Christopher & Natalie Towne

The Field of Dreams sculpture, designed by Kay Douglas and located at the corner of Kildare and Alsace, represents the strength and energy possible when our community comes together to achieve a goal. Seven figures, representing the community, surround a central core, symbolizing the cause. The large, silver ball at the top represents the campaign goal, our new MRI. Major corporate and individual donors of \$5,000 and over are recognized on the base of the sculpture.

*Thank you* to the following companies who donated materials and labour to complete the construction of this artwork, under the supervision of Norm Becker P.Eng: Becker Engineering; Peter Anthony Design Limited; Manor Tool and Die; Romeo Machine Shop; Hrycay Engineering; A. & L. Gobbo Construction Incorporated; Masotti Construction; Arlen Tool Company Limited; J. Santarossa & Sons Limited; The Prestressed Group and Plumbway Inc.
