IN MEMORIAM

WESTLAKE

In loving memory of our parents Jack, Oct. 4, 2005 and Shirley, Nov. 21, 2001.

To hear their voice and see their smile,

To sit with them and talk awhile.

To be together in the same old way,

Would be our greatest wish today.

No words we speak can ever say,

How much we miss them everyday.

- Always in our thoughts, Judy, Wayne, Betty and families

TRIMBLE

In loving memory of a dear Mother and Grandmother, Jean Marie Trimble, who passed away October 10, 2002.

The moment that you died

My heart split in two,

One side filled with memories

The other died with you.

I often lay awake at night

When the world is fast asleep,

And take a walk down memory lane

With tears upon my cheek.

Remembering you is easy

I do it every day,

But missing you is a heartache

That never goes away.

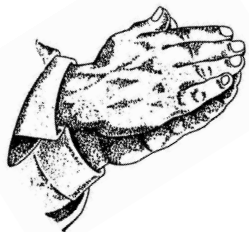

We hold you tightly within our hearts

And there you will remain.,

Life has gone on without you

But will never be the same.

- Always loved and deeply missed by Jim, Mary-Ann, Jeanie and Michael

IN MEMORIAM

TREPANIER

In loving memory of Lenora who passed away October 9, 1997 and Ray who passed away October 30, 2003.

May the winds of love blow softly

And whisper so you'll hear,

We will always love and miss you

And wish that you were here.

- Forever loved and missed

by your family

Supporting the effort to find more doctors for the area are (L to R) Essex Councillor Peter Timmins, Mayor Ron McDermott, Marlene Markham Gay, the town's volunteer representative on the Physician Recruitment and Retention Committee, and Councillor Morley Bowman. The committee works year round and has members from Kingsville, Leamington, Wheatley and Lakeshore, as well as Essex.

Essex backs physician campaign

By FREE PRESS STAFF

The 3rd Annual Extravaganza for Physician Recruitment and Retention was held last Friday at the Roma Club in Leamington and attracted about 250 supporters.

The committee was established to assist in efforts to bring physicians to Essex County. A full time recruiter, Joan Mavrinac, works to bring physicians to Windsor and Essex County.

Another objective is to show community appreciation for the doctors the area already has working here. This year the committee hosted Dr. Albert

Schumacher's leadership training, which brought a group of medical students to Leamington to experience the hospitality found in rural communities.

The committee also sponsored MedQuest, an experiential camp for high school students, to give them an idea of what it would be like to be a doctor.

Essex County is one of the most under serviced parts of Canada in relation to the number of practising physicians. A few weeks ago, Leamington Hospital found it necessary to close the emergency room for three weekend shifts as there was no doctor available.

PRO-LIFE SUPPORT - Sarah Crowe, left, her sister Megan, and Mary Lapain display anti-abortion signs during a pro-life demonstration along Talbot Street in Essex Oct. 1.
