It is of great importance to find the **best** service facility to meet your automotive needs. **JIM'S DIVISION AUTO LTD.** brings **INTEGRITY** to car repairs. Kingsville's Jim & Connie Hubert, owners, place a special emphasis on the preventative maintenance of your vehicle. What this does **FOR YOU** is significantly reduce the chances of those **costly and frustrating breakdowns from EVER OCCURRING!** Preventative Maintenance enables you to drive your present vehicle longer and farther at reduced operating costs over the life of the vehicle. For example, it is very inexpensive to change your anti-freeze every 3 years and many times it will prevent very expensive repairs such as: head gasket and water pump failure, radiator and heater core replacement. Changing the transmission oil & filter approximately every 80,000 km will keep your automatic transmission operating smoothly and prolong its life. Many times a \$ 75 dollar investment in changing your car's brake fluid can prevent expensive anti-lock brake problems from ever occurring. **THIS IS WHERE THE INTEGRITY COMES IN - the STAFF AT JIM'S DIVISION AUTO LTD. WILL ONLY RECOMMEND THE MAINTENANCE & REPAIRS THAT ARE IN YOUR BEST INTEREST!** And you are always free to choose whatever suits you and your budget and are under no obligation whatsoever.

**THEY ALSO HAVE CREDIT AVAILABLE! 3 MONTHS TO PAY WITH NO INTEREST ON TIRES OR MECHANICAL REPAIRS OVER \$500 ON THE TIRECARD**

Originally established in 1991, **JIM'S DIVISION AUTO IS NOW CELEBRATING 15 YEARS IN BUSINESS!**

They joined the **NAPA AUTOPRO** group of service professionals in 1995, bringing the 12 month, 20,000 km national warranty, access to premium **NAPA** parts at affordable prices and training to continually update their staff as automotive technology evolves. To serve their customers better, in March of 2003 they moved and opened their modern, expanded facility which has a total of 6 service bays, including 2 large commercial bays. Most recently to strengthen this **CUSTOMER COMMITMENT** further **JIM'S DIVISION AUTO LTD.** has become a member of the **TIRECRAFT** group. Along with the same great service that customers recommend to friends, now there are brand name tires such as:

**ALL THIS AT LOW, LOW PRICES BECAUSE OF THE HIGH VOLUME BUYING POWER OF THE 200 STRONG, TIRECRAFT NETWORK.**

Now renamed "**TIRECRAFT | AUTOPRO**" they are a **NEW CAR WARRANTY APPROVED** maintenance facility that also specializes in :  
**BRAKES, ALIGNMENTS, TUNE-UPS COMPUTER SYSTEM DIAGNOSTICS, AIR CONDITIONING, EXHAUST, TRANSMISSION & ENGINE REPAIRS** and all other repairs large and small.
