Don't miss these outstanding games as the boys are in top form and guarantee you a thrill a minute. Port Hope, our guests for Friday evening, are a very strong aggregation but the Orono boys are quite confident of matching them man for man.

On Monday, January 7th, the Orono teams will have the chance of squaring matters with the Cobourg teams in our own backyard. This contest needs no advertising for those who saw the first meeting of these teams. They all agree that the thrill a minute contests were worth the price of admission many times over. Don't miss these games if you don't care for five hours of excitement jammed into two, for the boys sure will give it to you.

All boys wishing to play hockey in the town league please be at the rink on Tuesday, January 8th. Boys 16 years of age and under at 7.30 p.m. Boys 20 years of age and under at 8.30 p.m. This is for all boys in order to form a town league. These games will prove very educational and the outstanding players of this league will have the opportunity of trying out with the O.M.H.A. teams. Don't forget the time, date and place. Just bring your sticks and skates and the ambition to play; we will arrange the rest.

All girls interested in participating in these sports are asked to be at the rink at 6.30 p.m. on Tuesday, January 8th. Girls who are interested in playing hockey try to bring sticks as the club have not a very good supply.

W. I. MEETING

(Intended for last week)

The Orono Women's Institute's December meeting was held in the Council Chamber on Friday 21st with the Vice-President, Mrs. E. Hamm in the chair. Letters of thanks were read from the local Girl Guide Association for the gift of a chair and from the Kinsmen Club for a donation of \$25 to their Milk for Britain Fund.

The program was in charge of the Home Economics Committee and the convener, Mrs. J. H. Gibson Sr. took the chair. The hall was appropriately trimmed with Christmas decorations and the roll call was answered by the name of a favorite carol. At the intervals during the afternoon several of these were sung with Mrs. Staples graciously playing the accompaniment on the piano. Miss Barbara Ann Rolph played a beautiful piano solo "Intermezzo" and it was thoroughly enjoyed. The speaker for the afternoon was Mrs. M. S.

Health. The subject was well covered in all its phases with up-to-date data. Points touched on were - National health, food needs for the body, adequate school lunches, meals for industrial workers, uses of the vitamins A, D, C, B1 and G and in which foods they are found, also the proper cooking of vegetables. Pressure cooking was also talked of and mentioned as being one of the better methods. A "Food for Fitness" slogan was given "Eat what you like after you eat what you should." After singing more carols a Christmas quiz contest was held and then a lovely lunch was served which included the traditional Christmas Cake.

The National Anthem was sung to close the meeting and "Merry Christmas" and "the same to you" was heard on all sides as the members left.
