IN MEMORIAM

Glen Ivancic

September 27, 2003

In loving memory of our wonderful Son and Brother who was tragically taken from us on this day. Love Mom, Dad, Nash, Kage and Payton

Three Years Gone By

It's hard to believe that three years have gone by,

We miss you so much and we still ask why.

Nash's memories of you are still so clear,

Kage just wants to know if the bad guy is near.

Payton is adored by all of your friends,

So innocent and confused, sometimes calling them Glen.

I dread the day she asks how you died,

I'll just let her know you're an angel by her side.

Your Dad and I wish we had more time with you,

Seeing your friends really helps us get through.

We celebrated your Birthday with a Pool Party this year,

Remembering good times with your friends and some beer.

A very special person came by the day before,

With tear filled eyes said, "Your name isn't mentioned much anymore."

Glen, please give them a sign and let them know it's OK,

That your name will always be in their hearts to stay.
