During the past

Many Barrie people, have been receiving compliments which indicate that the finest private displays of Christmas decorations north of Poronto are to be seen here, There are probably by two homes

in the town which are absolutely Indentical and similarly no two attempts at decorations for the festive season were the same. Many have gone far beyond the sphere of just "decorations", and have worked clever schemes and motives into their plans which have been indicalive of real initiative. Although The Examiner did not visid every mack and ermany of the

cwn, a drive up Highway II towards Orillia brought first a view of Grant Mayor's large tree with varicolored lights in front of his residence across from Bnyview Park. A few doors farther up, the Lowe home was artistically decorated with Mr. Allan denied this but stated kled with colored lights at the ver- Porents.

\$38,000,000 Loaned By Farm Loan Board

The annual report of the Canadian Farm Loon Board for the fis-One of the most attractive Christ- ent year ended March 31, 1939, conmas novolties, for private residence, tains a review of the activities of the

> few years the Board has been leaning at the rate of about \$5,000,000 In the last fiscal year, the Board

collected from borrowers a total of

\$2,970,000 as repayment of principal

land interest as compared with an amount of \$2,500,000 collected in the previous fiscal year. In the ten-year period under review, of the \$39,600,000 loaned there was repaid by horrowers \$4,800,000 and, at the end of that period, only \$237,000 of Interest and \$637,000 of principal was in arrears for a long-

er period than six months. Notwithstanding the difficult conditions that farmers have experienced in the last few years, the repayment record of horrowers indicates that Canadian farmers, with few exceptions, respect their mortgage obligations to the extent that eco-

nomic conditions will permit.
