SUN PARLOR JUNIOR SCHOOL NEWS – Members of the Lakeshore Fire Department gave an excellent Fire Safety presentation at Sun Parlor last week. We talked about our family's fire plan, we practised crawling under the smoke, as well as "stop, drop, cover your face and roll". We were also able to experience a firefighter in full gear first hand. The most exciting part was going outside to see the firetruck and, of course, our old buddy, Sparky!

Holy Name Hawk Happenings

This week, the Holy Name School community welcomed Miss McCarthy and Mr. Savo. Both are teacher candidates from the University of Windsor's Faculty of Education and will be working alongside Mrs. Repsys and her SK's for the next few weeks. Teacher candidates will gain experience from their time spent in the classroom, observing and learning from seasoned teachers.

In classroom news ... students in ILM have been exploring numbers and number words in their study of mathematics. The concept of 'showing the same number in many different ways' has also been explored using a variety of fun and interactive games. Grade 1 students have also begun a brand new unit of study in Social Studies concerning 'neighbourhoods'. Students have discussed their own neigh-

bourhoods and the neighbourhood surrounding their school, examining important aspects of each and certain things that are particular to these areas.

In sports news ... students on the cross country team have been hard at work practising for upcoming meets. Coaches are extremely pleased with the turn-out that they received this year! Way to participate, Hawks!
