

Memorial garden dedicated

Over 60 friends and family gathered at Orioles Park in Woodslee July 8 to witness the dedication of a memorial garden to former members of the Woodslee Baseball Association's executive board. Vice-President Jim Dunn, seated at left, said the idea for the garden came about after the sudden death of Maureen Harold in 2004. Harold served as secretary of the executive board for nearly 10 years. Eight markers have been placed in the garden in memory of those who have died. "It's dedicated to those who made significant contributions throughout their time as executives," Dunn said. "We just felt something needed to be done in their memory."
