ANOTHER IMMENSE ALTERATION IN OUR PREMISES.

Monday, 2nd of August, we begin to tear down part of our bullding in order to make our store the best lighted tore in Hamilton. You will remember that the front part of the first flat of our establishment is lower than the rear It is our intention to tear down the front floor, thus leaving the height 22 feet, which will have an immense effect, both in improving the appearance and giving customers a magnificient light to buy their goods all through the establishment. During the process of dust and alteration, we will amuse our customers with some Early Closing Alteration Prices, which should affect the populace. We do not tread in the footprints of our dead ancestors.
