the council. We communicate our thoughts to you, and you the council can interpret it to the Planning Board. This however, does not mean that they will not hear from us even if in an indirect manner."

Respectively, Mr. B. Budai, secretary of the Darlington Ratepayers Association.

Reeve Rickard Replies Reeve Rickard said council would have no hesitancy in answering the questions submitted by the Darlington Ratepayers Association, but would have to obtain information to reply to some of them.

He suggested that rather than turn the council meeting into a question and answer period, he would be glad to go to the Darlington Ratepayers Association and answer all the questions, but to give the replies to 20 now, off the cuff, is difficult.

Darlington Council met the Planning Board the other night and one and a half hours were spent discussing one point in the Official Plan, Reeve Rickard stated.

Taking Away Rights Mrs. Budai asserted that the Planning Board is taking away the rights of the people altogether, and they are only privileged to pay taxes but cannot sell a lot off their land. She stated that there are other changes desired by the RPA that the organization would like to discuss with the Township Council.

We Have a Plan Asked by the Reeve if the RPA has definite suggestions, Mrs. Budai told him "We are ready tomorrow. We are not

just making a noise. We have a plan."

Deputy-Reeve, Arthur Blanchard told Mrs. Budai that he has sat with the Planning Board and he assured her the members are trying hard to do what is best for the township.

Mrs. Budai agreed that no one wants shady towns but she asked how many people could afford to erect a house with the required 1500 feet. Councillor Harold Muir said that 13 municipalities could not be wrong.

When Mrs. Budai repeated a question from the written list as to what difference there is between the Official Plan and By-law 2111, Reeve Rickard called on Walter Rundle, the Township Clerk, to answer.

Township Intention "The Official Plan is a statement of the township's intention regarding the development of the municipality in future years," Mr. Rundle said. He pointed out that after it is approved by the Township Council it is forwarded to the Minister of Planning and Development through which the policy is enforced.

Administrative Part The by-law is the instrument through which the policy for the development of the township is enforced. It is the administrative part of the policy," Mr. Rundle stated. He added that all by-laws can be amended or repealed. Any amendments or repeals must be approved by the Municipal Board, he said.

Must Be Approved Reeve Rickard stated that the Official Plan must be approved before the Zoning By-Law, 2111, can be amended. Mrs. Budai asked Reeve Rickard if he would attend an executive meeting of the Darlington Ratepayers Association in addition to a general meeting, and he accepted the invitation.

In 1959 Canadian steel mills produced 5.8 million ingots, an output 36 per cent greater than in 1958 and 12 per cent above the previous record total in 1956.

There was a collision on No. 115 highway just north of highway 401 at 6:30 p.m. on Friday. The cars involved were driven by Dorothy Litchford, Belleville, and Ross Douglas McKay, Cannifton. There was considerable damage to both cars. Constable Bruce Tilson, OPP, investigated.

There was an accident on Friday afternoon at 4:45 o'clock at the north junction of 115 and 35 highways. A truck owned by the Department of Lands and Forests, driven by J. W. Fisher, Downsview, was in collision with a car driven by William Allen, R. R. 3, Pontypool. Both cars sustained minor damage. Constable S. J. Rospond, OPP, was the investigating officer.

At 7:25 p.m. Friday there was a collision due to the poor visibility in the snow storm on No. 2 highway between an oil tank truck, owned by Yeo Brothers, and driven by Harvey K. Yeo, Odell Street, Bowmanville, and a Volkswagen driven by Hendricus Jansen, Guelph Street, Oshawa. There was considerable damage to the Volkswagen, but only minor damage to the tank truck. The accident happened two miles west of the CFR bridge, Bowmanville. Constable L. R. James, OPP, investigated.

Brands like Bronchida Chest Rub, Bronchida Cough Syrup, and Baby Cough Syrup. Prices range from 25c to \$9.85.

Hampton Man

(Continued from page one)

Bradley is in Memorial Hospital, Bowmanville.

Ross Alan Williams, age 18, Third Avenue, Bowmanville, who was driving behind the Bradley car, also skidded as he tried to avoid hitting the Bradley vehicle. He was able to get almost clear, but struck the side of the car causing slight damage.

Constable R. S. Diamond of the Bowmanville Detachment of the Ontario Provincial Police investigated the accident.
