

BADMINTON TOURNAMENT

By Frank Mohun

Oshawa's Ken Smith has been in the winner's circle many times but up until last weekend he had never been able to capture the Central Ontario triple crown - singles, doubles and mixed doubles. Last year Ken won both doubles eyents but he was unsuccessful in a bid to retain his singles title.

This year, Smith went into training, determined to Town League Hockey sweep everything. He got himself into excellent condition, losing seven pounds in the process and he did sweep everything.

championships as Lil Beamish added the ladies' singles crown to their winnings. The ladies' doubles eluded the Oshawans this year, as Peterborough took that title and also the veterans' men's doubles crown.

in nine years that he hasn't reached the finals in men's win over Hooper's Jewellers, shot from centre and "Clint" "Jiggs" Cowling scooped the Jack Lander was second with doubles competition.

HATS OFF TO B.B.C.

Town League Hockey Star of the Week

GARY "HANK" LANE

With elimination facing his team, Gary "Hank" Lang couldn't have picked a better time to turn in his best effort of the season, as Ken's defeated Hooper's in last Thursday's Town League playoff.

"Hank", a top performer with the Legionnaires, played a sound game on defence and scored twice, while assisting on two more.

Perhaps the turning point in the game came in the second period, when Lane went through the entire Jewellers club to tie the score. After that, Ken's were never headed. That's why "Hank" Lane won the Surplus Sales' Star

leenage Bowling

of the Week Award.

227 a two point lead over their and Audrey Spicer both with 227 nearest rivals in the Teenage 201 scores. 225 Bowling League, Saturday Linda Brooking had a 566 224 afternoon, defeating John triple while Audrey Spicer to-221 Phillip's team 7-0. Larry talled 541. 218 Thompson paced his crew to

Poor Mileage Can Be Your Fault

When you complain about poor mileage don't blame your car or the gasoline you're using, because chances are the blame generally lies in improper car maintenance or improper driving habits.

Under-inflated tires, for instance, can decrease your mileage, as well as prematurely wear out your tires. It's the

Bill Steven

same with a dirty air filter that can starve your mixture and consequently cut mileage by as much as 10%. Other factors can be a faulty manifold heat control valve . . . improperly adjusted choke . . . faulty spark plugs ... incorrect plug or point settings ... a plugged or bent tail pipe . . . a faulty radiator thermostat that causes slow warmup . . . or even the crankcase oil being too heavy.

Your personal driving habits can also be to blame. Sustained driving at 60 miles per hour, or greater, increases gas consumption by 10% to 15% — over driving at 50 miles an hour. City driving is also hard on gasoline. If you pace your driving to traffic and to traffic lights to avoid unnecessary stops you can save one gallon out of four.

Fast stops and starts, jackrabbit get-aways and traffic weaving are other gas wasters. So drive intelligently. It's safer . . . easier ... and more economical.

At Robson Motors Ltd. you'll find that all of our used cars have been thoroughly checked for these gas-robbing faults. They're all ready to give you miles and miles of dependable . . economical transportation. The other factors are up to you.
