

THE CANADIAN CHAMPION.

MILTON, MAY 22, 1896.

Should there not be something done for the conversion of the members of the Milton town council against whom such grave charges of intemperance, immorality and general depravity have been published in the Champion last week?

Rev. Dr. PARKER, of St. Thomas, professes in his letters, which appear in another column, to be greatly shocked at what he calls the stealing of his confidential correspondence; but has nothing to say in condemnation of the vile slanders and scandal contained in that correspondence.

PERSONAL REASONS.

The Action Free Press has failed to substantiate its statements that Milton men in high places have not only winked at the violation of this (the Scott Act) and other laws, but have deliberately encouraged such violations, &c., by giving the names of any of the men in high places, &c.

Inspector Brothers acted as counsel for the prosecution and stated that Levi King was summoned but did not appear.

The third charge was against Theo. Little for selling between the 1st and 20th days of April. The defendant pleaded not guilty and waived the reading of the information.

THE RUSS-PARKER LETTER.

The exposure last week by the Champion and Sun of the libellous Russ-Parker letter made a great sensation and excitement still runs high.

It is not necessary to clear myself of any collusion with the enemies of the Canada Temperance Act. I beg to say that I did not furnish the Mayor of Milton nor myself with either the original or the "copy."

It is certainly remarkable the wonderful force effected by West's World or Family Inquirer. This World Inquirer is a weekly paper published by the Rev. W. R. Parker.

THE RUSS-THOMAS LETTER.

Who is the Blind Leader of the Blind on the way to the Big Dip?

I have read, with feelings of surprise and indignation, the letter signed 'A. E. Russ' and published in the Champion last week.

THE FISHERY QUESTION.

The fishery question is creating no feeling in England, especially since Lord Lansdowne's despatch was read in the Imperial House of Commons.
