Miss Me But Let Me Go

*When I come to the end of the road,
when the sun has set for me,
I want no rites in a gloom filled room
why cry for a soul set free.*

*Miss me a little, but not too long
and not with your head bowed low,
remember the love that we once shared,
Miss me but let me go.
For this is a journey we all must take,
and each must go alone,
it's all part of the Master's plan,
a step on the road to home.
When you are lonely and sick at heart
go to the friends we know,
and bury your sorrow in doing good deeds,
Miss me, but let me go.*
