MR. JOHN MCDONALD of the 3rd line
Esquesing, who was hurt a week or two
ago by falling off a load of grain, had
his leg broken in two places one day
last week. He was standing on a beam
in the barn, about eighteen feet from
the floor, moving some heavy plank.
He missed his footing and fell heavily
on a grindstone underneath. The
result was a very severe hurt, that will
not allow him to do any work for
perhaps three months. Dr. Todd was
called and reduced the fracture and the
patient is doing as well as could be
expected.—Herald.

ACCIDENT.—On Monday, the 22nd
August, Mr. John McCann and Mr. W.
F. Ford, of Omagh, started to drive to
Palermo with a span of horses and a
wagon without a box—merely a board
from bolster to bolster. On the way
the board slipped, striking the horses,
which started them on the run. The
king bolt jumped out and Mr. Ford was
thrown off the wagon, receiving serious
injurious, from the effects of which he
died on Monday last. He was only a
young man (nearly 20 years of age) and
was much respected. He was buried
in the Boyne Presbyterian cemetery
yesterday afternoon.

THE CHARIVARI.—Messrs. Houston,
Campbell and Champ were tried on
Wednesday of last week before Judge
Miller and, from the evidence given,
the Judge held that under the indict-
ment preferred against them he did not
have jurisdiction, and they were dis-
charged. In giving in his judgment he
stated that the boys could be proceeded
against summarily before a magistrate,
that he did not discharge them from
lack of evidence to convict, as it was
proven that they were present at the
charivari, with about twenty others,
who had congregated together for un-
lawful purposes. The damage said to
have been done was very slight, as
shown by the evidence, the boys mere-
ly wanting two dollars from the groom
to have a good time.

DEATH OF REV. ALEXANDER WARREN.—
Rev. Alexander Warren, who has been
long known to many in this vicinity,
died at the residence of John Warren,
Esquesing, on Tuesday of last week.
He was born in Kingussie, Inverness-
shire, Scotland, in 1830, and in 1833
came with his parents to this country.
For a number of years he taught in
some of our public schools, was an
adherent of the Presbyterian Church,
and some twenty-four years ago he
severed his connection with this body
and entered the Baptist ministry, in
which church he has been a faithful
and earnest worker. His health has
not been very good for some length of
time; and it is now some years since
he has been able to engage in active
work. On Tuesday he was called to
his eternal home to recieve a "crown
of glory that fadeth not away."—

partment of Canada. The article, be-
sides containing a full and interesting
description of the Canadian Militia,

ing for the Department of Militia De-
fence, Ottawa; Royal Military College,
Kingston; Citadel of Quebec; Major-
General Sir Fred'k Middleton; Sir
Adolphe Caron; Lieutenant Francis
Gourean, and frontispiece portrait of

General's Foot Guards. Price 25 cents

receipt of price. Address, American

DISMISSED.—A young man by the
name of William Strong lives with Mr.
John Bowes, first line, Trafalgar. He
(Strong) owns a 3-year-old colt, which
he gave to Mr. Thompson Sherwood to
break in to drive single, Sherwood to
have the use of the colt until after seed-
ing. On Saturday evening last Strong
went down to Mr. Sherwood's for the
colt, stating that he wished to take a
drive on Sunday and would return the
animal to Sherwood Sunday evening or
Monday morning. The colt not being
returned according to promise on Mon-
day morning, T. Sherwood went to
Bowes's place and took it home. He
(T. S.) told his father, after return-
ing home, that Strong did not want him
to take the colt away, as Mr. Bowes
wanted to use it. Mr. Sherwood, on
hearing this, returned the animal forth-
with. In the meantime Strong came
to Milton and had a warrant issued
against Thompson for taking the colt.
A hearing was to have taken place on
Monday afternoon, but Strong, on
coming before the magistrates, said he
wished to withdraw the charge, as he
was advised to do it by a party. Case
dismissed.

CHURCH MEETING.—The members of
Knox Church, Milton, held a congrega-
tional meeting last week to discuss the
propriety of dissolving the union exist-
ing between the Boston and Knox
Church congregations. The committee
appointed at a former meeting to solicit
contributions towards having a minister
for Knox Church, independent of any
other charge, reported that $759.00 had
been subscribed, that $50.00 more was
confidently expected in a short time,
and that they had met with much en-
couragement on their canvass through
the congregation. They estimated the
Sabbath collections at $250.00, and,
after making an allowance of 10% re-
duction for emergencies, there would
be sufficient, with the manse, on which
to call a minister for Knox Church.
On motion the report was received and
adopted. The following resolutions
were then passed: that steps be taken
to separate from Boston congregation
and to form a separate charge; that
Dr. Robertson, J. W. Elliott and F.
Barclay be appointed delegates to at-
tend the presbytery; that the Rev.
Murray, of Streetsville, be moderator
protem, and that he be requested to
moderate on a call for a minister.
Messrs. Barclay, Judge Miller, John
White, J. A. Frazer, J. W. Elliott and
J. H. McCollom were appointed a com-
mittee to arrange for supplies. It was
then moved by Mr. Barclay, seconded
by Mr. White, that in the opinion of
this congregation it is for their best
interest that a dissolution of the union
heretofore existing between Boston and
Knox Church congregations take place
as soon as the necessary steps can be
taken for that purpose, and beg to ex-
press the kindly feelings they entertain
towards the Boston congregation, and
call to remembrance with pleasure the
agreeable intercourse they have had in
days gone by, and trust that although
the congregational union may be dis-
solved, that the union of heart spring-
ing from true christian feelings may
long continue, is the sincere prayer of
this congregation.—Carried. The meet-
ing then adjourned.

LACROSSE.—The Olympic Lacrosse
Club journeyed to Georgetown on Fri-
day last to have a friendly game with
the Ætnas of that place. The hamlet
was celebrating its civic holiday, and a
great gathering of people had assem-
bled on the agricultural grounds to
witness a large programme of sports
under the auspices of the fire brigade.
The lacrosse game commenced at 4 p.m.
After fifteen minutes play, during which
time the Milton players had been called
all the pet names in the "hoodlum
vocabulary" by the tough element
among the Georgetown spectators, the
ball was thrown on the flags by an
Ætna player and nicely warded off by
the goal-keeper, but after play had con-
tinued a few seconds longer the umpire
called game. The goal-keeper, with
surprise, asked when the ball passed
through. The umpire gave his decision
on the ball which had been warded off,
saying that the goal-keeper was stand-
ing behind the flag poles. The Olympics
objected to what they considered a very
rank decision, but after a short squabble
play was resumed, Georgetown being
credited with the game. In five minutes
play the Milton team had scored a game.
The third game had been in progress
about ten minutes when the umpire
had another chance to give the Ætnas
a game. The ball had gone by the
flags two feet wide, but Mr. umpire
imagined it rolled through and gave
Georgetown the game. The majority
of the spectators at that end of the
field became very indignant, and said
that the Milton team were being beaten
by the umpire, and hot and angry words
followed. The Olympics also strongly
objected to be umpired out of the game,
and refused to continue play longer
unless the umpire was changed and the
game disallowed. The Ætnas consent-
ed to make the change but refused to
allow the game, when the Milton
players withdrew. The Olympics were
playing a rattling game and decidedly
the best of the play against a team
stacked for the occasion, including
players from Berlin, Guelph, Galt and
Toronto, and an effort was made to get
a goal-keeper from another town, but
he would not accept their offer of ex-
penses and "boodle." The firemen
treated the Milton boys very courteous-
ly.

OBITUARY.—It is our painful duty this week to record the death, at the early age of eighteen years, of Miss Tilly Lister, third daughter of S. R. Lister, Esq., of Campbellville. About two weeks ago Miss Lister was seized with an attack of typhoid fever, and though everything that medical skill and loving friends could do was done for her, she gradually sank and on Thursday night last succumbed to the fatal malady. The funeral took place on Saturday from her father's residence to the Pres-byterian cemetery at Campbellville and was one of the largest ever seen in the neighborhood, the community embrac-ing this opportunity of showing their last tribute of respect to the memory of their departed friend. In the death of Miss Lister, Campbellville loses one of the best of its younger citizens, and one who was held in high esteem by all who had the pleasure of her acquaint-ance, her genial disposition and kindly manner having endeared her to a large circle of friends, young and old, who will deeply feel her loss. Although comparatively young, Miss Lister had already taken a prominent place in the Methodist Church and Sunday School in that village, and was one of its most active members and workers, her ex-cellent musical ability and vocal talents making her especially useful in the service of song and praise in the church, and in addition possessing many great and loveable virtues. She was a general favorite socially, and in every entertain-ment in the neighborhood, either for secular or religious objects, she was sure to bear a part and lend a helping hand. It will be many a day ere the blank caused by her early death will be filled, and her young friends especially will miss the kindly face and sym-pathetic nature of the youthful christian lady who was so ready to share in all their pleasures and trials; but her life, though short, will not be without its lessons to them, and the recollection of many little acts of kindness and charity will for long years keep her memory green. Her loss will be a severe blow to her sisters and aged parents, but they may feel sure that they have in their bereavement the heartfelt sym-pathy of the entire community, who, in this, their time of sore affliction, join in weeping "with those who weep."

OBITUARY.—Mr. William Barber, of Streetsville, ex-M. P. P. for Halton, died at that village on Thursday, the 25th ult., of heart disease, after an ill-ness of two months, aged 78 years. Deceased was born at Parkhall farm, Antrim, Ireland, and came to Canada with his parents, four brothers and one sister in 1822, living in Niagara for two years and then removing to West Flam-boro'. He learned the woolen business from Hon. James Crooks, of West Flam-boro', father of the late Hon. Adam Crooks. In 1837 he settled in George-town, where he, in company with his three brothers, James (since dead), Joseph and Robert, under the name of W. Barber Bros., commenced business. In 1848 the Messrs. Barber Bros. and Mr. B. Franklin (since dead) started a woolen mill in Streetsville, at first on rather a small scale, but as the county grew so did the factory, for in 1852 a large new building was erected which was destroyed by fire in 1861, and a more extensive one rebuilt, being at that time one of the finest factories in the Dominion. In 1870 the brothers dissolved partnership, William and Robert taking the business at Streets-ville, James the business at George-town and Joseph retiring. The de-ceased was elected to the Gore District council in 1844, and occupied the posi-tion for six years. He was a member of the Toronto Township and Village of Streetsville councils for a number of years; also Reeve of Esquesing for the year 1846.

In 1867 he contested this county for the Local House against the late Simcoe Kerr, Esq., and was elected by a large majority, polling every vote in Georgetown except three. Mr. Bar-ber supported the Coalition Govern-ment of Sandfield Macdonald during its first term, and at the general election in 1871 he was opposed by W. D. Lyon, Esq., ex-M. P. P., who was the nominee of the "Reform convention," and again elected. He was again elected in Jan-uary, 1876, having W. C. Beatty, Esq., as his opponent. Mr. Barber became a Mason in 1846, when he was initiated in St. Andrew's Lodge, and was buried with Masonic honors. Deceased leaves a widow and three grown up sons. The funeral took place on Friday last and was very largely attended by friends of the deceased from Toronto, Milton, Georgetown and the neighborhood. The cortege drove from Streetsville to Georgetown, where his remains were deposited.

NEVER TRIED IT.

What! Never tried Johnson's Tonic Bit-ters! Then do so at once, it's positively the best general tonic on the market. I've often heard of it but thought that it was to be placed on the list of the many trashy preparations that flood our markets, but since you recommend it so highly I'll give it a trial. By so doing you'll find it a com-plete panacea in which a tonic is benefit, and can be taken by man, woman or child. 50c. and $1 per bottle at H. Watson's drug store, Milton.
